

NOTE: Normally the W by post, for purposes of measurements, is considered to be the center line between the S.W. corners. In this instance however, the survey data calculated the line of N.W. to be longer than W. line of S.W. by 82.09-261.

Palm Beach County (County) makes no representation or warranties whatsoever on the attached / enclosed information reflected herein pertaining to easements, rights-of-way, setback lines, reservations, agreements, and other similar matters. The information provided herein should not be relied upon by the requesting party to confirm the existence / non-existence of facts contained herein.
