(B) A short term Residential Lease Agreement with Adela M. Estrada, Jesus Estrada, Ruben Estrada and Laura Estrada; and

(C) A Budget Transfer of \$176,000 in the Airports Improvement and Development Fund from Reserves to provide budget for the purchase of property in the Runway Protection Zone (RPZ) South of Runway 31 at PBIA.

Summary: In accordance with Federal Aviation Administration (FAA) regulations, the Department of Airports is encouraged to acquire property within the Runway Protection Zone. **Countywide (LMB)**

Background and Justification: The BCC approved the acquisition of 11.96 acres of land from CHS Properties on July 27, 1999 (R-99-1417-D). At that time there were four private residences entirely surrounded by CHS Properties which were not interested in selling. Growth Management Planning, Inc., the owner of one of these properties, has now executed an agreement to sell. A short term Residential Lease Agreement has also been executed by the current tenants of Growth Management Planning, Inc. The Residential Lease Agreement will become effective upon acquisition of the property by the County and will be for a term of 90 days. The Residential Lease is necessary because the County is required to provide the current tenants with at least 90 days advance written notice of the earliest date by which they will be required to move by FAA regulations.

The cost of said commitment and policy and any premium therefore shall be borne by County.

7.2 In the event the title insurance commitment shall show as an exception any matter which would render the title unmarketable, County shall notify Seller of County's objections thereto, and Seller shall act with reasonable effort, including bringing suit, to remove such exception(s), which exceptions shall be deemed to constitute title defects. The Seller shall be entitled to ninety (90) days from the date of notification by County (with adjournment of the Closing Date if necessary) within which to cure such defects or to make arrangements with the title insurer for the removal of any such objections from the commitment. Seller shall have the option of

discharging any such matters at Closing out of the Closing proceeds. If the defect(s) shall not have been so cured or removed from the commitment by endorsement thereto at the termination of the said ninety (90) day period, County shall have the option of: (a) accepting title to the Property as it then exists and receive a reduction in the Purchase Price due to such defect; or (b) terminating this Agreement, by giving written notice thereof to Seller, in which event the parties shall be relieved of all further obligations hereunder.

7.3 County may request, prior to the Closing, an endorsement of the commitment making it effective to within five (5) days of the Closing Date. At Closing, the title insurance commitment shall be endorsed to remove any and all requirements or preconditions to the issuance of an owner's marketability title insurance policy, and to delete any exceptions for: (a) any rights or claims of parties in possession not shown by the public records; (b) encroachments, overlaps, boundary line disputes and any other matters which would be disclosed by an accurate survey and inspection of the Property; (c) easements or claims of easement not shown by the public records; (d) any lien, or right to a lien, for services, labor or material heretofore or hereinafter furnished, imposed by law and not shown by the public records; (e) taxes for the year of Closing and all prior years, and taxes or special assessments which are not shown as existing liens by the public records; (f) matters arising or attaching subsequent to the effective date of the commitment but before the acquisition of record of title to the Property by the County.

7.4 From and after the Effective Date of this Agreement, Seller shall take no action which would impair or otherwise affect title to any portion of the Property, and shall record no documents in the Public Records which would affect title to the Property, without the prior written consent of the County.

8. SURVEY. County shall have the right to obtain a current survey of the Property and all improvements thereon. Said survey shall be prepared in accordance with the minimum technical standards for surveys within the State of Florida. If the survey reveals any encroachments, overlaps, boundary disputes or other defects, which affect marketability of the Property, the same shall be treated as title defects as described in Section 7 of this Agreement and County shall have the same rights and remedies as set forth therein.

9. RADON GAS. Radon is naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. 10.3 The Seller and County shall each pay their own attorneys' fees.

11. PRORATIONS. On or before the Closing Date, Seller shall establish and escrow

fund with the County Tax collector pursuant to Florida Statutes Section 196.295, and shall pay into said escrow Seller's prorata portion of ad valorem real property taxes for the year of Closing as determined by the Tax Collector.

12. ASSESSMENTS. If on the Closing Date, the Property or any part thereof shall be or shall have been affected by assessments which are, or which may become payable in annual installments, of which the first installment is then a charge or lien, or has been paid, then for the purposes of this Agreement, all of the unpaid installments of any such assessments, including those which are to become due and payable after the Closing Date, shall be deemed to be due and payable and to be liened upon the premises affected thereby, and shall be paid and discharged by the Seller on or before Closing Date.

