It is understood that the total amount that may be expended for all emergency on-call after-hour veterinary service contracts and all relief veterinary services shall not exceed that approved budget allocation for the Animal Care and Control Division.

Final Invoice: In order for both parties herein to close their books and records, the VETERINARIAN will clearly state "final invoice" on the VETERINARIAN'S final/last billing to the COUNTY. #### **ARTICLE IV - SCHEDULING**

The veterinary responsibilities described below are only applicable for the charges and rates submitted by the VETERINARIAN in Article III above.

##### **A. RELIEF VETERINARY SERVICES**

The relief VETERINARIAN is to work at the Palm Beach County Animal Care and Control shelter when the staff veterinarian is unable to perform regular and routine duties due to scheduled or unscheduled leave (i.e. vacation, sickness/injury, required training, etc.). Under normal circumstances, the relief VETERINARIAN would only be called to perform back-up services during regular operational hours, 8:00 a.m. to 5:00 p.m. County holidays are normally excluded. Every attempt will be made by the COUNTY to give the relief VETERINARIAN at least 24 hours advance notice when his/her services are required. In the case of normal and scheduled vacation periods or training, the COUNTY will give at least seven days advance notice. There may be infrequent occasions when the relief VETERINARIAN would be needed to assist the staff veterinarian with an emergency situation (i.e. a massive animal cruelty seizure, an accident involving injuries to large numbers of animals, post hurricane or other disaster, etc.) Hourly rates may be applied to the nearest fifteen minute interval.

##### **B. EMERGENCY ON-CALL AFTER-HOUR VETERINARY SERVICES**

**The COUNTY wishes to have all legitimately injured and seriously ill stray/unowned dogs, cats and various types of other animal cases reviewed or seen by a VETERINARIAN as soon as possible after impoundment.**

**The staff veterinarian will be responsible for the care of all stray/unowned injured/sick dogs, cats and other types of animals during his/her regular hours (usually Monday through Friday, 8:00 a.m. to 5:00 p.m.). The staff veterinarian will be scheduled to respond to 25%-40% of the "after-hour" emergency cases.**

#### **ARTICLE V - ROUTINE RESPONSIBILITIES**

The veterinary responsibilities described below are only applicable for the charges and rates submitted by the VETERINARIAN in Article III above.

**All of the services required hereunder shall be performed by the VETERINARIAN or under his/her supervision, and all personnel engaged in performing the services shall be fully qualified and, if required, authorized or permitted under state and local law to perform such services.**

The VETERINARIAN warrants that all professional services shall be performed by skilled and competent personnel to the highest professional standards in the field.

#### **A. RELIEF VETERINARY SERVICES**

The relief VETERINARIAN is in a temporary caretaker position and in the absence of the regular staff veterinarian would be responsible for overseeing the overall health of incoming, impounded, and outgoing animals. The VETERINARIAN is to work closely with the clinic staff, clinic coordinator, kennel supervisor, and Division director in assuring that appropriate medical care is given to all animals under the responsibility of the Division according to established policies. While the VETERINARIAN may provide direction to the Division veterinary technicians, it is also expected that the VETERINARIAN will perform actual hands-on medical work with animals in the clinic.

The tasks of providing veterinary care for animals impounded at the Animal Care and Control shelter are not the same as would normally be expected from a private clinic treating/caring for private animals. The large volume of animals, the fact that approximately 70% of the animals are ultimately euthanized, and limited resources dictate veterinary strategies different than those in a private hospital.

Essentially, the Animal Care and Control Division is responsible for assuring that all impounded animals are kept comfortably in an environment that is as disease free as possible. Injured/sick animals are given sufficient and appropriate medical care to keep them comfortable and free of pain. Extensive surgery and complex medical treatments are generally inappropriate. For severely injured/sick animals, the VETERINARIAN will decide if such animals should be immediately euthanized (according to state law). The VETERINARIAN will need to give attention to diseases that are easily communicable from animal-to-animal.

