I. EXECUTIVE BRIEF

Project: Testing Lab Services on a Task Order Basis

Motion and Title: Staff recommends motion to approve: The renewal of the Testing Lab Services Annual Agreements with the following firms:

<u>Firm Name</u>	<u>Original Agreement Date</u>	<u>Resolution No.</u>
Dunkelberger Engineering & Testing, Inc.	June 21, 2005	R2005-1144
GFA International	June 21, 2005	R2005-1147
Tierra, Inc.	June 21, 2005	R2005-1148

Summary: These Agreements are being considered for renewal for required professional services, on a task order basis. This is the second and final renewal of these firms' Agreements.

Districts: Countywide (PK)

Background and Justification: In accordance with Board-adopted procedures pursuant to Florida Statutes 287.055 Consultants Competitive Negotiations Act (CCNA), the above listed consulting firms were selected to perform professional services relative to County needs, and are presently under Agreement with Palm Beach County on an annual contractual basis. This is the second and final renewal of these firms' Agreements. It is the consensus of user departments that these consulting firms have, within the provisions of their Agreements, provided the professional services requested by the County. Since they remain in good standing and wish to continue to provide the professional services as indicated in their Agreements, the County agrees to renew their Agreements for one (1) year.

These Agreements have been reviewed with the above listed consulting firms, and this office now recommends the second and final renewal of the attached consultant Annual Agreements. This transaction will maintain the continuous process of professional services required by Palm Beach County.
