

OKEEHEELEE PARK SKI COURSE

2009 - 2010

The Okeehelée Park Ski Course is proud to feature five competitive ski course lakes. Two courses are located along the western perimeter of the park, and two more run parallel and to the east of these. The fifth course, located on the southern perimeter of the park, features night skiing.

The courses are open to the general public on a nondiscriminatory basis, providing all boats entering the course area have **up-to-date** County ski course permits. All users will be provided with a copy of the rules and regulations for course use, and must abide by same.

No commercial activity is permitted (for example ski schools, boats for hire, etc.). Noncompliance with operational policies, rules and regulations will result in suspension and/or revocation of permit from the ski courses by the Sheriff's Department and/or Parks and Recreation Department.

If permit is suspended or revoked you will not be issued another permit and cannot operate another boat during the suspension and/or revocation period.

Mission Statement **For the Water Ski Facility** **Okeehelée Park**

- To ensure access to a well maintained, safe, world class ski facility at Okeehelée Park.
- To promote a forum for the free exchange of knowledge and techniques to expand and to develop the sport of waterskiing.
- To organize community residents through volunteerism to host and conduct tournaments, clinics and other ski related activities benefitting the sport and Palm Beach County.
- To provide a friendly social environment for teaching and participating in amateur waterskiing without personal financial gain.
- To maintain and improve water ski facilities at Okeehelée Park with volunteer efforts.

All rules and regulations are in place to support the mission statement.

Okeehelée Ski Course is a self-governed facility. Continual rule violations or those of a serious nature (i.e., safety, commercial activity) should be reported to the Sheriff's Office (561-688-3708) and Rule and Procedure violations should be submitted to Palm Beach County Parks and Recreation Department. (See page 10 for form)

PERMITTING PROCEDURES

- A. **Permit Year: May 1 through April 30**
- B. **Permit Fees:** (Fees are fixed and are not pro-rated) Permits can NOT be transferred or moved to another boat. **Every permit application must list the responsible person or persons for the boat. One of the persons named on the permit must be with the boat when the boat is in use at the park.**
- \$60.00** – Palm Beach County Residents must produce current Florida boat registration showing a Palm Beach County address and an ID such as FL driver's license, voter registration, or property tax bill showing a Palm Beach County address.
- \$90.00** – Florida Residents must produce current Florida boat registration, and an ID such as a FL driver's license, voter registration, or property tax bill with a Florida address.
- \$135.00** – Out of State Users must produce a current state boat registration, display numbers on the boat and show an ID such as a driver's license.
- C. **Permit Application:** All applications may be mailed, or made in person at the Palm Beach County Parks and Recreation Department, 2700 Sixth Avenue South, Lake Worth, FL, 33461. Office hours are Monday through Friday 8 am to 5 pm. **Faxed permit applications will not be accepted!**

When the permit is applied for the boat owner must mail or bring:

- A. The completed signed application
- B. A copy of current boat registration (a Bill of Sale cannot be accepted for a permit)
- C. A copy of the current trailer registration
- D. Personal identification (driver's license, voter's registration, property tax bill)
- E. Proof of liability insurance (\$300,000)
- F. A photograph of the boat legibly showing the registration numbers
- G. A copy of the approved boats list with the boat being permitted circled and initialed
- H. Applicable fee.

Make check or money order (in U.S. funds) payable to: "Board of County Commissioners"

The Parks and Recreation Department staff will check the above requirements and issue the ski permit stickers. **Any boat at Okecheelee without proper registration affixed to the hull will be considered out of compliance, even if a permit is visible, and must leave the lake until the boat is properly marked.**

Any request for a permit will be provided with a current copy of the rules and regulations for the Okecheelee ski course.