The specific regular responsibilities of the VETERINARIAN, include but are not limited to:

1. Provide, coordinate, and direct appropriate medical care for small animals impounded at the Palm Beach County Animal Care and Control shelter according to established procedures. This care will include routine animal examinations performed by the VETERINARIAN, as well as prescribing and administering drugs for sick/injured animals.
2. Direct the animal case work performed by Animal Care and Control personnel who are providing routine and medical care of impounded animals. Clinic technicians are expected to perform routine medical procedures under the direction and supervision of the VETERINARIAN.

3. Perform medical treatments and analyses for adopted animals. This includes heartworm check, fecal analysis for internal parasites, and other laboratory analyses that may be appropriate or warranted depending on the species and health of each particular animal. The VETERINARIAN will be responsible for the actual physical examination of each animal that is to be adopted. The VETERINARIAN, in conjunction with standard Division policy, will make the final decision as to an animal's fitness for adoption.
4. Surgically sterilize pre-scheduled adopted dogs and cats, older than eight weeks of age, unless medically inappropriate.
5. Monitor impounded animals with potentially dangerous diseases that may affect animal or human populations. The VETERINARIAN is responsible for initiating appropriate medical responses to such occurrences.
6. Use and direct personnel in the use of existing diagnostic equipment (x-ray, processor, etc.) for injured/sick animals where additional testing is indicated or required.
7. Assist in the review, evaluation and examination of animals that are subject to animal cruelty cases. In such cases, the VETERINARIAN may be required to go to where the animal(s) are located in Palm Beach County. The VETERINARIAN will provide the necessary assistance in determining if particular animals should be seized according to state law. In such cases, it will be necessary for the VETERINARIAN to prepare a detailed report of his/her medical findings, conclusions, and recommendations. It will also be necessary for the VETERINARIAN to serve as an expert witness for the COUNTY in such animal cruelty cases. It is expected that the relief VETERINARIAN would handle very few of these cases.

**B. EMERGENCY ON-CALL AFTER-HOUR VETERINARY SERVICES**

**The emergency on-call after-hour VETERINARIAN will be notified by telephone or pager that Animal Care and Control has impounded an injured or sick animal. The animal care veterinary assistant or other trained personnel will provide the VETERINARIAN with the vital signs, observations and ownership status of the impounded animal. The VETERINARIAN will then determine if it is necessary or appropriate for him/her to examine the animal immediately or if sufficient instructions/directions may be given for appropriate disposition or stabilization according to established procedures. The COUNTY prefers that if appropriate and reasonable, cases be handled by telephone consultation with Animal Care and Control personnel. An animal that can be stabilized will be seen by the staff veterinarian on the next regular workday.**

**The VETERINARIAN will be required to immediately respond to examine/treat animals that have a known owner or are tagged according to established procedures.**

**Veterinary examinations will take place at the Animal Care and Control shelter, 7100 Belvedere Rd., West Palm Beach or at N/A. (The VETERINARIAN will designate which clinic will be used and what circumstances will affect that determination.) The "after-hour" VETERINARIAN will physically examine the injured/sick animal and make a determination as to whether: 1) the animal should be saved and given necessary medical treatment or 2) the animal should be euthanized because of the seriousness of the injuries/illness (according to state and local laws). If there is considerable uncertainty as to the condition of an injured/sick animal, additional limited diagnostic testing may be initiated (i.e. x-ray, blood tests, etc.). X-ray equipment and some diagnostic equipment are available at Animal Care and Control.**

If the decision is made to treat the animal, then the VETERINARIAN is to either provide specific directions to the veterinary assistant or administer the initial treatment himself/herself. If the animal is hospitalized, the staff veterinarian will monitor the condition of the animal and treat appropriately for the duration that the animal is at the shelter. The after-hour emergency VETERINARIAN is to give sufficient information to the staff veterinarian, in writing, concerning initial observations and treatment so that there is continuity in veterinary services for such animals.

It should be understood that the emergency veterinary care for stray/unowned impounded injured/sick animals is not the same as would be expected in a hospital where privately owned pets are treated. As many as 80% of these animals die because of the injury or are euthanized because the owner fails to reclaim it. Essentially, the Animal Care and Control Division is responsible for assuring that injured/sick animals are kept comfortable and are in as little pain as possible while staying at the Animal Care and Control shelter.

