Re: Singer Island Erosion Control Project, H&M file 14011

Dear Marty:

Enclosed is an original and five copies of an application for the Singer Island Erosion Control Project. The submittal includes the application form followed by a list of responses to items in the application. Each response is numbered according to the application item it addresses, and where necessary the responses refer to attachments which provide additional information. Each attachment is also numbered consistent with the application item it addresses.

We look forward to your comments once you and your staff have had an opportunity to review this application. Please call me if you have any questions.

Sincerely yours,

HUMISTON & MOORE ENGINEERS

Ken Humiston