13. CONDEMNATION. In the event that all or any part of the Property shall be acquired or condemned for any public or quasi-public use or purpose, or if any acquisition or condemnation proceedings shall be threatened or begun prior to the Closing of this transaction, County shall have the option to either terminate this Agreement, and the obligations of all parties hereunder shall cease, or to proceed, subject to all other terms, covenants, conditions, representations and warranties of this Agreement, to the Closing of the transaction contemplated hereby and receive title to the Property; receiving, however, any and all damages, awards or other compensation arising from or attributable to such acquisition or condemnation proceedings. County shall have the right to participate in any such proceedings.

14. REAL ESTATE BROKER. Seller and County each represents and warrants to the other that it has not dealt with any broker, salesman, agent or finder in connection with this transaction, except O.R. Colan Associates, Inc. ("Broker") whose commissions and fees shall be payable by County pursuant to separate written agreement. Without limiting the effect of the foregoing, Seller agrees to indemnify, defend and save the County harmless from the claims and demands of any real estate broker, salesman, agent or finder, other than Broker, claiming to have dealt with Seller. Such indemnity shall include, without limitation, the payment of all costs, expenses and attorneys fees incurred or expended in defense of such claims or demands. The terms of this Section shall survive the Closing or termination of this Agreement.

15. FIRPTA. Seller represents and warrants to County that Seller is not a "foreign person" as defined by the Federal Foreign Investment in Real Property Tax Act, (the "Act"). At Closing, the Seller shall execute and deliver to County, a "Non-Foreign Certificate", as required by the Act. Seller acknowledges that in the event Seller fails to deliver the Non-Foreign Certificate, County shall be authorized to withhold from the Closing proceeds an amount equal to ten percent (10%) of the gross amount of the purchase price, and to remit same to the Internal Revenue Service, as required by the Act.

16. MAINTENANCE. Between the Effective Date and Closing, Seller shall maintain the Property in the condition in which it existed as of the Effective Date. Buyer shall have access to the Property at any reasonable time prior to Closing to verify Seller's compliance herewith.

Tenant shall notify every contractor performing work upon the Premises of the provision set forth in the preceding sentence. In the event that a construction lien is filed against the Premises in connection with any work performed by or on behalf of the Tenant, the Tenant shall satisfy such claim, or shall transfer same to security, within ten (10) days from the date of filing. In the event that the Tenant fails to satisfy or transfer such claim within said ten (10) day period, the County may do so and thereafter charge the Tenant, and the Tenant shall promptly pay to County in connection with the satisfaction or transfer of such claim, including attorneys' fees. Further, the Tenant agrees to indemnify, defend, and save the County harmless from and against any damage or loss incurred by the County as a result of any such construction lien.

Section 5.03 County's Right to Inspect.

The County or the County's agents shall have the right upon reasonable prior notice to the Tenant (except that no notice need be given in case of emergency) to enter the Premises for the purpose of inspection of the Premises. Any such entrance into the Premises shall be conducted by County in a manner calculated to minimize interference with or disruption of Tenant's use of the Premises.

ARTICLE VI UTILITIES

Section 6.01

Tenant shall be solely responsible for and promptly pay directly to the utility company or the provider of such service all charges and assessments for water, gas, electricity, trash collection and removal, or any other utility used or consumed on the Premises. In no event shall County be liable for an interruption or failure in the supply of any such utility to the Premises.

ARTICLE VII INSURANCE AND INDEMNITY

Section 7.01 Liability Insurance.

Tenant shall, during the Term hereof, keep in full force and effect, General Liability Insurance in an amount not less than One Hundred Thousand Dollars (\$100,000) per occurrence combined single limit bodily injury and property damage liability. Such policy shall name the County as an Additional Insured.

Section 7.02 Insurance Policies.