- D. **Permit Location:** All permits must be permanently affixed in the lower left hand corner of the port side windshield, and on the left side (port side) of your trailer near the tongue.
- A. **BOAT REQUIREMENTS:** All boats must be on the attached list of approved towboats. This list will be updated each year. All boats previously **correctly** permitted will be grandfathered in. Jet boats are not allowed in any lakes. **All boats not on the attached list of approved towboats will be denied permits. Wakeboard boats may only be used in Lakes #3 and #5 and must abide by the proper weight guidelines as stated in the Wakeboard Rules.**

Boats may not be modified in any manner not approved by "USA Waterski"

- a. Must have a current registration and State decal.
- b. Must have a current trailer registration.
- c. As specified by Florida State Statutes, the Florida numbers must be at least 3" high and permanently affixed to both sides of the forward half of the vessel. Validation sticker(s) must be affixed within six (6) inches of the registration number. No other letters or numbers may be displayed nearby. **Numbers and registration are required and must be affixed to all boats including promotional and out of state boats.**
- d. Overall length shall not in any case exceed twenty three (23) feet six (6) inches and the beam shall not exceed one hundred (100) inches.
- d. Must be motor driven with a horsepower not to exceed 360.

- e. Must have a mirror placed in a manner the driver can observe the skier without obstruction or looking away from the direction of travel, and that is large enough to view the skier at all times. It is advised that an observer be on board in addition to the boat operator.
- f. Boats shall be equipped with a towing pylon, or tower on the centerline of the boat, located between the transom and near amidships.
- g. Boats shall be equipped with at least one accurate speed-measuring device.
- h. Boats must be operated in compliance with the Coast Guard placard.
- i. In addition to the above requirements, all boats must carry the following safety equipment:
 - a. One Coast Guard approved wearable life saving device in good condition for each person on board plus one Coast Guard approved throwable device in each boat (seat cushion with two handles).
 - b. One Coast Guard approved or Underwriters Laboratory "Marine Type", Type B, size 1 fire extinguisher.
 - c. One anchor and line of appropriate size and length, (i.e. 8lb. Danforth anchor with 5 feet of chain and 50 feet of rope).
 - d. One hand or power operated horn or whistle capable of producing a blast of two seconds duration and audible for a distance of one half mile.
 - e. Lighting requirements between sunset and sunrise:
 - i. One white light aft, such light to be unobstructed by any part of the vessel so as to be visible from all directions.
 - ii. One combination red and green light on bow showing green to starboard and red to port, so fixed as to throw the light from ahead to two points abaft the beam on their respective sides.

OKEEHEELEE PARK SKI COURSE

Check list of items to include with application:

- _____ The completed signed application
- _____ A copy of current boat registration
- _____ A copy of the current trailer registration
- _____ Personal identification such as driver’s license, voter’s registration or property tax bill
- _____ Proof of insurance in the amount of \$300,000
- _____ A photograph of the boat showing the registration numbers
- _____ A copy of the approved boats list with the boat being permitted circled and initialed
- _____ Applicable fee:

***\$60.00** - Palm Beach County Residents

****\$90.00** - Florida Residents

\$135.00 - Out of State Residents

*** Must have FL boat and trailer registration showing Palm Beach County address AND a driver’s license, voter’s registration or property tax bill to qualify for Palm Beach County Resident fee.**

****Must have a FL boat and trailer registration showing a Florida address and a Florida driver’s license, voter’s registration or property tax bill to qualify for Florida Resident fee.**

Please make check/money order (in U.S. Funds) payable to: **“Board of County Commissioners”**

Boat manufacturer _____ Model _____

Please read and sign acknowledgment of the following statements:

I hereby certify that I have read and understand the rules and regulations for the ski course use. Any person other than me who operates my boat at the Okeehheelee Ski Course will also read these rules and regulations. I understand that failure to comply with these rules by myself or any other operator of my boat will result in suspension and/or expulsion from the ski course by the Sheriff’s Department and/or the Parks and Recreation Department.

Signature

(Continued)

I also understand that the Ski Permits are non-transferable to a different boat. If I change my boat during this permit year, I will remove the sticker from the existing boat and bring it, along with a copy of my new boat registration, picture of my new boat with registration numbers on it, and proof that my new boat has been added to my insurance policy, to the Parks & Recreation Department who will issue a new numbered permit upon receipt of the old permit decal at no additional cost to me.

Signature

The Permittee shall indemnify, defend and save harmless Palm Beach County and The Ski Club of the Palm Beaches from any and all injuries (including death), property damage and other claims, liabilities, losses and causes of action arising out of any negligent act or omission by Palm Beach County and the Permittee during the use of the above described facilities by Permittee or those acting under the authority of the Permittee including participants and spectators in connection with the Permittee's activities in and on the site.

