

# Everglades Rim Trail

Connecting **NENA** Places

## What Is NENA?

- **NENA** is an outdoor destination bringing together over **165,000 acres** of wild Florida lands and more than **12** different activity & education centers
- **NENA** provides a wide range of outdoor recreational activities from bird watching in an area open only to foot traffic to hunting in areas open to off-road vehicles.
- **NENA's** trail network offers access and connections to several different conservation lands while providing alternative routes for transportation.
- **NENA** is a working partnership with many different governmental and private organizations that manage the **NENA** places.

## Where is the Trail?

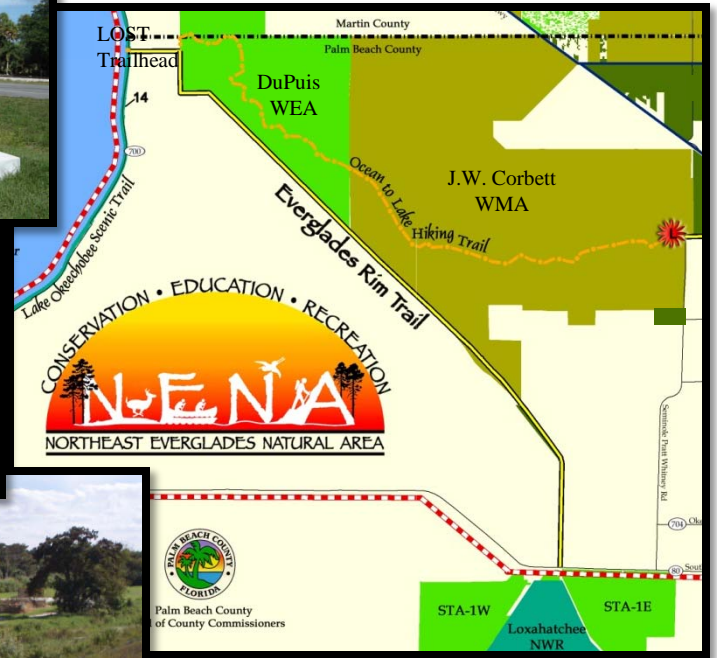

- Everglades Rim Trail extends **26 miles** along the L-8 Canal from the L.O.S.T. Trailhead off Lake Okeechobee to the STA 1-E.

## Who's funding the Project?

- LOST/NENA Trailhead funded by Florida Dept. of Environmental Protection
- Currently seeking additional funding for trail improvements

## Who Are the Partners?

- Palm Beach County
- Florida Department of Environmental Protection
- South Florida Water Management District
- Florida Fish & Wildlife Commission

### Status

Trailhead only open for special events due to construction on Herbert Hoover Dike.

Planning for trail improvements underway.

## Project Features

- Total **26 miles** of hardened, improved trail
- Chickee shade shelter and other amenities
- Shared-use access for equestrians, bicycles and pedestrians
- Educational kiosks and signs

## Project Benefits

- Provides a connection between the Lake Okeechobee Scenic Trail, the Ocean-to-Lake Trail, and major conservation lands
- View where agriculture meets the edge of the easternmost extent of the Everglades
- Access remote entry points into DuPuis WEA using remote user tracking system