The insurance required hereunder shall be primary over any other collectible amount of insurance under the County's Self-Insurance Plan. Tenant shall be responsible for paying all costs and expenses relating to such insurance, including, without limitation, all insurance premiums and any deductibles or self-insured retentions as a result of losses not covered by such insurance. The insurance required hereunder shall be issued by an insurance company licensed to do business in the State of Florida and subject to the approval of the County. The Certificate of Insurance evidencing such insurance coverage shall be provided to the County prior to the Commencement Date. Such Certificate shall require at least thirty (30) days prior written notice of cancellation or adverse material change in coverage. In no event shall the limits of said insurance policies be considered as limiting the liability of Tenant under this Lease. Tenant shall obtain and deliver to the County, from the insurer under each policy of such insurance, an agreement whereby such insurer waives

subrogation of any claim against the County for loss or damage within the scope of the insurance, and the Tenant, for itself and its insurers, waives all such insured claims against the County. In the event that Tenant shall fail to obtain or maintain in full force and effect the insurance coverage required to be obtained by Tenant under this Lease, County may procure the same from such insurance carriers as County may deem proper, and Tenant shall pay as Additional Rent, upon demand of County, any and all premiums, costs, charges, and expenses incurred or expended by County in obtaining such insurance. Notwithstanding the foregoing, Tenant shall nevertheless hold County harmless from any loss or damage incurred or suffered by County due to Tenant's failure to maintain such insurance.

Section 7.03 Indemnification of County.

Tenant shall, to the extent permitted by law, indemnify, defend, and save harmless the County from and against any and all claims, suits, actions, damages, and/or causes of action arising as a result of or relating to this Lease or the Tenant's occupancy of the Premises for any personal injury, loss of life, and/or damage to property sustained in or about the Premises including, without limitation, by reason or as a result of the use and occupancy of the Premises by the Tenant, its agents, employees, licensees, invitees, any sublessee, and the general public, and from and against any orders, judgments, and/or decrees which may be entered thereon, and from and against all costs, attorney fees, expenses, and liabilities incurred in and about the defense of any such claim. In the event County shall be made a party to any litigation commenced against the Tenant or by the Tenant against any third party, then Tenant shall protect and hold County harmless and pay all costs and attorney fees incurred by County in connection with such litigation, and any appeals thereof.

Section 7.04 Disclaimer of Liability.

County hereby disclaims, and Tenant hereby releases County, from any and all liability, whether in contract or tort (including strict liability, negligence, and nuisance), for any loss, damage, or injury of any nature whatsoever sustained by Tenant, its family members, guests, or invitees during the term of this Lease, including, but not limited to, loss, damage, or injury to the improvements or personal property of Tenant, Tenant's family members, guests, or invitees that might be located or stored on the Leased Premises, unless such loss, damage, or injury is caused by County's sole negligence or unintentional acts. The parties hereto expressly agree that under no circumstances shall County be liable for indirect, consequential, special, or exemplary damages whether in contract or tort (including strict liability, negligence, and nuisance), such as, but not limited to, loss of revenue or anticipated profits or any other damage related to the leasing of the Premises pursuant to this Lease.

**ARTICLE VIII
DESTRUCTION OF PREMISES**

Section 8.01 Damage or Destruction by Fire, War, or Act of God.

In the event the Premises shall be destroyed or so damaged or injured by fire or other casualty during the Term of this Lease or any extension thereof, whereby the same shall be rendered untenable, in whole or in part, the Lease shall terminate, whereupon the parties shall be relieved of all obligations hereunder.

**ARTICLE IX
ASSIGNMENT AND SUBLETTING**

Section 9.01 Consent Required.

Tenant may not assign, mortgage, pledge, or encumber this Lease in whole or in part, nor sublet all or any portion of the Premises. This provision shall be construed to include a prohibition against any assignment, mortgage, pledge, encumbrance, or sublease, by operation of law, legal process, receivership, bankruptcy, or otherwise, whether voluntary or involuntary.

**ARTICLE X
DEFAULT OF TENANT**

Section 10.01 Events of Default.

The occurrence of any one or more of the following shall constitute an Event of Default by Tenant under this Lease: (i) Tenant's failure to perform or observe any of the agreements, covenants, or conditions contained in the Lease on Tenant's part to be performed or observed and such failure shall continue for more than five (5) days after notice from County; (ii) Tenant's vacating or abandoning the Premises; or (iii) Tenant's leasehold estate being taken by execution, attachment, or process of law. If any Event of Default occurs, then at any time thereafter while the Event of Default continues, County shall have the right to give Tenant notice that County intends to terminate this Lease upon a specified date not less than three (3) days after the date notice is received by Tenant, and this Lease shall then expire on the date specified as if that date had been originally fixed as the expiration date of the Term of this Lease. If, however, the default is cured within the three (3) day period and the County is so notified, this Lease will continue.

