SUMMARY: An amendment to the agreement with the State Attorney's Office is required for legal services in order to continue to assign four prosecutors to the COMBAT Unit serving three County Weed and Seed areas and for the Youth Violence Prevention and Gang Initiative. An amendment to the agreement with the Public Defender's Office is required to allow for continued contractual services for two positions in the Ex-Offender Re-Entry Program. Countywide (DW)

BACKGROUND AND JUSTIFICATION: The COMBAT Unit is a program to fund four prosecutors to handle crime cases in targeted gang areas, youth violence prevention zones as well as Weed and Seed areas. The ultimate goal of the program is to assist local citizens in taking control of their neighborhoods and restore safety and security. There will be a strategy and coordinated effort to address gang and violent crime in the community, prosecute criminal cases, revitalize neighborhoods and empower citizens in a particular neighborhood.

The Ex-Offender Re-Entry Program is a comprehensive program to provide services to county jail inmates in an effort to provide successful re-entry back into the community. The goal of the program is to reduce recidivism, reduce jail population, provide stable family relationships and reduce crime. Re-Entry counselors help by offering services and by keeping in contact with clients to ensure that they complete the stated goals of the program.