#### **ARTICLE VI - FACILITIES AND EQUIPMENT**

During the term of this Contract, the COUNTY shall provide the VETERINARIAN with necessary drugs, surgical equipment, surgical apparel and supplies used to perform sterilization of animals. The COUNTY will attempt to comply with the VETERINARIAN'S request for preferred surgical equipment, materials, gowns, gloves and drugs as may be reasonably necessary for the VETERINARIAN to perform his duties as required by this Contract. The COUNTY will provide a full time veterinary technician for assistance in the surgery area.

**Medical supplies used to treat injured/sick animals will be provided by the COUNTY, unless the animal is treated at an alternately approved veterinary clinic.**

#### **ARTICLE VII - TRUTH-IN-NEGOTIATION CERTIFICATE**

Signature of this Contract by the VETERINARIAN shall also act as the execution of a truth-in-negotiation certificate certifying that the wage rates, over-head charges, and other costs used to determine the compensation provided for in this Contract are accurate, complete and current as of the date of this Contract and no higher than those charges the VETERINARIAN'S most favored customer for the same or substantially similar service.

The said rates and costs shall be adjusted to exclude any significant sums should the COUNTY determine that the rates and costs were increased due to inaccurate, incomplete or non-current wage rates or due to inaccurate representations of fees paid to outside consultants. The COUNTY shall exercise its rights under this Article IV within three (3) years following final payment.

#### **ARTICLE VIII - FEDERAL AND STATE TAX**

The COUNTY is exempt from payment of Florida State Sales and Use Taxes. The COUNTY will sign an exemption certificate submitted by the VETERINARIAN. The VETERINARIAN shall not be exempted from paying sales tax to its suppliers for materials used to fulfil contractual obligations with the COUNTY, nor is the VETERINARIAN authorized to use the COUNTY'S Tax Exemption Number in securing such materials.

The VETERINARIAN shall be responsible for payment of its own and its share of its employees' payroll, payroll taxes, and benefits with respect to this Contract.

## **ARTICLE IX – AVAILABILITY OF FUNDS**

The COUNTY'S performance and obligation to pay under this Contract for subsequent fiscal years is contingent upon annual appropriations for its purposed by the Board of County Commissioners.

## **ARTICLE X - INSURANCE**

- A. VETERINARIAN shall, at its sole expense, agree to maintain in full force and effect at all times during the life of this Contract, insurance coverages and limits (including endorsements), as described herein. VETERINARIAN shall agree to provide the COUNTY with at least ten (10) days prior notice of any cancellation, non-renewal or material change to the insurance coverages. The requirements contained herein, as well as COUNTY'S review or acceptance of insurance maintained by VETERINARIAN are not intended to and shall not in any manner limit or qualify the liabilities and obligations assumed by VETERINARIAN under the Contract.
- B. **Commercial General Liability** VETERINARIAN shall maintain Commercial General Liability at a limit of liability not less than **\$500,000** Each Occurrence. Coverage shall not contain any endorsement excluding Contractual Liability or Cross Liability unless granted in writing by County's Risk Management Department. VETERINARIAN shall provide this coverage on a primary basis.
- C. **Business Automobile Liability** VETERINARIAN shall maintain Business Automobile Liability at a limit of liability not less than **\$500,000** Each Accident for all owned, non-owned and hired automobiles. In the event VETERINARIAN doesn't own any automobiles, the Business Auto Liability required shall be amended allowing VETERINARIAN to agree to maintain only Hired & Non-Owned Auto Liability. This amended requirement may be satisfied by way of endorsement to the Commercial General Liability, or separate Business Auto coverage form. VETERINARIAN shall provide this coverage on a primary basis.
- D. **Worker's Compensation Insurance & Employers Liability** VETERINARIAN shall maintain Worker's Compensation & Employers Liability in accordance with Florida Statute Chapter 440. VETERINARIAN shall provide this coverage on a primary basis.
- E. **Professional Liability** VETERINARIAN shall maintain Professional Liability, or equivalent Errors & Omissions Liability at a limit of liability not less than **\$1,000,000** Each Claim. When a self-insured retention (SIR) or deductible exceeds **\$10,000**, COUNTY reserves the right, but not the obligation, to review and request a copy of VETERINARIAN'S most recent annual report or audited financial statement. For policies written on a "Claims-Made" basis, VETERINARIAN shall maintain a Retroactive Date prior to or equal to the effective date of this Contract. The Certificate of Insurance providing evidence of the purchase of this coverage shall clearly indicate whether coverage is provided on an "occurrence" or "claims-made" form. If coverage is provided on a "claims-made" form, the Certificate of Insurance must also clearly indicate the "retroactive date" of coverage. In the event the policy is canceled, non-renewed, switched to an Occurrence Form, retroactive date advanced, or any other event triggering the right to purchase a Supplement Extended Reporting Period (SERP) during the life of this Contract, VETERINARIAN shall purchase a SESRP with a minimum reporting period not less that 3 years. VETERINARIAN shall provide this coverage on a primary basis.
- E. **Additional Insured** VETERINARIAN shall endorse the COUNTY as an Additional Insured with a CG 2026 Additional Insured – Designated Person or Organization endorsement, or its equivalent, to the Commercial General Liability. The additional Insured endorsement shall read