Signature

Responsible persons authorized to operate the boat: 1. _____

2. _____ 3. _____

4. _____ 5. _____

Ski Permit Application
2700 Sixth Avenue South
Lake Worth, FL 33461**

Rules for Ski Course Use

This site is for controlled competitive A.W.S.A. approved water skiing (except speed skiing) as listed on the course map page. Some examples of non-approved activities are jet skis, tubing, etc.

***** **If an activity is not approved in the rules it is not allowed.** *****

GENERAL

1. All boats operating on the ski lakes must have a current, valid permit.
2. Operators/drivers must be listed on the current approved permit application.
3. No commercial water skiing/wakeboarding is permitted (ski schools, boats for hire, etc.).
4. All skiers / users must act in a safe and courteous manner.
5. No alcohol—no person skiing, driving or observing shall consume alcohol.
6. When the boat is moving above idle speed, **all passengers must be seated inside the boat, not on the gunnels, sundeck or back of the boat.**
7. Only one boat with one rope and handle may use a ski course at any given time. All others must wait a turn in the designated waiting area.
8. All skiing must start and end at designated docks. Boats must wait at all designated docks to use the far west courses (lakes #4 and #5). Idle speed – no wake from the docks all the way into the canal. This means you may have to put the boat in and out of gear to keep your wakes from affecting others' skiing. You must return to the starting dock after your set. Boats (not skiers) must rotate turns. Last boat in is the last boat out. Even if you are finished and are going to leave, you must go back to the starting docks before leaving. Example: Do not leave the lake from the turnpike course. You cannot start a second set before going back to the starting docks. No changing of skiers during a set.
9. When others are waiting, a turn will be defined as a maximum of six (6) passes or fifteen (15) minutes, depending on the activity (see page with course map.) A pass is defined as a skier/wakeboarder moving by the entry gate.
10. Regardless of the ski discipline, the user is responsible for repairing damage that the user causes to any part of the facility. This includes replacing missing buoys, damage to the course, docks, or jump, etc.
11. Swimming is not permitted.
12. Beaching of boats is allowed on the south end of the docks on lake #3 only in the case of the boat being too wide for the available slips and the end dock not being available for use.
13. It is strongly suggested that for your safety and the safety of others, you refrain from smoking while on board the ski boats. Smoking is not permitted on the docks.
14. Refer to the attached map for boat driving patterns, dock locations and other procedures. **No double up wakeboard turns within 100 feet of the jump.**
15. No skiing from lake to lake or course to course.
16. All boat paths must be in a straight line and parallel the ski courses at all times, except tricks which may go to the west side of the course in lake #1 but not close to shore.
17. When picking up a fallen skier, bring the boat to stop before turning around. No spinning. This will keep the water conditions for the next skier safe.
18. No parking or driving on the grass. Do not drive to the starting docks for the purpose of loading and unloading equipment or people.
19. Booms are not allowed on boats.

SLALOM SKIING

20. Skis: rule 8.03 in the A.W.S.A. official tournament rule book reads:
 - A. Maximum ski width shall not exceed 30% of the length (except shoe skis and kneeboards).
 - B. Any type of fixed foot binding may be used.
 - C. Any type of fixed fins may be used.
 - D. No other devices are permitted.
 - E. With all bindings, fins, etc. installed, the ski must float.

TRICKS

1. If a skier uses more than one ski in the tricks event, they must be of similar size, shape and weight.
2. No dock may be used for, or be involved in, any skiing trick

JUMP

1. Jumping has priority in lake #3 over all other events due to safety concerns. **(Traditional jumping only - no wakeboards over jump ramp)**

Rules for Ski Course Use (continued)

WAKEBOARD

1. Due to the larger wakes and format, wakeboarding is restricted to lakes #3 and #5
2. All boats must be operated in compliance with the Coast Guard placard. Placard limits are net weight of a boat, the gear, people, and ballast are all part of the capacity allowed.
3. **No double up wakeboard turns within 100 feet of the jump in the south end of lake # 5.**
4. No wakeboards allowed over jump ramp or any other fixed objects such as docks, etc
5. Wakeboarding over designated wakeboard rail is acceptable only when the participant is wearing the proper Coast Guard approved life vest and helmet – no exceptions.
6. No double up wakeboard turns within 100' of jump ramp.
7. No wakeboarding under lights on lake #2.

