WITNESSETH

WHEREAS, the COUNTY and the INSTITUTE desire that the public interest be served by insuring a continuing source of competent health care professionals; and

WHEREAS, the INSTITUTE offers duly approved paramedic and emergency medical technician ("EMT") training programs; and

WHEREAS, Section 401.2701, Florida Statutes, requires that paramedic and EMT training programs contract with a Florida-licensed emergency medical services provider to conduct the field experience portion of the education program; and

WHEREAS, the INSTITUTE desires that students enrolled in its paramedic and EMT training programs obtain clinical field experience with the COUNTY; and

WHEREAS, the COUNTY desires to provide the necessary facilities and personnel, through its Fire-Rescue Department, for said clinical field experience and hereby determines that doing so furthers the public health, safety and welfare.

NOW, THEREFORE, for and in consideration of the promises and mutual covenants and agreements herein contained, the parties hereto agree as follows:

Section 1. CONTRACT MONITORS

The COUNTY's representative and contract monitor during the performance of this Agreement is William Peters, Division Chief, whose telephone number is 561-616-7009. The INSTITUTE's representative and contract monitor during the performance of this Agreement is Scott A. Schein, whose telephone number is 954-979-6500.

Section 2. CLINICAL FIELD EXPERIENCE PROVIDED BY COUNTY

A. COUNTY agrees to make available, as practical, its ALS responder units and other units used by COUNTY in the emergency care of the sick or injured in order to provide clinical field experience for students enrolled in the INSTITUTE's duly approved paramedic and EMT training programs. Under the supervision of Palm Beach County Fire-Rescue paramedic personnel designated by the COUNTY, clinical field experiences will consist, as practical, of those activities and/or procedures outlined in section 401.23(1), Florida Statutes, for paramedic students or section 401.23(7), Florida Statutes, for EMT students, and other procedures required as part of the field experience by the DOT EMT-Paramedic National Standard Curriculum for paramedic students or the DOT EMT-Basic National Standard Curriculum for EMT students, as applicable. Clinical field experiences shall be limited to those identified activities and

procedures. At all times during the clinical field experience with the COUNTY, the students will act under the direction of the designated COUNTY personnel, who shall always be primary care givers. Students shall follow all applicable laws, rules and regulations, and all COUNTY polices, procedures and protocols, relating to such training programs, emergency medical services and patient care.

B. COUNTY reserves the right to refuse its facilities and services to any student, faculty member or instructor who, in the COUNTY's sole discretion, does not meet the professional or other requirements of the COUNTY, or any other appropriate authority controlling, directing or affecting the COUNTY in its delivery of emergency medical services. COUNTY further reserves the right to refuse its facilities and services to any student, faculty member or instructor, which it, in its sole discretion, believes has engaged in any conduct which is unprofessional or contrary to or inconsistent with the terms and conditions of this Agreement or any applicable COUNTY rules, regulations or policies.

Section 3. PROVISIONS FOR INSTRUCTION AND SUPERVISION OF STUDENTS

A. The INSTITUTE has undertaken to educate and train students in its duly approved Paramedic and EMT Programs (hereinafter "students"). The control of this program shall reside with the INSTITUTE.

B. The INSTITUTE shall inform its instructors and students of all applicable rules, regulations, policies, procedures, and medical protocols of Palm Beach County Fire-Rescue. The INSTITUTE shall ensure that its instructors and students are familiar with and that they comply with such rules, regulations, policies, procedures, and medical protocols at all times during the performance of this Agreement. Notwithstanding the oversight, supervision and/or direction of students by COUNTY personnel during the field experiences or any other provisions in this Agreement, the INSTITUTE shall have sole and ultimate responsibility and liability for the instruction, training, oversight, supervision, actions and omissions of its students while they are participating in the clinical experiences provided by the COUNTY under this Agreement. The INSTITUTE shall assure that its students, while obtaining the clinical field experience provided hereunder, act in the best interests of the patients and in accordance with the terms and conditions of this Agreement.

C. The schedule for the clinical field experiences provided for by this Agreement shall be established, and may be amended, by mutual agreement of the parties' contract monitors. The schedule may be altered from time to time by the COUNTY in its sole discretion if appropriate responder units or personnel are not available or for any other reason that might negatively impact the COUNTY's services, as determined solely by the COUNTY. The INSTITUTE shall provide the COUNTY with a list of participating students.

