

# Coastal Cleanup at Audubon Islands in Lake Worth Lagoon - September 19, 2009

Volunteers from the Palm Beach Maritime Academy, Audubon Society of the Everglades, Forest Hill Environmental Academy and many individuals removed trash and debris from the Lake Worth Lagoon shoreline at the Southern Boulevard Causeway and Audubon Islands as part of the 24<sup>th</sup> Annual International Coastal Cleanup sponsored locally by Keep Palm Beach County Beautiful. Many thanks to the following agencies, organizations, and individuals for their support in making this event possible: Florida Department of Environmental Protection, LagoonKeepers, PBC Department of Environmental Resources Management, the Town of Palm Beach, and Captain Danny Barrow.

The most unusual item found:  
a large waterway marker!

**Thank you volunteers!**
