I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: **A)** acceptance of the designation of Palm Beach County as The Community Transportation Coordinator as defined in Chapter 427, Florida Statutes; and **B)** a Memorandum of Agreement (MOA) with the State of Florida Commission for the Transportation Disadvantaged to serve as the designated Community Transportation Coordinator for the period of October 1, 2007 through June 30, 2012.

Summary: Since 1999 the Palm Beach County Board of County Commissioners (BCC), doing business as Palm Tran, has been the designated Community Transportation Coordinator (CTC) for Palm Beach County. It has fulfilled the responsibilities as required to coordinate transportation disadvantaged services in the most cost effective and efficient manner. Palm Tran Connection has assumed responsibilities for the implementation, scheduling, and monitoring of the paratransit transportation of seniors, individuals with disabilities and the transportation disadvantaged. In light of these efforts, the Metropolitan Planning Organization (MPO) Board recommended Palm Beach County as the CTC. The Commission for the Transportation Disadvantaged (CTD) approved the designation subject to acceptance by the BCC and approval of the CTD Board on August 6, 2007. The proposed designation is effective October 1, 2007 through June 30, 2012. Countywide (DR)

Background and Justification: Chapter 427, Florida Statutes and Chapter 41-2, Florida Administrative Code, specify the requirements for transportation disadvantaged services in each county. Transportation disadvantaged is defined as: those persons who because of physical or mental disability, income status, or age are unable to transport themselves or to purchase transportation for work, shopping, religious and social activities, voting or other life-sustaining activities, or children who are handicapped or high-risk or at-risk. To ensure that TD services are provided in the most cost-effective manner, each County's MPO must recommend a CTC, which may be another governmental agency or a private for-profit or not-for-profit entity, subject to approval by the CTD. Once designated, each CTC must enter into a MOA with the CTD. (Continued Pg. 3)

(Continued from page 1) The MOA, along with an annual service plan, which must also be submitted by the CTC for approval by the CTD, govern how the CTC will provide services using funds from the State Transportation Disadvantaged Trust Fund. In addition to developing an annual service plan for how the TD program will be administered within its County, the CTC is responsible for all aspects of service planning, delivery, administration, monitoring, and coordination with other programs. Within Palm Beach County, the BCC has been the CTC since 1999, during which the TD program has expanded to provide a wide array of transportation services to the transportation disadvantaged, including trips on Palm Tran buses, door-to-door services on Palm Tran Connection, and shared-ride services provided by Coordinated Contract agencies to their clients. Palm Tran has worked tirelessly to ensure that these services are coordinated with similar services provided by other agencies to maximize cost-effectiveness and eliminate duplication.

The primary reason for the MPO's recommendation to designate the BCC as the CTC for Palm Beach County is that Palm Tran, as the County's primary provider of fixed-route bus and specialized door-to-door transportation, is singularly qualified to continue to increase service efficiency and effectiveness through the maximization of the fixed-route service. Palm Tran is committed to increasing service efficiency and effectiveness.

STATE OF FLORIDA
COMMISSION FOR THE TRANSPORTATION DISADVANTAGED
MEMORANDUM OF AGREEMENT

This Memorandum of Agreement is between the COMMISSION FOR THE TRANSPORTATION DISADVANTAGED, hereby referred to as the "Commission," and

Palm Beach County Board of County Commissioners, d/b/a Palm Tran, Inc., 3201 Electronics Way, West Palm Beach, Florida 33407

the COMMUNITY TRANSPORTATION COORDINATOR, designated pursuant to Chapter 427, F.S., to serve the transportation disadvantaged for the community that includes the entire area of

Palm Beach county(ies), and hereafter referred to as the "Coordinator."

This Agreement is made in consideration of the mutual benefits to both parties; said consideration acknowledged hereto by the parties as good and valuable consideration.

The Parties Agree:

I. The Coordinator Shall:

- A. Become and remain totally apprised of all of the Transportation Disadvantaged resources available or planned in their designated service area. This knowledge will be used to plan, coordinate, and implement the most cost effective transportation disadvantaged transit system possible under the economic and other conditions that exist in the designated service area.
- B. Plan and work with Community Transportation Coordinators in adjacent and other areas of the state to coordinate the provision of community trips that might be handled at a lower overall cost to the community by another Coordinator. This includes honoring any Commission-approved statewide certification program that allows for intercounty transportation opportunities.
- C. Arrange for all services in accordance with Chapter 427, Florida Statutes, and Rule 41-2, FAC, and as further required by the Commission and the local Coordinating Board approved Transportation Disadvantaged Service Plan.
- D. Return any acquired profits or surplus funds originating through the course of business as the Coordinator that are beyond the amounts(s) specifically identified and approved in the accompanying Transportation Disadvantaged Service Plan. Such profits or funds shall be returned to the Coordinator's transportation system or to any subsequent Coordinator, as a total transportation system subsidy, to be applied to the immediate following operational year. The Coordinator will include similar language in all coordination contracts to assure that transportation disadvantaged related revenues are put back into transportation disadvantaged services.
- E. Accomplish this Project by:

