I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to: **A) adopt** resolution of the Board of County Commissioners (BCC) of Palm Beach County, Florida, granting a County tax exemption for one (1) historic property located within the City of Delray Beach; and **B) approve** restrictive covenant for the historic property, requiring the qualifying improvements be maintained during the period that the tax exemption is granted.

Summary: The resolutions will authorize a County tax exemption for the following historic property located within the City of Delray Beach:

Address: 118 1/2 South East 7th Avenue

If granted the tax exemption shall take effect January 1, 2007, and shall remain in effect for ten (10) years, or until December 31, 2016. The exemption shall apply to 100 percent of the assessed value of all improvements to each historic property, which resulted from restoration, renovation, or rehabilitation of the property. (Please see attached resolutions.) Based on the 2006 millage rate, it is estimated that approximately \$1056.00 (tax dollars) will be exempted annually. Accompanying the resolution is a restrictive covenant, which requires the qualifying improvements be maintained during the period that each tax exemption is granted. District 4 (RB)

Background and Justification: On October 17, 1995, the BCC adopted a historic property tax exemption ordinance, Ordinance No. 95-41, applicable countywide. The ordinance allows a qualifying local government to enter into an interlocal agreement with the County to perform review functions necessary to implement the ordinance within its municipal boundary. An interlocal agreement was approved by the BCC on April 7, 1998, (R 98 472 D), authorizing the City of Delray Beach Historic Preservation Board to perform the required review to implement the tax exemption ordinance on improvements to historic landmark properties within the City. **(Continue on page three)**

B. Recommended Sources of Funds/Summary of Fiscal Impact:

There is no direct fiscal impact on the Planning, Zoning and Building Department from granting a tax exemption for this property. The overall County impact is a reduction of collectable taxes. Tax revenue is to be reduced at most by the tax on the improvements made to the structure. The estimated improvement costs attributed solely to work on the historic buildings totals \$118,000.00. Based on the 2007 millage rate, it is estimated that approximately \$1056.00 tax dollars will be exempted annually.

The property is a privately owned residence.

Copies of the City of Delray Beach Historic Preservation Board Applications, and other back-up information for the property are available for review at the County's Planning Division.
