

ERM Technical Series

Accountability in Land Management

**Guest Speaker: David Foote, Land Management Planner
South Florida Water Management District**

Thursday, November 20th ~ 2:30 p.m.

**Palm Beach County Vista Center
2300 North Jog Road West Palm Beach
Room 1E – 58/59**

The South Florida Water Management District (SFWMD) owns and/or manages approximately 30,000 acres within the footprint of the Northeast Everglades Natural Area (NENA). **David Foote** will share strategies used by the SFWMD to measure success during public lands planning and management. Other challenges facing land managers, such as determining how much monitoring and tracking is enough, will also be discussed.

~ • ~

David Foote currently works in land management planning and intergovernmental partnerships covering 1.3 million acres of conservation lands from Orlando south to the Florida Keys.

The Technical Series, provided by Palm Beach County's Department of Environmental Resources Management, are presentations on topics that are likely to be of interest to staff in all County departments. We encourage you and members of your staff to attend this presentation. For more information, contact Scott Lynch at 561-681-3878 or e-mail slynch@co.palm-beach.fl.us. For directions to the Vista Center, go to <http://www.co.palm-beach.fl.us/erm/contactus/>