Section 10.02 Waiver, Accord, and Satisfaction.

The waiver by County of any default of any term, condition, or covenant herein contained shall not be a waiver of such term, condition, or covenant, or any subsequent default of the same or any other term, condition, or covenant herein contained. The consent or approval by County to or of any act by Tenant requiring County's consent or approval shall not be deemed to waive or render unnecessary County's consent to or approval of any subsequent similar act by Tenant.

Section 10.03 Termination by Tenant.

Tenant may terminate this Lease upon two (2) business days prior written notice to County, whereupon the parties shall be relieved of all further obligations under this Lease with the exception of those obligations that expressly survive termination of this Lease. Upon termination of this Lease, Tenant shall surrender possession of the Premises to County in accordance with Section 4.05 and shall promptly return all keys to the Premises to County.

**ARTICLE XI
QUIET ENJOYMENT**

Section 11.01 County's Covenant.

Upon payment by the Tenant of the Rent and other charges herein provided, and upon the observance and performance of all the covenants, terms and conditions on Tenant's part to be observed and performed, Tenant shall peaceably and quietly hold and enjoy the Premises for the Term hereby demised without hindrance or interruption by County or any other persons or persons lawfully or equitably claiming by, through, or under the County, subject, nevertheless, to the terms and conditions of this Lease.

MEMORANDUM

TO: Jerry L. Allen, AAE
Deputy Director Planning and Community Affairs

FROM: Yamilette Bertelsen, Broker Associate
O. R. Colan Associates, Inc.

DATE: Thursday, February 15, 2007

SUBJECT: Runway 31 Morrison Homes Sub-Division
Recommendation For Administrative Settlement
Parcel: S-4 Growth Management Planning, Inc.

An Agreement for Purchase and Sale in the amount of \$176,000. has been signed by William L. Knight, President of Growth Management Planning, Inc. who is the owner of Parcel S-4, on the above referenced project. This agreement represents an increase of \$16,000. over the approved appraisal report of \$160,000. It should be noted that the assessed value from the Palm Beach County Tax Collector is \$31,406. for this improved lot.

Should the County decide that \$176,000. is a reasonable and justified amount, this agreement would be considered an Administrative Settlement under the FAA ORDER 5100.37A Chapter 3.; Section 2. The FAA lists many items to be considered when entering into an Administrative Settlement. Our office will summarize the situation of the potential settlement and offer our recommendation to the County.

The subject property is improved with a 672 square foot residential structure located at 213 Grace Drive, West Palm Beach, FL. The subject site contains approximately 0.15 acres or 6,534 square feet of land and is zoned MUPD with a future land use designation of CL/IND

Growth Management Planning, Inc. has been the owner of record of the subject property since December of 1994. Mr. William L. Knight is the sole owner of this Florida corporation. Throughout his ownership Mr. Knight has rented this property to generate income. At the time of the offer presentation Mr. Knight indicated the property is currently rented. Mr. Knight is interested in selling at a negotiated amount of 10% above the appraised value or \$160,000 (appraised value) + \$160,000. (10% increase) = \$176,000. negotiated settlement. Mr. Knight indicated the increase of \$16,000 would help off-set the income generated from the rental property and compensate for improvements and upkeep invested in the property.

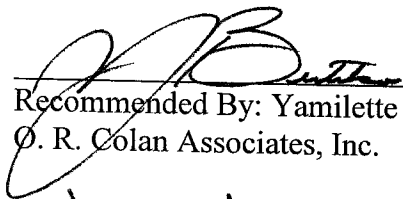

Page 2 of 2

Jerry L. Allen, AAE

Thursday, February 15, 2007

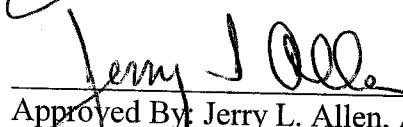

The most reasonable solution to the acquisition of the subject lot is to compromise and settle at a price agreeable to all parties involved.

The difference between the appraised value of \$160,000. for the subject site and the negotiated settlement of \$176,000. is \$16,000. which represents an increase of 10% over the appraised value. It is in the best interest of Mr. Knight and Palm Beach County to move forward with this transaction.

