**RE:** Invoices for County Pre-emption Issue

---

Attached is the invoice for your county's contribution to the FAC effort to prevent any state pre-emption of your countywide powers with respect to the use, development and redevelopment of land. The invoice includes credit for FAC's contribution to the effort. As previously reported, your county's contribution will be utilized in the effort to defeat this serious infringement upon county powers. On behalf of all of Florida's counties, FAC finalized the contracts with Ronald L. Book, P.A. (Ron Book) and Johnson & Blanton (Jon Johnson) who began their legislative work for FAC on this issue on March 1. We will keep you apprised of developments, including the expenditures of funds, related to this effort.

This issue is of the utmost importance and we greatly appreciate your support.

Should you have any questions or concerns, please feel free to contact me.
