MEMORANDUM

TO: All interested parties
FROM: Michael Rodriguez, Executive Director,
Criminal Justice Commission
DATE: July 14, 2009
RE: Annual Byrne/JAG funding

The Criminal Justice Commission (CJC) allocates Byrne/JAG federal grant dollars as directed by the Palm Beach County Board of County Commissioners. The annual grant award has been announced and the amount is just over 600,000 dollars. There will be \$541,910 available for sub grantees.

The CJC Finance Committee has directed CJC staff to distribute the attached "letter of inquiry" (3 pages) as widely as possible to solicit inquiries from agencies that may have a proposal that falls within the grant's purpose areas. The broad purpose areas that may be considered are:

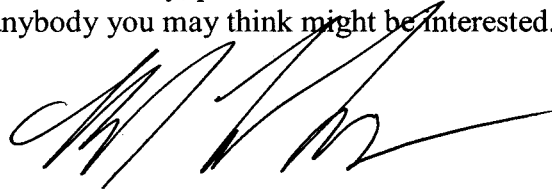

- Law enforcement programs.
- Prosecution and court programs.
- Prevention and education programs.
- Corrections and community corrections programs.
- Drug Treatment and enforcement programs.
- Crime victim and witness programs (other than compensation).

There is still much unknown about the overall county budget process as it relates to CJC funding in other categories that could impact grant decisions. Due to the rapid turnaround time for the 600,000 dollars, we need any interested parties to submit their two page letter of inquiry, and one page budget summary form, to the CJC by the close of business on Tuesday, July 21, 2009. If you have submitted a Letter of Inquiry in one of the previous rounds, and want it to be considered for this, please contact Arlene Burton. Previous submissions will not automatically be considered.

Please email, fax, or hand deliver submissions to:
