Trish,

If I don't hear otherwise from you, I'll take this e-mail as Commissioner's authorization to transfer \$8,000 from District 1 funds if and when the petition is approved. Also, we'll mark the locations of the humps with blue post-mounted signs once the petition is received and verified.

Rob,

Please proceed with the petition process using the services of the volunteer who's contact info are provided below.

>>> Patricia Weaver 03/21/07 2:15 PM >>>

Okay, I have a volunteer. Mr. Lee Erickson, 2312 Idlewild Road, Palm Beach Gardens 33410, 622-2849. They would be happy to get the signatures. Also, when you get them back will you mark the location of the humps so folks know where they will be and if they have any issues with it? Trish

>>> Motasem Al-Turk 3/5/2007 2:51 PM >>>

We usually ask the resident who requested the humps to get the petitions signed and sent to us. If you give us the name and contact info, we'll send them the petition with the instructions.

>>> Patricia Weaver 03/05/07 10:16 AM >>>

Commissioner wants two humps. Standard not decorative. We also want to petition the residents on Idlewild. How do you want to handle the petitions?

>>> Motasem Al-Turk 1/29/2007 11:51 AM >>>

Only one.

>>> Patricia Weaver 01/29/07 11:35 AM >>>

What do you recommended on number of humps?

>>> Motasem Al-Turk 1/29/2007 11:34 AM >>>

\$4,000 per each for a standard hump and \$11,000 for the decorative. Send fund transfer authorization for the total amount based on the number of humps requested and also let me know whether the commissioner wants to petition the residents.

>>> Patricia Weaver 01/29/07 10:28 AM >>>

How much will it cost, standard hump? Also the Commissioner wants to install now. When we met with marina owner and residents we discussed installing now. He was fine with it. The boat repair activity will stop and there will be dump trucks running up and down the road.

>>> Motasem Al-Turk 1/26/2007 11:58 AM >>>

Trish,

Let us know if you still want to fund this project and in this case if you want us to petition the residents.

>>> Dan Weisberg 01/25/07 12:16 PM >>>

I raised the same marina concern earlier. Please see earlier e-mail (attached) on this issue.

>>> Motasem Al-Turk 01/24/07 3:39 PM >>>

The study is back showing it doesn't meet the warrants with only 854 ADT and 16% exceeding the speed limit (need 1,500 & more than 50%). Also, because this road provides the only access to two public marinas, we don't recommend speed humps even if funding is provided by district money.

>>> Dan Weisberg 01/16/07 5:21 PM >>>

Mo, Rob

FYI,

I think the intent is for Commissioner to fund, since I assume that the volumes will be low. Might as well get the data.

>>> Patricia Weaver 01/16/07 4:42 PM >>>

Can you do a study on Idlewild Road for speed humps now?
