I. EXECUTIVE BRIEF

Title and Motion: Staff recommends motion to:

A) receive and file a Grant Agreement for a \$500,000 Construction Grant awarded by the State Division of Library and Information Services for the County Library Expansion Program North County Regional Library project, and

B) approve Budget Amendment of \$500,000 to establish a new fund for this construction grant.

Summary: The Library has received notification that a grant has been awarded for \$500,000 for the North County Regional Library expansion project. The Application was approved by the BCC on August 16, 2005 (R2005-1555), with notification of the project funding on July 3, 2006. The Grant Agreement has been signed by Commissioner Koons in the absence of the Chairman Vice Chairperson in accordance with the authorization given with the approval of agenda item R2005-1555. A Budget Amendment is required since these grant funds were not included in the 2006 Budget. District 1 and Countywide (TKF)

Background and Justification:

This grant will assist in funding the County Library's North County Regional expansion and will be used towards the cost of construction. In August 2005, and in conjunction with the Library Expansion Program Phase 2 (approved by the BCC in August 2002), the Library applied to the State for four (4) public library construction grants and was awarded one \$500,000 grant for the North County Regional. These funds had not been included in the 2006 Budget, thereby necessitating the filing the Budget Amendment.

BETWEEN the State of Florida, Department of State, Division of Library and Information Services, hereinafter Referred to as the DIVISION, and the

GRANTEE: Palm Beach County Board of County Commissioners

the PROJECT: North County Regional Library

the GRANT AMOUNT: Five hundred thousand dollars (\$500,000)

Unless there is a change of address, any notice required by this agreement shall be delivered to the Division of Library and Information Services, 500 South Bronough Street, Tallahassee, Florida 32399-0250, for the State, and to Palm Beach County Board of County Commissioners, 3650 Summit Boulevard, West Palm Beach, FL, 33406, for the GRANTEE. In the event of a change of address, it is the obligation of the moving party to notify the other party in writing of the change of address.

The DIVISION, as administrator of state funds provided under Section 257.191, *Florida Statutes*, has approved an application for public library construction funds submitted by the GRANTEE, which application is by reference herein made a part of this agreement. The GRANTEE, acting under the authority vested in it for the establishment and maintenance of a free public library, has applied for construction funds. The DIVISION and the GRANTEE are willing to cooperate for the implementation of a public library construction project.

The parties hereto agree as follows:

I. The GRANTEE agrees:

- A. To provide sufficient, eligible and unencumbered funds to be used for public library construction.
- B. To provide an approved site and building plans and specifications prepared by a licensed architect. Submit the final drawings and specifications to the DIVISION for review prior to the award of a construction contract. Award a construction contract within 540 days from the date of the grant award.
- C. To provide and maintain competent and adequate engineering or architectural supervision and inspection at the construction site to ensure that the completed work conforms with the approved plans and specifications and will furnish progress reports and such other information as may be required by the DIVISION.
- D. To expend all grant funds received under this agreement solely for the purposes for which they were authorized and appropriated. Expenditures from grant funds shall not be made for general operating expenses such as salaries, travel, personnel, or office supplies. Grant funds will not be used for lobbying the Legislature, the judicial branch or any state agency.
- E. To submit changes in the construction contract to the DIVISION for approval if they:
 1. alter the approved building floor space or space relationships;
 2. alter the approved function or services of any part of a facility;
 3. change the location, size, or quantity of any approved fixed equipment;
 4. transfer funds from the approved equipment budget to the construction budget, or vice versa;