BAREFOOT

1. Barefooters must come to idle speed and restart – no turns.
2. Booms are not allowed on boats.

No commercial activity is permitted (for example ski schools/ boats for hire, etc.). **Noncompliance with operational policies, rules and regulations will result in suspension and/or revocation of permit from the ski courses by the Sheriff's Dept., and/or the Parks and Recreation Department.**

If permit is suspended or revoked, you will not be issued another permit, and cannot operate another boat during the suspension and/or revocation period.

Lighting for Night Skiing Rules and Procedures

1. **All other rules apply to night skiing plus the following additional rules.**
2. Lights can be turned on at the light pole located at buoy #4. The switch box is a small box on the west side of the pole with push buttons to turn the lights on.
3. The lights can be turned on at sundown at the light pole, and will go off automatically at 11:00 P.M.
The last boat to leave must turn off lights at the starting docks - there is no timer at the starting docks.
4. Bow lights must be on when boat is in motion.
5. Stern light must be on when driving from boat ramp to and from the docks.
6. Drive slowly between boat ramp and starting dock.
7. When pulling a skier, **there must be an observer in the boat**. A mirror is not sufficient. **At least three people must be present to ski.**
8. There is absolutely no skiing in any area except the lighted course in the East-West canal (Lake #2).
9. The lighted course is not a wakeboard or jump course, therefore no night wakeboarding or jumping.

HELPFUL HINTS

1. Have a flashlight in the boat.
2. Be sure trailer lights are functional.
3. Check or install dash lights.
4. Use bug spray.
5. Don't store valuables in your car - take them with you.
6. Report all suspicious activities or individuals to the Sheriff's Office.
7. All people in a moving boat must be in a seat. No driving while sitting on the side of the boat. No one can be on the bow of the boat while it is moving.
8. No wake when going to and from the west lakes. Take the time to take the boat in and out of gear. No wake at all.
9. One boat, one rope, one handle, one skier at a time in each ski course
10. When picking up a fallen skier, keep the boat going straight and bring the boat to an idle, then turn around to get the skier.
11. Be courteous and only take 6 passes or the 15 minutes if people are waiting to use the course
12. When using the main north / south slalom course, stop the boat & sit the skier down even with the north starting dock. This is to keep boat wakes from going into the boat dock area at the south end of the slalom course.
13. When parking your trailer please park as close as possible to the next trailer. The spaces are limited and we need to make room for all.

2009 - 2010 TOURNAMENT DATES

Note: All tournaments and events at the Ski Course must be planned in advance (a minimum of three (3) months is recommended). Contact Derrick Easley of the Parks and Recreation Department’s Special Events Section at (561) 966-7049.

For your information, The Ski Courses will be **CLOSED during the duration of the following events (also, as needed in order to prepare for these events or general course maintenance, as necessary):**

- May 2 – 3 3 RD Slalom Class R & 2 RD Trick Class C
- June 6 – 7 3 RD Slalom, 2 RD Trick & Jump Class C
- July 4th weekend 1 lake only (rest of lakes to remain open)
- August 10 – 17 National Water Ski Championships
- Sept. 26 – 27 3 RD Slalom Class R
- Oct. 17-18 3 RD 3 Event Class C

Ski Tournament information may be obtained by contacting the Ski Club of the Palm Beaches: www.Okeeski.com

Wakeboard Tournaments

- July 25 Wake and Skate Rail Jam
- Nov. 14 - 15 Pros and Joes

Wakeboarding tournament information may be obtained by contacting the South Florida Wakeboarding Assoc., Inc at www.sfwake.com.

We hope you enjoy using the Okeehelée Park Ski Course. The Ski Club of the Palm Beaches and Palm Beach County Parks and Recreation Department are proud to offer you the finest water ski facility in the country. If you have questions or concerns, please contact the following:

Ski Club of the Palm Beaches:

- Mike Dumala – Club President – (561) 792-8757*
- Dale Stevens – Vice President – (561) 791-7978*

Aquatics Division, Palm Beach County Parks and Recreation Dept.....Laurie Schobelock – (561) 966-6629

Park Ranger Supervisor.....(561) 252-1714
Sheriff’s Office.....(561) 688-3708 Sheriff’s Office (EMERGENCY ONLY)....911
