THIS SUMMARY IS NOT TO BE USED AS A BASIS FOR PAYMENT.

Background and Justification (continued):

Mizner Trail Golf Club, Ltd. filed a lawsuit against the County, alleging that the County's denial of its development order amendment violated numerous provisions of the United States and Florida Constitutions. The second amended complaint alleges 20 counts against the County, including claims for inverse condemnation, State and Federal facial and as-applied constitutional challenges to the County's Uniform Land Development Code, and State and Federal substantive and procedural due process and equal protection violation claims. Mizner Trail Golf Club, Ltd. contends that its damages exceed \$38.5 million. Based upon the complexity of the litigation and the amount of damages being sought, staff believes it is reasonable and necessary to retain expert witnesses to assist the County Attorney's Office in defending the Mizner litigation.