5. affect design life safety features of the facility or requirements for elimination of architectural barriers for the handicapped.
- F. To include in the construction contract provisions for a Performance and Payment Bond and other financial assurances as to the contractor's ability to comply with said contract provisions, pursuant to Section 255.05, Florida Statutes.
- G. To establish and maintain a proper accounting system in accordance with generally accepted accounting principles.
- H. To provide the DIVISION, through any authorized representative, access to the site and access to and the right to examine all records, books, papers, or other documents related to the PROJECT.
- I. To notify the DIVISION of the date and time of final inspection in order to afford DIVISION participation in such inspection for purpose of concurring in the final acceptance of the building.
- J. To provide, without discrimination, free use of the library services to all residents of the area served.
- K. That it will not discriminate against any employee employed in the performance of this agreement, or against any applicant for employment because of race, creed, color, handicap, national origin, or sex. The GRANTEE shall insert a similar provision in all subcontracts for services by this agreement.
- L. To comply with the Executive Order 11988, Flood Plain Management.
- M. To comply with the provisions of Section 257.191, Florida Statutes, and the regulations implementing the law, including Sections 553.501-553.513, Florida Statutes, relating to accessibility by persons with disabilities, and the Americans with Disabilities Act of 1990.
- N. To the use of the building exclusively for the public library purposes for which constructed or altered. A change in its use must be approved by the DIVISION.
- O. In the event that the GRANTEE expends a total amount of state financial assistance equal to or in excess of \$500,000 in any fiscal year of such GRANTEE, the GRANTEE must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, Florida Statutes; applicable rules of the Department of Financial Services; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. In determining the state financial assistance expended in its fiscal year, the GRANTEE shall consider all sources of state financial assistance, including state financial assistance received from the Department of State, other state agencies, and other nonstate entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.

In connection with the audit requirements addressed in part O., paragraph 1, the GRANTEE shall ensure that the audit complies with the requirements of Section 215.97(8), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2), Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

If the GRANTEE expends less than \$500,000 in state financial assistance in its fiscal year, an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the GRANTEE expends less than \$500,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the nonstate entity's resources (i.e., the cost of such an audit must be paid from the GRANTEE's resources obtained from other than State entities).

Information related to the requirements of Section 215.97, Florida Statutes, (the Florida Single Audit Act) and related documents may be found at www.fsaa.state.fl.us.

Copies of financial reporting packages required by this agreement shall be submitted by or on behalf of the GRANTEE directly to each of the following:

2. The Auditor General's Office at the following address:

Auditor General's Office
Room 401, Pepper Building
111 West Madison Street
Tallahassee, FL 32399-1450

II. The DIVISION agrees to:

- A. Provide funds, in accordance with the terms of this agreement and to the extent that the appropriation for this project is released to the DIVISION for the PROJECT. Should the GRANTEE fail to expend the amount of local funds certified in the application, the DIVISION will match the local funds on a dollar for dollar basis to a maximum of the grant award.
- B. Make payments according to the schedule contained in the Library Construction Guidelines and Application packet, subject to any special conditions stipulated by the Department of Financial Services, State of Florida.
- C. Conduct a periodic check of the PROJECT, including participation in the final inspection, when feasible.

III. The GRANTEE and the DIVISION mutually agree that:

- A. This instrument embodies the whole agreement of the parties. There are no provisions, terms, conditions, or obligations other than those contained herein; and this agreement shall supersede all previous communication, representation, or agreement, either verbal or written between the parties. No amendment shall be effective unless reduced in writing and signed by the parties.
- B. The agreement is executed and entered into in the State of Florida, and shall be construed, performed, and enforced in all respects in accordance with the laws and rules of the State of Florida. Each party shall perform its obligations hereunder in accordance with the terms and conditions of this agreement.
- C. If any term or provision of the agreement is found to be illegal and unenforceable, the remainder of the agreement shall remain in full force and effect and such term of provision shall be deemed stricken.
- D. The DIVISION shall demand the return of monies delivered and withhold subsequent payments if violations occur which disqualify the project from the grant under which they were provided, if monies were improperly expended or managed or if records of proper expenditure are not prepared, preserved or surrendered as required by this agreement.
- E. No delay or omission to exercise any right, power or remedy accruing to either party upon breach or default by either party under this agreement, shall impair any such right, power or remedy of either party; nor shall such delay or omission be construed as a waiver of any such breach or default, or any similar breach or default.