“Palm Beach County Board of County Commissioners, a Political Subdivision of the State of Florida, its Officers, Employees and Agents.” VETERINARIAN shall provide the Additional Insured endorsements coverage on a primary basis.

- F. **Waiver of Subrogation** VETERINARIAN hereby waives any and all rights of Subrogation against the COUNTY, its officers, employees and agents for each required policy. When required by the insurer, or should a policy condition not permit an insured to enter into a pre-loss agreement to waive subrogation without an endorsement, then VETERINARIAN shall agree to notify the insurer and request the policy be endorsed with a Waiver of Transfer of rights of Recovery Against Others, or its equivalent. This Waiver of Subrogation requirement shall not apply to any policy, which a condition to the policy specifically prohibits such an endorsement, or voids coverage should VETERINARIAN enter into such an agreement on a pre-loss basis.
- G. **Certificate(s) of Insurance** Prior to execution of this Contract, VETERINARIAN shall deliver to the COUNTY’S representative as identified in Article 26, a Certificate(s) of Insurance evidencing that all types and amounts of insurance coverages required by this Contract have been obtained and are in full force and effect. Such Certificate(s) of Insurance shall include a minimum ten (10) day endeavor to notify due to cancellation or non-renewal of coverage. The Certificate of Insurance shall be issued to

Palm Beach County  
c/o Animal Care and Control  
7100 Belvedere Road  
West Palm Beach, FL 33411

- H. **Umbrella or Excess Liability** If necessary, VETERINARIAN may satisfy the minimum limits required above for either Commercial General Liability, Business Auto Liability, and Employer’s Liability coverage under Umbrella or Excess Liability. The Umbrella or Excess Liability shall have an Aggregate limit not less than the highest “Each Occurrence” limit for either Commercial General Liability, Business Auto Liability, or Employer’s Liability. The COUNTY shall be specifically endorsed an **Additional Insured**” on the Umbrella or Excess Liability, unless the Certificate of Insurance notes the Umbrella or Excess Liability provides coverage on a “Follow-form” basis.
- J. **Right to Review** COUNTY, by and through its Risk Management Department, in cooperation with the contracting/monitoring department, reserves the right to review, modify, reject or accept any required policies of insurance, including limits, coverages, or endorsements, herein from time to time throughout the term of this Contract. #### **ARTICLE XII - SUCCESSORS AND ASSIGNS**

The COUNTY and the VETERINARIAN each binds itself and its partners, successors, executors, administrators and assigns to the other party of this Contract and to the partners, successors, executors, administrators and assigns of such other party, in respect to all covenants of this Contract. Except as above, neither the COUNTY nor the VETERINARIAN shall assign, sublet, convey or transfer its interest in this Contract without the written consent of the other, except that the VETERINARIAN may assign his/her right to receive payment. Nothing herein shall be construed as creating any personal liability on the part of any officer or agent of the COUNTY

which may be a party hereto, nor shall it be construed as giving any rights or benefits hereunder to anyone other than the COUNTY and the VETERINARIAN.

