I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: **A)** Agreement with Boynton Woman's Club, Inc. for the period July 10, 2007, through July 9, 2009, in an amount not-to-exceed \$75,000 for funding of the roof replacement for the Boynton Woman's Club building; and **B)** Budget Transfer of \$75,000 within the \$25M GO Parks and Cultural Improvements Bond Fund - 2003 to Boynton Woman's Club roofing project.

Summary: This Agreement provides funding for roof tear down and replacement, work permits, and materials for the Boynton Woman's Club roofing project. The Boynton Woman's Club building was constructed in 1926 and has been open to the public continually since then. The Agreement allows for the reimbursement of Pre-Agreement expenses incurred subsequent to May 1, 2007. Funding is from the 2002 \$50 Million Recreation and Cultural Facilities Bond referendum – District 4. District 4 (PK)

Background and Justification: On November 5, 2002, a bond referendum was passed by the voters of Palm Beach County in the amount of \$50 Million for the issuance of general obligation bonds for the purpose of financing the acquisition, construction of, and/or improvements to certain recreation and cultural facilities. This project represents one such recreational/cultural project on the proposed project list, as amended by the Board on February 27, 2007.

The Boynton Woman's Club building was constructed in 1926 and was renovated in the 1980's, when the current roof was put on. In 2005, Hurricane Wilma did extensive damage to the roof, which now needs replacement. The replacement tile is pan and barrel, consistent with the original tile and appropriate for the building's historical designation. The \$75,000 from the County Bond funding will be supplemented by \$14,700 provided by the Boynton Woman's Club, Inc. for a total project cost of \$89,700.

The Agreement has been executed by the Boynton Woman's Club, Inc., and now needs to be approved by the Board of County Commissioners.

NOW, THEREFORE, in consideration of the mutual covenants, promises and representations contained herein, the parties hereto agree as follows:

ARTICLE 1: GENERAL

Section 1.01 The foregoing recitals are true and correct and are incorporated herein as if fully set forth.

AGENCY recognizes that COUNTY's funding of the Project is being paid from the proceeds of tax-exempt bonds issued by COUNTY. AGENCY agrees to provide COUNTY with a certification, in a form acceptable to COUNTY, from AGENCY's chief financial officer or independent accountant that each cost item for which COUNTY funding is requested under Article 3 of this Agreement constitutes a capital expenditure. In that regard, an item is considered a capital expenditure where the item has a useful life and benefit beyond one year or extends the Project's use beyond one year.

Section 1.04 AGENCY agrees to provide funding in an amount of \$14,700 or greater to complete the Project. The parties agree that COUNTY shall provide its portion of the funding only after AGENCY has expended \$14,700.

Section 1.05 COUNTY's representative during the design and construction of the Project shall be the Director of Parks and Recreation, Palm Beach County Parks and Recreation Department, telephone no. Should the total cost of the Project exceed the amount as projected by AGENCY, AGENCY shall obtain and expend the excess funds required for completion of the Project. COUNTY shall not dispense any funds to AGENCY for the Project until AGENCY has obtained and expended said excess funds for the Project.

Section 3.02 COUNTY shall reimburse project costs under the terms of this Agreement to AGENCY on a quarterly basis from the date of execution of this Agreement; however, should the need arise for AGENCY to be reimbursed on a more frequent basis, then COUNTY will, at AGENCY's specific request for each instance, make its best efforts to reimburse AGENCY within forty five (45) days of such special request. Section 3.06 For construction projects fully funded by COUNTY, no more than 10% of COUNTY's funding for the project shall be used for design and engineering costs for the project and be eligible for reimbursement under this Agreement. For construction projects not fully funded by COUNTY, all design and engineering costs associated with the project shall be borne by AGENCY, and will not be eligible for reimbursement from COUNTY.

THE BOYNTON WOMAN'S CLUB RE-ROOFING PROJECT

The project shall consist of the replacement of the current roof of the historic Boynton Woman's Club, Inc. We are a non-profit 501©3 organization and have been the owners of this building since it was constructed in 1926. It has been open to the public since then.

During the renovation in the 1980's, the current roof was put on. Hurricane Wilma in 2005 did extensive damage to the roof, and excessive costs for repair and the age of the roof determined the need to replace it.

The replacement tile will be the pan and barrel which is consistent with the original tile and appropriate for the historical designation.
