

Next Master Gardener Monthly Educational meeting **Thursday December 3, 2009 1:30-2:30 PM 'Unbelievable Acres' Gene Joyner's Botanical Garden Tour-** Gene and his tour guides Jane Sample and Larry Grosser will guide us through this unique garden and show us plants blooming and fruiting and other unique plant specimens. Gene has collected plants over 35 years as a County Extension Agent and plant explorer. Gene will also give us the opportunity after the tour to purchase plants propagated from his botanical garden. Be sure to leave from the Mounts Building at 1:15PM to carpool to his garden, there is very limited parking. Master Gardener Coordinator Deborah Levulis will have the eight seat county van available, but will leave the Mounts parking area promptly at 1:15PM. To get to Gene Joyner's Garden from the Mounts Building go south on Military Trail to Southern Blvd. take right onto Southern Blvd. flyover and continue to Jog Rd exit, go right onto Jog Rd. Go north on Jog Rd to Alexander Rd.(f you hit Belvedere Rd you have gone too far). Take right onto Alexander and proceed to end of street park along fence.