### **ARTICLE XIII - REMEDIES**

This Contract shall be governed by the laws of the State of Florida. Any and all legal action necessary to enforce the Contract will be held in Palm Beach County. No remedy herein conferred upon any party is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or further exercise thereof.

### **ARTICLE XIV - CONFLICT OF INTEREST**

The VETERINARIAN represents that he/she presently has no interest and shall acquire no interest, either direct or indirect, which would conflict in any manner with the performance or services required hereunder, or as provided for in Chapter 112, Part III Florida Statutes. The VETERINARIAN further represents that no person having any such conflict shall be employed for said performance of services.

The VETERINARIAN shall promptly notify the COUNTY'S representative, in writing by certified mail, of all potential conflicts of interest for any prospective business association, interest or other circumstance which may influence or appear to influence the VETERINARIAN'S judgment or quality of services being provided hereunder. Such written notification shall identify the prospective business association, interest or circumstance, the nature of work that the VETERINARIAN may undertake and request an opinion of the COUNTY, as to whether the association, interest or circumstance would, in the opinion of the COUNTY constitute a conflict of interest if entered into by the VETERINARIAN. The COUNTY agrees to notify the VETERINARIAN of his/her opinion by certified mail within thirty (30) days of receipt of notification by the VETERINARIAN. If, in the opinion of the COUNTY, the prospective business association, interest or circumstance would not constitute a conflict of interest by the VETERINARIAN, the COUNTY shall so state in the notification and the VETERINARIAN shall, at his/her option, enter into said association, interest or circumstance and he/she shall be deemed not in conflict of interest with respect to services provided to the COUNTY by the VETERINARIAN under the terms of this Contract.

### **ARTICLE XV – EXCUSABLE DELAYS**

Such causes include, but are not limited to, acts of god, force majeure, natural or public health emergencies, labor disputes, freight embargoes, and abnormally severe and unusual weather conditions.

Upon the VETERINARIAN'S request, the COUNTY shall consider the facts and extent of any failure to perform the work and, if the VETERINARIAN'S failure to perform was without it or its subcontractors fault or negligence, the Contract Schedule and/or any other affected provision of this Contract shall be revised accordingly, subject to the COUNTY'S rights to change, terminate, or stop any or all of the work at any time.

### **ARTTICLE XVI – ARREARS**

All persons engaged in any of the work or services performed pursuant to this Contract shall at all times, and in all places, be subject to the VETERINARIAN'S sole direction, supervision, and control. The VETERINARIAN shall exercise control over the means and manner in which it and its employees perform the work, and in all respects the VETERINARIAN'S relationship and the relationship of its employees to the COUNTY shall be that of an Independent CONTRACTOR and not as employees or agents of the COUNTY.

The VETERINARIAN does not have the power or authority to bind the COUNTY in any promise, agreement or representation other than specifically provided for in this Contract.

**ARTICLE XIX - CONTINGENT FEES**

The VETERINARIAN warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the VETERINARIAN to solicit or secure this Contract and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the VETERINARIAN, any fee, commission, percentage, gift, or any other consideration contingent upon or resulting from the award or making of this Contract.

**ARTICLE XX - ACCESS AND AUDITS**

The VETERINARIAN shall maintain adequate records related to all charges, expenses, and costs incurred in estimating and performing the work for at least three (3) years after completion of this Contract. The COUNTY shall have access to such books, records, and documents as required in this section for the purpose of inspection or audit during normal business hours, at the VETERINARIAN'S place of business.

**ARTICLE XXI - NONDISCRIMINATION**

The VETERINARIAN warrants and represents that all of its employees are treated equally during employment without regard to race, color, religion, disability, sex, age, national origin, ancestry, marital status, or sexual orientation.

**ARTICLE XXII - ENFORCEMENT COSTS**

If any legal action or other proceeding is brought for the enforcement of this Contract, or because of an alleged dispute, breach, default or misrepresentation in connection with any provisions of this Contract, the successful or prevailing party or parties shall be entitled to recover reasonable attorney's fees, court costs and all expenses (including taxes) even if not taxable as court costs (including, without limitation, all such fees, costs and expenses incident to appeals), incurred in that action or proceeding, in addition to any other relief to which such party or parties may be entitled.