D. Prior to scheduling students for clinical experiences with COUNTY, the INSTITUTE shall provide COUNTY with written documentation verifying that all students have been trained in and have demonstrated, through clinical skills labs, proficiency in all of the activities and procedures identified in Section 2. The INSTITUTE shall be responsible for assuring that its students, while participating in the clinical field experiences with the COUNTY, conduct only those activities and procedures for which the INSTITUTE has verified the student's training and demonstrated proficiency. The INSTITUTE warrants that all students scheduled for clinical experiences with COUNTY shall be fully qualified and authorized or permitted under state and local law to engage in the clinical experiences contemplated under this Agreement. All students while on COUNTY premises, in COUNTY vehicles, or otherwise participating in the clinical

experiences hereunder, shall comply with all COUNTY requirements and policies governing conduct, safety and security.

E. Prior to scheduling students for clinical experiences, the INSTITUTE shall provide COUNTY with written verification that all students have been trained and demonstrated proficiency in body substance isolation and infection control procedures, including but not limited to the use of gloves, masks, and eye and respiratory protection.

F. For use during the clinical field experiences, the INSTITUTE shall provide each student with a stethoscope to obtain patient vital signs and with the appropriate eye protection to protect the student from blood borne pathogens. The INSTITUTE shall also fit test each student for respiratory protection against tuberculosis and provide the COUNTY with that fit information prior to the student's scheduled clinical experience.

G. The INSTITUTE shall provide the forms and methodologies to be utilized by COUNTY personnel to evaluate student performances during the clinical field experiences. However, the INSTITUTE shall be fully responsible for evaluating its students' progress and determining grades of the students. The INSTITUTE's program supervisor will make regular calls to COUNTY in order to assess the effectiveness of the field experience program.

H. Prior to scheduling students for clinical experiences, the INSTITUTE shall provide COUNTY with written verification that all students have been determined to be fit to engage in the clinical experiences and activities contemplated under this Agreement, including that all students are current on all necessary immunizations and otherwise in compliance with any applicable regulations and INSTITUTE and COUNTY policies.

I. Prior to scheduling students for clinical experiences, the INSTITUTE shall provide COUNTY with a duly executed written release, attached hereto as Exhibit A, from each student.

J. All students' meals and all transportation to and from the designated clinical location shall be provided by the students or the INSTITUTE. The COUNTY shall have no responsibility for meals and/or transportation.

K. COUNTY and the INSTITUTE will comply with any applicable provisions of Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, and Section 504 of the Rehabilitation Act of 1973, and any other applicable laws and regulations. Each party warrants that it does not, and agrees that it will not, discriminate against any employee or applicant for employment or registration in the course of study because of race, color, sex, national origin, or handicap.

L. The INSTITUTE acknowledges and agrees that the COUNTY's provision of emergency medical services is subject to the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and the regulations promulgated thereunder (including the privacy and security rules), all as may be amended from time to time; and that the INSTITUTE's students who participate in the clinical experiences provided by the COUNTY hereunder may receive and have access to protected health information, including electronic protected health information, that is protected by HIPAA and the regulations promulgated thereunder. Accordingly, the parties agree that no student shall participate in the clinical experiences provided by COUNTY hereunder unless and until the student completes a HIPAA training program approved by Palm Beach County Fire-Rescue and executes a HIPAA confidentiality and training acknowledgment agreement as attached hereto as Exhibit B. Prior to scheduling any students for clinical

experiences, the INSTITUTE shall provide COUNTY with a duly executed confidentiality and training acknowledgement agreement from each student. Furthermore, the INSTITUTE specifically acknowledges and agrees that students participating in the clinical experiences hereunder shall not be authorized to disclose any protected health information to the INSTITUTE for any purpose whatsoever and that the INSTITUTE shall not require or seek such disclosure. Should any protected health information be disclosed to the INSTITUTE, the INSTITUTE shall not use or further disclose said information and shall immediately notify the COUNTY's contract monitor and return any written protected health information to the COUNTY's contract monitor without maintaining any copies thereof.

Section 4. RELATIONSHIP OF EMPLOYEES AND STUDENTS

This Agreement does not, and shall not be construed to, make any employee or agent of the COUNTY an employee or agent of the INSTITUTE for any purpose whatsoever; nor to make any employee, agent or student of the INSTITUTE an employee, agent or student of the COUNTY for any purpose whatsoever. Should the COUNTY report to the INSTITUTE any violation of its rules and regulations or other inappropriate conduct by an INSTITUTE student during a clinical experience, the INSTITUTE shall be responsible for determining any disciplinary action to be taken with respect the student's participation in the INSTITUTE's program. However, the COUNTY maintains the right to prohibit any student from participating in the clinical experiences offered by COUNTY as set forth in Section 2(b) of this Agreement, and such shall not be deemed to be discipline of non-County employees by the COUNTY.