This letter is to inform you of the intent of the Palm Beach County Department of Airports to offer to acquire the property located at 213 South Grace Drive, West Palm Beach, Florida 33406 and the compensation you may expect to receive for its purchase.

With respect to the offer to purchase your property, you will be offered compensation in an amount not less than the approved fair market value, which is based on an appraisal using current market data obtained by a qualified real estate appraiser and that has been reviewed and checked by another appraiser. The appraisal does not reflect any decrease or increase in the fair market value caused by the project for which your property is being acquired.

*2/14/07

Department of Airports
Palm Beach County, Florida

OWNER: Growth Management Planning, Inc. Parcel: S-4
PROPERTY ADDRESS: 213 South Grace Drive, West Palm Beach File No: O5-5

I have completed my review of the above-referenced parcel. My opinion is based on the following.

This value estimate may be used in conjunction with a Federal Aid project.

As part of the appraisal review, there has been a field inspection of the parcel(s) to be acquired and the comparable sales applicable thereto or the reason for not doing so is stated below.

I have no direct or indirect present or contemplated future personal interest in such property or in any monetary benefit from its acquisition.

My estimate has been reached independently without collaboration or direction and is based on appraisals and other pertinent factual data.

Unless otherwise stated, this value estimate contains no items compensable under state law but not eligible under federal reimbursement. Any non-compensable items are listed below together with their appraised value followed by the notation ("non-compensable").

Unless otherwise stated, the reviewer agrees with the identification or listing of the buildings, structures, and other improvements on the land, as well as the fixtures, which the appraiser considered to be part of the real property to be acquired.

Note the date of value predates Hurricane Jeanne. An exterior inspection did not reveal any obvious roof or major structural damage. In order to address minor damages, if any, this property requires a reappraisal.

It is my opinion that the market value of the land and improvements appraised, as of October 27, 2005, is \$160,000.

This estimate of market value is based upon an appraisal report prepared by Robert B. Banting, MAI and Michael Brady of Anderson & Carr, Inc. Both appraisers are state certified.

The subject property is a two-bedroom, one-bathroom single-family residence of frame construction. The residence contains a living area of 672 square feet. The structure, approximately 60 years old, is in average condition. According to the Palm Beach County Property Appraiser's office the site contains 0.15 acres.

Although the subject property is improved with a single family residence it is zoned MUPD (Mixed Use Planned Development). The land use designation is CL/IND which is a commercial/industrial classification. The existing improvement is a "grandfathered in" non conforming use. However, the appraiser is of the opinion that the value of the property as a vacant industrial site is less than its value as a single family residence. This is due to the small size of the site. Therefore, the residence still develops the property to its highest and best use.

The Sales Comparison Approach to value is the only approach used in the appraisal. Due to the age of the subject property and the inherent problems of estimating accrued depreciation for a structure of that age, the Cost Approach was not applied. Since the subject neighborhood generally is comprised of single family homes which, typically, are not bought and sold based on their income-producing potential, the Income Approach was not used.

The comparable sales present an unadjusted value range of from \$130,000 to \$180,000. A variety of adjustments were made for differences in physical features. The most significant adjustments in this case were for physical condition and lot size.

Unless otherwise stated in this report, the existence of hazardous substances, including, without limitation, asbestos, polychlorinated biphenyls, petroleum leakage, or agricultural chemicals which may or may not be present on the property, or other environmental conditions, were not called to the attention of the appraiser, nor did the appraiser become aware of such during the appraiser's inspection. The appraiser has no knowledge of the existence of such materials on or in the property unless otherwise stated. However, the appraiser is not qualified to test such substances or conditions. If the presence of such substances as asbestos, ureaformaldehyde foam insulation, or other hazardous substances or environmental conditions may affect the value of the property, the value estimated is predicated on the assumption that there is no such condition on or in the property or in such proximity thereto that it would cause a loss of value. No responsibility is assumed for any such condition or for any expertise or engineering knowledge required to discover them.

After adjustment, the indicated value range is between \$140,500 and \$167,500. The appraiser correlated to a value of \$160,000.

The appraiser's adjustments are considered well supported. The appraiser's value conclusion is considered appropriate. Therefore, the market value of the subject property is estimated at \$160,000.