**ARTICLE XXIII - AUTHORITY TO PRACTICE**

The VETERINARIAN hereby represents and warrants that he/she has and will continue to maintain all licenses and approvals required to conduct his/her business, and that he/she will at all times conduct its business activities in a reputable manner. Proof of such licenses and approvals shall be submitted to the COUNTY'S representative upon request.

**ARTICLE XXIV - SEVERABILITY**

If any term or provision of this Contract, or the application thereof to any person or circumstances shall, to any extent, be held invalid or unenforceable, the remainder of this Contract, or the application of such terms or provisions, to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected, and every other term and provision of this Contract shall be deemed valid and enforceable to the extent permitted by law.

**ARTICLE XXV - PUBLIC ENTITY CRIMES**

As provided in F.S. 287.132-133, by entering into this Contract or performing any work in furtherance hereof, the VETERINARIAN certifies that he/she, his/her affiliates, suppliers, subcontractors and consultants who will perform hereunder, have not been placed on the convicted vendor list maintained by the State of Florida Department of Management Services within the thirty-six (36) months immediately preceding the date hereof. This notice is required by Florida Statutes, Section 287.133(3)(a).

The VETERINARIAN shall comply with the provisions of Ordinance 2003-030, the Criminal History Records Check Ordinance ("Ordinance"), if VETERINARIAN'S employees or subcontractors are required under this contract to enter a "critical facility" as identified in Resolution R-2003-1274. The VETERINARIAN acknowledges and agrees that all employees and subcontractors who are to enter a "critical facility" will be subject to a fingerprint based criminal history records check. Although COUNTY agrees to pay for all applicable FDLE/FBI fees required for criminal history record checks, the VETERINARIAN shall be solely responsible for the financial, schedule, and staffing implications associated in complying with Ordinance 2003-030.

**ARTICLE XXVII - MODIFICATIONS OF WORK**

The COUNTY reserves the right to make changes in Scope of Work, including alternations, reductions therein or additions thereto. Upon receipt by the VETERINARIAN of the COUNTY'S notification of a contemplated change, the VETERINARIAN shall, in writing: (1) provide a detailed estimate for the increase or decrease in cost due to the contemplated change; (2) notify the COUNTY of any estimated change in the completion date; and (3) advise the COUNTY if the contemplated change shall affect the VETERINARIAN'S ability to meet the completion dates or schedules of this Contract.

If the COUNTY so instructs in writing, the VETERINARIAN shall suspend work on that portion of the Scope of Work affected by a contemplated change, pending the COUNTY'S decision to proceed with the change.

If the COUNTY elects to make the change, the COUNTY shall initiate a Contract Amendment and the VETERINARIAN shall not commence work on any such change until such written amendment is signed by the VEETERINARIAN and approved and executed on behalf of Palm Beach County.

**ARTICLE 4 - SCHEDULING**

The veterinary responsibilities described below are only applicable for the charges and rates submitted by the VETERINARIAN in Article II above.

A. RELIEF VETERINARY SERVICES

The relief VETERINARIAN is to work at the Palm Beach County Animal Care and Control shelter when the staff veterinarian is unable to perform regular and routine duties due to scheduled or unscheduled leave (i.e. vacation, sickness/injury, required training, etc.). Under normal circumstances, the relief VETERINARIAN would only be called to perform back-up services during regular operational hours, 8:00 a.m. to 5:00 p.m. County holidays are normally excluded. Every attempt will be made by the COUNTY to give the relief VETERINARIAN at least 24 hours advance notice when his/her services are required. In the case of normal and scheduled vacation periods or training, the COUNTY will give at least seven days advance notice. There may be

infrequent occasions when the relief VETERINARIAN would be needed to assist the staff veterinarian with an emergency situation (i.e. a massive animal cruelty seizure, an accident involving injuries to large numbers of animals, post hurricane or other disaster, etc.) Hourly rates may be applied to the nearest fifteen minute interval.

**B. EMERGENCY ON-CALL AFTER-HOUR VETERINARY SERVICES**

The COUNTY wishes to have all legitimately injured and seriously ill stray/unowned dogs, cats and various types of other animal cases reviewed or seen by a VETERINARIAN as soon as possible after impoundment.

