Snacks and Door prizes

2pm Bring Design
Master Gardeners available for Assistance

University of Florida/IFAS, in partnership with the Palm Beach County Extension Service, is conducting a "Florida Friendly Landscape Design Course" at the Mounts Auditorium on Thursdays in October and early November. The course is in the afternoons, 1pm until 4 pm, and will be held on October 16, 23, 30 and November 6. This course is conducted by Keith Patton, the University of Florida's Florida Yards and Neighborhoods Program Coordinator for Palm Beach County, and will include a tour of Unbelievable Acres guided by Gene Joyner.

This course also includes presentations on the principles of landscape design, Florida Friendly Landscaping and several other landscaping topics. Participants will receive several useful books on landscaping, many University of Florida/IFAS landscaping documents, DVD's, CD presentations, snacks and beverages, a rain gauge and an abundance of door prizes. Come and learn the Florida Friendly way of landscaping that will lower your maintenance time and costs, use less water, fertilizers and other chemicals and have a beautiful healthy landscape.

Cost is 100.00. Pre-registration is required by October 9, 2008. Please call 561-233-1759 for more information.