1. Developing a Transportation Disadvantaged Service Plan for approval by the local Coordinating Board and the Commission. Coordinators who are newly designated to a particular service area shall submit a local Coordinating Board approved Transportation Disadvantaged Service Plan, within 120 calendar days following the execution of the Coordinator's initial memorandum of agreement with the Commission, for approval by the Commission. All subsequent Transportation Disadvantaged Service Plans shall be submitted and approved with the corresponding memorandum of agreement. The approved Transportation Disadvantaged Service Plan will be implemented and monitored to provide for community-wide transportation services for purchase by non-sponsored transportation disadvantaged persons, contracting social service agencies, and other entities that use local, state, or federal government funds for the purchase of transportation for the transportation disadvantaged.
 2.  3. Providing or arranging 24-hour, 7-day per week transportation disadvantaged service as required in the designated service area by any Federal, State or Local Government agency sponsoring such services. The provision of said services shall be furnished in accordance with the prior notification requirements identified in the local Coordinating Board and Commission approved Transportation Disadvantaged Service Plan.
 4. Complying with all local, state, and federal laws and regulations that apply to the provision of transportation disadvantaged services.
 5. Submitting to the Commission an Annual Operating Report detailing demographic, operational, and financial data regarding coordination activities in the designated service area. The report shall be prepared on forms provided by the Commission and according to the instructions of said forms.
- F. Comply with Audit and Record Keeping Requirements by:
1. Utilizing the Commission recognized Chart of Accounts defined in the *Transportation Accounting Consortium Model Uniform Accounting System for Rural and Specialized Transportation Providers* (uniform accounting system) for all transportation disadvantaged accounting and reporting purposes. Community Transportation Coordinators with existing and equivalent accounting systems are not required to adopt the Chart of Accounts in lieu of their existing Chart of Accounts but shall prepare all reports, invoices, and fiscal documents relating to the transportation disadvantaged functions and activities using the chart of accounts and accounting definitions as outlined in the above referenced manual.
 2. Assuming the responsibility of invoicing for any transportation services arranged, unless otherwise stipulated by a purchase of service contract or coordination contract.

3. Maintaining and filing with the Commission, local Coordinating Board, and all purchasing agencies/entities such progress, fiscal, inventory, and other reports as those entities may require during the period of this Agreement.
 4. Providing copies of finance and compliance audits to the Commission and local Coordinating Board as requested by the Commission or local Coordinating Board.
 5. Reporting accidents involving a vehicle operated within the coordinated transportation system in the coordinator's designated service area. Accidents involving a fatality or fatalities must be reported to the Commission not more than 24 hours after the community transportation coordinator becomes aware of the fatal accident. Any other accident, those not involving a fatality or fatalities, with over \$1,000 in property damages, or personal injury that requires evacuation to a medical facility or a combination of both, must be reported to the Commission not more than 72 hours after the community transportation coordinator becomes aware of the accident. Copies of any accident report or reports prepared or received by the community transportation coordinator as a result of any accident must be sent to the Commission upon receipt or preparation of the report.
- G. Retain all financial records, supporting documents, statistical records, and any other documents pertinent to this Agreement for a period of five (5) years after termination of this Agreement. If an audit has been initiated and audit findings have not been resolved at the end of five (5) years, the records shall be retained until resolution of the audit findings. The Coordinator shall assure that these records shall be subject to inspection, review, or audit at all reasonable times by persons duly authorized by the Commission or this Agreement. They shall have full access to and the right to examine any of the said records and documents during the retention period.

Upon the execution of this Agreement, the Coordinator shall add the Commission as an additional **named insured** to all insurance policies covering vehicles transporting the transportation disadvantaged. In the event of any cancellation or changes in the limits of liability in the insurance policy, the insurance agent or broker shall notify the Commission. The Coordinator shall insure that contracting transportation operators and

coordination contractors also maintain the same minimum liability insurance, or an equal governmental insurance program. Insurance coverage in excess of \$1 million per occurrence must be approved by the Commission and the local Coordinating Board before inclusion in the Transportation Disadvantaged Service Plan or in the justification of rates and fare structures. Such coverage may be provided by a self-insurance program established and operating under the laws of the State of Florida and written verification of insurance protection in accordance with Section 768.28, Florida Statutes, shall be provided to the Commission upon request.

- K. Protect Civil Rights by:
1. Complying with state and federal laws including but not limited to laws regarding discrimination on the basis of sex, race, religion, age, disability, sexual orientation, or national origin. The Coordinator gives this assurance in consideration of and for the purpose of obtaining federal grants, loans, contracts (except contracts of insurance or guaranty), property, discounts, or other federal financial assistance to programs or activities receiving or benefiting from federal financial assistance and agreeing to complete a Civil Rights Compliance Questionnaire if so requested by the Commission.
 2. Assure that all operators, subcontractors, subgrantee, or others with whom the Coordinator arranges to provide services or benefits to participants or employees in connection with any of its programs and activities are not discriminating against those participants or employees in violation of the above statutes, regulations, guidelines, and standards. In the event of failure to comply, the Coordinator agrees that the Commission may, at its discretion, seek a court order requiring compliance with the terms of this assurance or seek other appropriate judicial or administrative relief, to include assistance being terminated and further assistance being denied.
- L. To the extent allowed by Section 768.28, Florida Statutes, and only to the monetary and other limitations contained therein, indemnify and hold harmless the Commission and all of the Commission's members, officers, agents, and employees; purchasing agency/entity officers, agents, and employees; and the local, state, and federal governments from any claim, loss, damage, cost, charge or expense arising out of any act, action, neglect or omission by the Coordinator during the performance of this Agreement, whether direct or indirect, and whether to any person or property to which the Commission or said parties may be subject, except that neither the Coordinator nor any of its sub-contractors will be liable under this section for damages arising out of injury or damage to persons or property directly caused or resulting from the sole negligence of the Commission or any of its members, officers, agents or employees; purchasing agency/entity, officers, agents, and employees; and local, state, or federal governments. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency/entity or Coordinator to which sovereign immunity may be applicable. Nothing

herein shall be construed as consent by a state agency/entity or political subdivision of the State of Florida or the federal government to be sued by third parties in any matter arising out of any Agreement or contract. Notwithstanding the foregoing, pursuant to Section 768.28, Florida Statutes, no agency or subdivision of the state shall be required to indemnify, insure, or assume any liability for the Commission's negligence.
