Designer/Artist Teams Invited to Transform Palm Beach County Convention Center with “Artscape in the Tropics” Project

Palm Beach County Art in Public Places announces a \$491,000 “Artscape in the Tropics” commission for the Palm Beach County Convention Center in West Palm Beach, Florida.

Designer/artist teams are invited to submit materials which demonstrate their ability to transform the existing outdoor landscape and hardscape into an artistic, high-energy, eye-catching, lush tropical environment. The extraordinary design will elevate the Convention Center’s visibility as a gateway to Palm Beach County and the City of West Palm Beach for residents and visitors.

June 5, 2006 - Site Inspection

July 11, 2006 - Submittal Deadline

Up to three teams will be selected by a Short List Committee. Short List teams will then present their proposals in person to the Final Selection Committee. Each team to make a live presentation to the Final Selection Committee shall receive an honorarium of \$3,000. The Final Selection Committee will select a Finalist and, after the Finalist has incorporated community input, will recommend the Finalist’s proposal to the Board of County Commissioners for approval.