- F. This agreement shall be terminated by the DIVISION because of failure of the GRANTEE to fulfill its obligations under this agreement in a timely and satisfactory manner unless the GRANTEE demonstrates good cause as to why it cannot fulfill its obligations. Satisfaction of obligations by the GRANTEE shall be determined by the DIVISION based on the terms and conditions imposed on the GRANTEE in this agreement and compliance with the program guidelines. The DIVISION shall provide the GRANTEE a written notice of default letter. GRANTEE shall have 15 calendar days to cure the default. If the default is not cured by the GRANTEE within the stated period, the DIVISION shall terminate this agreement, unless the GRANTEE demonstrates good cause as to why it cannot cure the default within the prescribed time period. For purposes of this agreement, "good cause" is defined as circumstances beyond the GRANTEE'S control. In the event of termination of this agreement, the GRANTEE will be compensated for any work satisfactorily completed prior to the notification of termination.
- G. The DIVISION shall cancel this Agreement in the event that the GRANTEE refuses to allow public access to all documents or other materials subject to the provisions of Chapter 119, Florida Statutes, and made or received by the GRANTEE.
- H. The State of Florida's performance and obligation to pay under this agreement is contingent upon an annual appropriation by the legislature. In the event that the state funds on which this agreement is dependent are withdrawn, this agreement is terminated and the state has no further liability to the GRANTEE, beyond that already incurred by the termination date. In the event of a state revenue shortfall, the grant will be reduced in accordance with Section 257.195, Florida Statutes.
- I. Bills for fees and services must be maintained in detail sufficient for a proper preaudit and postaudit thereof.
- J. Unless authorized by law and agreed to in writing by the DIVISION, the DIVISION shall not be liable to pay attorney fees, interest or the cost of collection.
- K. The DIVISION shall not assume any liability for the acts, omissions to act or negligence of the GRANTEE, its agents, servants or employees; nor shall the GRANTEE exclude liability for its own acts, omissions to act or negligence to the DIVISION. In addition, the GRANTEE hereby agrees to be responsible for any injury or property damage resulting from any activities conducted by the GRANTEE.
- L. The GRANTEE, other than a GRANTEE which is the State or agency or subdivision of the State, agrees to indemnify and hold the DIVISION harmless from and against any and all claims or demands for damages of any nature, including but not limited to personal injury, death, or damage to property, arising out of any activities performed under this agreement and shall investigate all claims at its own expense.
- M. The GRANTEE shall be responsible for all work performed and all expenses incurred in connection with the Project. The GRANTEE may subcontract as necessary to perform the services set forth in this agreement, including entering into subcontracts with vendors for services and commodities, PROVIDED THAT such subcontract has been approved by the DIVISION prior to its execution, and PROVIDED THAT it is understood by the GRANTEE that the DIVISION shall not be liable to the subcontractor for any expenses or liabilities incurred under the subcontract and that the GRANTEE shall be solely liable to the Subcontractor for all expenses and liabilities incurred under the subcontract.
- N. Neither the State nor any agency or subdivision of the State waives any defense of sovereign immunity, or increases the limits of its liability, upon entering into a contractual relationship.
- O. The GRANTEE, its officers, agents and employees, in performance of this agreement shall act in the capacity of an independent contractor and not as an officer, employee or agent of the DIVISION. GRANTEE is not entitled to accrue any benefits of state employment, including retirement benefits and any other rights or privileges connected with employment in the State Career Service. GRANTEE agrees to take such steps as may be necessary to ensure that each subcontractor of the GRANTEE will be deemed to be an independent contractor and will not be considered or permitted to be an agent, servant, joint venturer, or partner of the DIVISION.

- P. The GRANTEE shall not assign, sublicense or otherwise transfer its rights, duties, or obligations under this agreement without prior written consent of the DIVISION, which consent shall not be unreasonably withheld. The agreement transferee must demonstrate compliance with the requirements of the program. If the DIVISION approves a transfer of the GRANTEE'S obligations, the GRANTEE remains responsible for all work performed and all expenses incurred in connection with the agreement. In the event the Legislature transfers the rights, duties, and obligations of the DIVISION to another government entity pursuant to section 20.06, Florida Statutes, or otherwise, the rights, duties, and obligations under this agreement shall also be transferred to the successor government entity as if it were an original party to the agreement.
- Q. This agreement shall bind the successors, assigns and legal representatives of the GRANTEE and of any legal entity that succeeds to the obligation of the DIVISION.
- R. The term of this agreement will commence on the date of execution of the agreement.

