I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to receive and file: Second Amendment to Agreement (R2006-0246) with the Town of Palm Beach Shores for Palm Beach Shores Inlet Park Improvements – Phase III.

Summary: This fully executed Second Amendment to Agreement restores the amount of Recreation Assistance Program (RAP) funding allocated to the Town of Palm Beach Shores for the Inlet Park Improvements Phase III project from \$27,945 to the originally allocated \$30,000. The reduction of \$2,055 was previously needed in order to accommodate an immediate funding need in the District 1 RAP account for a different project. On June 20, 2006, the Board approved the First Amendment to Agreement (R2006-1142) allowing for the reduction of \$2,055 and the reallocation of the \$2,055 to the Town of Palm Beach Shores at a later date subject to budget availability. The Amendment is in accordance with Resolution R2005-1738 authorizing the delegation of authority for amending RAP agreements to the County Administrator or his designee. The modification was made at the request of the District 1 Commissioner. All other terms of the Agreement remain the same. District 1 (AH)

Background and Justification: Resolution R2005-1738 was adopted by the Board on September 13, 2005, to streamline the RAP reimbursement process. It establishes terms and conditions for amending RAP projects and delegates authority for the execution of the amendments to the County Administrator or his designee, which is the Director of the Parks and Recreation Department. The criteria for delegated signature of amendments on behalf of the Board include:

- Changes in project scope/elements within the intent of the approved RAP project;
- Adjustments in budgetary line items within the intent of the approved RAP Project which do not change the contractual amount;
- Changes to the approved project time frame including the initiation date and/or project completion date for periods of less than one year; and
- Other miscellaneous modifications approved by the awarding Commissioner within the overall intent of the approved RAP project.

This delegation of authority allows for more efficient and timely reimbursements for RAP projects by streamlining the existing RAP process for amendments to agreements. The attached Amendment meets criteria listed above, and was executed on behalf of the Board of County Commissioners by the Director of the Parks and Recreation Department.
