Dear Mr. Bergeron:

As we previously stated in our engagement letter, fraud detection engagements often evolve as evidence is gathered and it is very difficult to estimate fees. Based on the work we have performed to date and the work to be performed, our revised fees for the fraud examination is an additional \$25,000. Therefore, our total fee for the fraud examination will be \$45,000.

The work that we have performed as part of our initial fee request includes:

- Various meetings and discussions with personnel, officers' and directors of the Palm Beach County Convention and Visitors Bureau (Bureau).
- Various meetings and discussions with representatives of the County and the Office of the Clerk and Comptroller of Palm Beach County.
- Obtaining an understanding of the systems and procedures of the Bureau.
- Proof of cash for operating account for 2003 and 2004.
- Proof of cash for membership account for 2001 through 2006.
- Detailed analysis and reconciliation of the general ledger for 2003 (in-process).
- Analysis and reconciliation of payroll for 2005 and 2006.

Additional work that needs to be completed is as follows:

- Proof of Cash for operating account for 2005 and 2006.
- Proof of Cash for board of directors' fee account for 2001 through 2006.
- Proof of Cash for special account for 2001 through 2006.
- Research various discrepancies and open items as a result of proof of cash and analysis of the general ledger.
- Analysis and reconciliation of payments to the retirement plan.
- Detailed analysis and reconciliation of the general ledger for 2003 through 2006.
- Analysis and reconciliation of payroll for 2003 and 2004.
- Various meetings and discussions with personnel, officers' and directors of the Bureau, and discussions with representatives of the County and the Office of the Clerk and Comptroller of Palm Beach County, as required.
- Preparation and submission of report.

Based on the work performed to date and our discussions with you, we have proposed to focus our scope of work for the period June 2003 through October 2006.

The work to be performed prior to issuing our report will include the analysis of payroll to determine which payroll tax returns for fiscal years 2003 and 2006 need to be filed and amended. We will not be preparing such payroll tax returns.

The proof of cash will include a detailed reconciliation of the bank statements to the books and records of Palm Beach County Convention and Visitors Bureau. We will also be analyzing the books and records for any suspicious entries. We will also analyze the deposits and withdrawals that were not properly recorded on the general ledger.

In the event you have any questions or comments, please contact me.

Very truly yours,

Because fraud detection engagements often evolve as evidence is gathered, it is very difficult to estimate fees. Based on our initial analysis, we estimate our fees for the fraud examination will be approximately \$15,000 to \$20,000. As we further analyze the records, we may find it necessary to revise our estimate for the work to be performed.

In order to maintain our fees at this level, it is important that we receive assistance from the Bureau's staff in receiving the necessary financial records and documents in a prompt and organized fashion.

All services and expenses will be billed monthly and shall be payable upon the issuance of our report. In the event it is necessary for us to incur attorney's fees and costs to collect outstanding fees, you agree to pay such fees and costs of collection.

The working papers prepared in conjunction with our work are the property of Cass, Levy & Leone, L.C., constitute confidential and proprietary information and will be retained by us in accordance with our policies and procedures.

We will provide a complete copy of all workpapers obtained or generated both hardcopy and/or electronically to Joseph Bergeron, Internal Auditor for the Palm Beach County Board of County Commissioners and Alan L. Bray, Manager, Audit Services of the Clerk & Comptroller of Palm Beach County.

If any provision of this agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions shall nevertheless continue in full force without being impaired or invalidated in any way, unless such partial invalidity materially affects the intent of the parties.

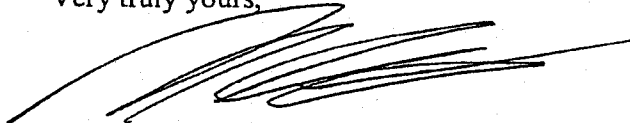

This agreement contains all the understandings between the parties and supersedes all prior offers, negotiations and agreements relating to the subject matter hereof.

Please indicate your agreement with the contents of this letter by signing the enclosed copy and returning it to us.