If a resolution is used as proof, it shall state whether the applicant owns or leases the site and building.
 3. A comparison of the proposed project to .6 square feet per capita for total floor space and standards for library facilities and services. Cite standards used and the source of standards. This shall include at a minimum:

 - a. New construction;
 - b. Expansion of existing library facility onto previously unbuilt land, including parking lots; or
 - c. Projects involving an existing building that was not previously used as a library building.

If problems are identified in the analysis, the Division must be informed of how the problems will be corrected.

6. Certification that the construction project will be in compliance with Federal Executive Order 11988 Floodplain Management, as amended by Executive Order 12148, including certification that the use of flood plains in connection with the construction will be avoided as far as practicable.

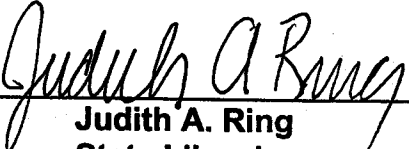

If problems are identified, the Division must be informed of how the problems will be corrected.

7. Assurance that the site selected for the construction project does not interfere with the protection of properties listed in the National Register of Historic Places in accordance with Section 267.061, *Florida Statutes*. This assurance can be obtained from the Department of State, Division of Historical Resources.
 8. Certification by grantee's governing body such as a resolution, or, a signed document from the person or position designated by the grantee's governing body in the resolution submitted with the application, that the grantee will competitively award construction contracts based on the submission of sealed bids, proposals submitted in response to a request for proposal, proposals submitted in response to a request for qualifications, or proposals submitted for competitive negotiations. This also includes contracts for construction management services or design-build contracts. Such awards to a private sector contractor must be permitted by applicable municipal or county ordinance, by special district resolution or by state law including Section 255.20, *Florida Statutes*. If competitive negotiations are used, the award shall be in accordance with Section 287.055, *Florida Statutes*.

Submit one set of specifications and two sets of drawings prepared by a licensed architect. Once set of these plans shall be 24" x 36" or 30" x 42" and the other shall be 11" x 14".

If there are changes in the design or size of the building, the grantee shall provide revised floor plans, site plans, and elevations to the Division.

- A contract for construction must be awarded no later than December 23, 2007.

I. EXECUTIVE BRIEF

Title and Motion: Staff recommends motion to:

- A) approve Four (4) Public Library Construction Grant applications totaling \$2 million to the Florida Department of State, Division of Library and Information Services for the following Library Expansion Program (LEP) projects: North County Regional Library; West Atlantic Avenue Branch Library; West Boca Branch Library; West Lantana Branch Library; and
- B) approve Certification of Exclusive Use as a Public Library; and
- C) authorize the Chairman to execute the grant agreements and any other necessary forms and certifications.

Summary: These grants are being resubmitted as they were not funded in the State's FY 2006 budget. Each grant application is for \$500,000 with local matching funds of \$500,000. If awarded, grant funds will be used towards the cost of construction, thus freeing up other funds for furnishing and equipping these libraries. The projected cost of each project is: North County Regional-\$5,582,880; West Atlantic Avenue Branch-\$6,404,040; West Boca Branch-\$4,547,600; and West Lantana Branch-\$8,949,020. These projects will be completed whether the grants are funded or not. The operational costs will be funded through the Library's operating budget. Countywide (TKF)

Background and Justification: In August, 2002, the BCC approved the Library Expansion Program Phase 2 and the placing of a bond referendum before the voters in the Library District (R-2002-1460). In November, the voters overwhelming approved a \$55 million bond issue to assist in financing the Library Expansion Program. All projects in LEP2 are scheduled for completion by 2010.
