### SURVEYOR & MAPPER'S NOTES

- 1.) NOTICE: This plat, as recorded in its graphic form, is the official depiction of the subdivided lands described herein and will in no circumstances be supplanting in authority by any other graphic or digital form of the plat. There may be additional restrictions that are not recorded on this plat that may be found in the Public Records of Palm Beach County.
- 2.) The bearings shown hereon are Grid North and are referenced to the Florida state plane coordinate system, East Zone, North American Datum of 1983 (1990 adjustment), and are based on the West line of the Southwest 1/4 of Section 26, Township 47 South, Range 42 East, Palm Beach County, Florida, having a bearing of North 01°22'09" West, and all other bearings recited hereon are relative thereto.
- 3.) In those cases where easements of different types cross or otherwise coincide, drainage easements shall have first priority, utility easements shall have second priority, access easements shall have third priority, and all other easements shall subordinate to these with their priorities being determined by use rights granted.
- 4.) No building or any kind of construction or trees or shrubs shall be placed on any easement without prior written consent of all easement beneficiaries and all applicable County approvals or permits, as required for such encroachments.
- 5.) All lines intersecting circular curves are radial unless otherwise noted.
- 6.) Building setback lines shall be as required by current Palm Beach County Zoning Regulations.
- 7.) It is the intent of this replat to release and extinguish all easements in favor of private entities that were previously platted, unless otherwise noted.