The staff veterinarian will be responsible for the care of all stray/unowned injured/sick dogs, cats and other types of animals during his/her regular hours (usually Monday through Friday, 8:00 a.m. to 5:00 p.m.). The staff veterinarian will be scheduled to respond to 25%-40% of the "after-hour" emergency cases.

**ARTICLE 5 - ROUTINE RESPONSIBILITIES**

The veterinary responsibilities described below are only applicable for the charges and rates submitted by the VETERINARIAN in Article 3 above.

All of the services required hereunder shall be performed by the VETERINARIAN or under his/her supervision, and all personnel engaged in performing the services shall be fully qualified and, if required, authorized or permitted under state and local law to perform such services.

The VETERINARIAN warrants that all professional services shall be performed by skilled and competent personnel to the highest professional standards in the field.

**A. RELIEF VETERINARY SERVICES**

The relief VETERINARIAN is in a temporary caretaker position and in the absence of the regular staff veterinarian would be responsible for overseeing the overall health of incoming, impounded, and outgoing animals. The VETERINARIAN is to work closely with the clinic staff, clinic coordinator, kennel supervisor, and Division director in assuring that appropriate medical care is given to all animals under the responsibility of the Division according to established policies. While the VETERINARIAN may provide direction to the Division veterinary technicians, it is also expected that the VETERINARIAN will perform actual hands-on medical work with animals in the clinic.

The tasks of providing veterinary care for animals impounded at the Animal Care and Control shelter are not the same as would normally be expected from a private clinic treating/caring for private animals. The large volume of animals, the fact that approximately 70% of the animals are ultimately euthanized, and limited resources dictate veterinary strategies different than those in a private hospital.

Essentially, the Animal Care and Control Division is responsible for assuring that all impounded animals are kept comfortably in an environment that is as disease free as possible. Injured/sick animals are given sufficient and appropriate medical care to keep them comfortable and free of pain. Extensive surgery and complex medical treatments are generally inappropriate. For severely injured/sick animals, the VETERINARIAN will decide if such animals should be immediately euthanized (according to state law). The VETERINARIAN will need to give attention to diseases that are easily communicable from animal-to-animal.

The specific regular responsibilities of the VETERINARIAN, include but are not limited to:

1. Provide, coordinate, and direct appropriate medical care for small animals impounded at the Palm Beach County Animal Care and Control shelter according to established procedures. This care will include routine animal examinations performed by the VETERINARIAN, as well as prescribing and administering drugs for sick/injured animals.
2. Direct the animal case work performed by Animal Care and Control personnel who are providing routine and medical care of impounded animals. Clinic technicians are expected to perform routine medical procedures under the direction and supervision of the VETERINARIAN.
3. Perform medical treatments and analyses for adopted animals. This includes heartworm check, fecal analysis for internal parasites, and other laboratory analyses that may be appropriate or warranted depending on the species and health of each particular animal. The VETERINARIAN will be responsible for the actual physical examination of each animal that is to be adopted. The VETERINARIAN, in conjunction with standard Division policy, will make the final decision as to an animal's fitness for adoption.
4. Surgically sterilize pre-scheduled adopted dogs and cats, older than eight weeks of age, unless medically inappropriate.
5. Monitor impounded animals with potentially dangerous diseases that may affect animal or human populations. The VETERINARIAN is responsible for initiating appropriate medical responses to such occurrences.
6. Use and direct personnel in the use of existing diagnostic equipment (x-ray, processor, etc.) for injured/sick animals where additional testing is indicated or required.
7. Assist in the review, evaluation and examination of animals that are subject to animal cruelty cases. In such cases, the VETERINARIAN may be required to go to where the animal(s) are located in Palm Beach County. The VETERINARIAN will provide the necessary assistance in determining if particular animals should be seized according to state law. In such cases, it will be necessary for the VETERINARIAN to prepare a detailed report of his/her medical findings, conclusions, and recommendations. It will also be necessary for the VETERINARIAN to serve as an expert witness for the COUNTY in such animal cruelty cases. It is expected that the relief VETERINARIAN would handle very few of these cases.

