I. EXECUTIVE BRIEF

**Motion and Title:** Staff recommends motion to receive and file: the following original executed Request for Funding Form for School Board Recreation Assistance Program (RAP) project: Loxahatchee Groves Elementary School, in an amount not-to-exceed \$18,000 for the purchase and installation of a Pre-K special needs playground.

**Summary:** This fully executed Request for Funding Form is for a School Board RAP allocation made in accordance with the Interlocal Agreement for the funding of RAP Projects (R2003-1747) approved by the Board on October 21, 2003. District 6 (AH)

**Background and Justification:** The Interlocal Agreement for the Funding of RAP Projects (R2003-1747) was adopted by the Board to streamline the RAP process. It establishes terms and conditions for all School Board RAP capital and operational projects up to a set amount of \$100,000 and approves the use of the Request for Funding Form for School Board capital and operational projects to provide necessary project information for establishing eligibility of projects and setting forth project descriptions, time frames, and budgets. The Agreement also delegates signature of these forms and amendments to designated School District and County staff. Fully executed originals of the Request for Funding Forms and any subsequent amendments are presented to the Board as a receive and file agenda item to keep the Board apprised of all approved County RAP allocations to the School Board, and to provide for proper recording and budgeting of the Request for Funding Forms and subsequent amendments.
