AMENDMENT #2 TO JOB ORDER CONTRACT

This agreement amends the contract between Palm Beach County (County) and Engineered Environments, Inc., (Contractor) authorized pursuant to Palm Beach County Resolution (R-2005-0539).

The original contract provided that Contractor would act as an annual general contractor from March 15, 2005 to March 14, 2006 or until Contractor had been awarded projects totaling one million dollars (\$1,000,000), whichever occurred first. That contract also provides that it could be extended for two additional terms. This contract was amended on February 28, 2006.

The County is extending the contract for a period of twelve (12) months based on pending work which would exceed the value assigned to the contract. Pursuant to the provisions of the existing contract, the parties agree that Contractor will continue to act as an annual general contractor until October 2, 2007 or until the total dollar value of work authorizations for the third term totals one million dollars (\$1,000,000), whichever comes first. The parties agree that the total dollar value of work authorizations issued pursuant to this amendment shall not exceed one million dollars (\$1,000,000).

Except as amended herein, all provisions of the existing contract shall remain in full force and effect.