**B. EMERGENCY ON-CALL AFTER-HOUR VETERINARY SERVICES**

The emergency on-call after-hour VETERINARIAN will be notified by telephone or pager that Animal Care and Control has impounded an injured or sick animal. The animal care veterinary assistant or other trained personnel will provide the VETERINARIAN with the vital signs, observations and ownership status of the impounded animal. The VETERINARIAN will then determine if it is necessary or appropriate for him/her to examine the animal immediately or if sufficient instructions/directions may be given for appropriate disposition or stabilization according to established procedures. The COUNTY prefers that if appropriate and reasonable, cases be handled by telephone consultation with Animal Care and Control personnel. An animal that can be stabilized will be seen by the staff veterinarian on the next regular workday.

The VETERINARIAN will be required to immediately respond to examine/treat animals that have a known owner or are tagged according to established procedures.

Veterinary examinations will take place at the Animal Care and Control shelter, 7100 Belvedere Rd., West Palm Beach or at Pet Emergency of Palm Beach County. (The VETERINARIAN will designate which clinic will be used and what circumstances will affect that determination.) The "after-hour" VETERINARIAN will physically examine the injured/sick animal and make a determination as to whether: 1) the animal should be saved and given necessary medical treatment or 2) the animal should be euthanized because of the seriousness of the injuries/illness (according to state and local laws). If there is considerable uncertainty as to the condition of an injured/sick animal, additional limited diagnostic testing may be initiated (i.e. x-ray, blood tests, etc.). X-ray equipment and some diagnostic equipment are available at Animal Care and Control.

If the decision is made to treat the animal, then the VETERINARIAN is to either provide specific directions to the veterinary assistant or administer the initial treatment himself/herself. If the animal is hospitalized, the staff veterinarian will monitor the condition of the animal and treat appropriately for the duration that the animal is at the shelter. The after-hour emergency VETERINARIAN is to give sufficient information to the staff veterinarian, in writing, concerning initial observations and treatment so that there is continuity in veterinary services for such animals.

It should be understood that the emergency veterinary care for stray/unowned impounded injured/sick animals is not the same as would be expected in a hospital where privately owned pets are treated. As many as 80% of these animals die because of the injury or are euthanized because the owner fails to reclaim it. Essentially, the Animal Care and Control Division is responsible for assuring that injured/sick animals are kept comfortable and are in as little pain as possible while staying at the Animal Care and Control shelter.

#### **ARTICLE 6 - FACILITIES AND EQUIPMENT**

During the term of this Contract, the COUNTY shall provide the VETERINARIAN with necessary drugs, surgical equipment, surgical apparel and supplies used to perform sterilization of animals. The COUNTY will attempt to comply with the VETERINARIAN'S request for preferred surgical equipment, materials, gowns, gloves and drugs as may be reasonably necessary for the VETERINARIAN to perform his duties as required by this Contract. The COUNTY will provide a full time veterinary technician for assistance in the surgery area.

Medical supplies used to treat injured/sick animals will be provided by the COUNTY, unless the animal is treated at an alternately approved veterinary clinic.

#### **ARTICLE 7 - TRUTH-IN-NEGOTIATION CERTIFICATE**

Signature of this Contract by the VETERINARIAN shall also act as the execution of a truth-in-negotiation certificate certifying that the wage rates, over-head charges, and other costs used to determine the compensation provided for in this Contract are accurate, complete and current as of the date of other Contract and no higher than those charged the VETERINARIAN'S most favored customer for the same or substantially similar service.

The said rates and costs shall be adjusted to exclude any significant sums should the COUNTY determine that the rates and costs were increased due to inaccurate, incomplete or non-current wage rates or due to inaccurate representations of fees paid to outside consultants. The COUNTY shall exercise its rights under this Article 7 within three (3) years following final payment.

#### **ARTICLE 8 - FEDERAL AND STATE TAX**

The County is exempt from payment of Florida State Sales and Use Taxes. The COUNTY will sign an exemption certificate submitted by the VETERINARIAN. The VETERINARIAN shall not be exempted from paying sales tax to its suppliers for materials
