Due to the overwhelming demand, the Palm Beach County Criminal Justice Commission (CJC) has announced it will be holding a **2<sup>nd</sup> Youth Criminal Justice Academy**. Specific dates are being confirmed and will be announced to the general public as soon as they are available.

The Academy was created by the CJC to educate Palm Beach County youth about the criminal justice system, and to introduce them to local criminal justice professionals. The course will cover aspects of the criminal justice system and provide a good general knowledge of the system from the perspective of criminal justice professionals. **Presentations will include a special emphasis on the juvenile justice system.**

Registration forms will be available on this website as soon as the dates for the 2<sup>nd</sup> Academy are confirmed. Stay tuned for this exciting announcement!
