I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: Additional State Housing Initiative Program (SHIP) funding in the amount of \$13,000 to Greicy Roldan, of the City of Lake Worth, to undertake an emergency rehabilitation project at her home, with a waiver to exceed the maximum funding amount of \$8,000 as established under the policies and procedures of the Emergency Rehabilitation Program.

Summary: On July 10, 2007, a bid for \$21,000 was received to perform work under the SHIP funded Emergency Rehabilitation Program at Ms. Roldan's house at 539 Sunrise Court in Lake Worth. Her home has older electrical wiring which has cloth type insulation that has deteriorated and that has fallen off the copper wire in some areas. This hazardous condition caused the wiring to the water heater to develop a short circuit causing smoke in the attic and resulting in a call to the fire department. The proposed scope of work includes rewiring the entire house to current codes, installing a new electrical service and panel, ground fault protection, arc fault protection, and patching and painting walls and ceilings in affected areas. Approval of this request will enable the HCD to address these hazardous conditions, without which this elderly lower income homeowner will continue to reside in conditions that do not meet applicable codes. The requested funds are SHIP funds that require no local match. (District 7) (TKF)

Background and Justification: The Policies and Procedure Manual for the Emergency Rehabilitation Program, allows for grants of up to \$8,000 to applicants who qualify for assistance. To qualify, an applicant must be a low/moderate income household that is an owner occupant of a property that consists of one dwelling unit located in unincorporated Palm Beach County or in a municipality having an interlocal agreement with Palm Beach County.

Funding is provided to qualified property owners for the purpose of upgrading their properties to meet applicable housing and building code standards with the aim of addressing emergency conditions present at these properties. Work on these properties may include roofing, electrical, plumbing, or structural repairs, among others.

Failure of any bidder to receive any such addendum or interpretation shall not relieve any bidder from any obligation under its bid as submitted. All addenda so issued shall become a part of the bid documents. Contractors shall verify that they have all addenda before submitting their bids.

2. SITE VISITS

Contractors or their designated representatives are requested to visit the property identified above to fully acquaint themselves with existing conditions there and with the work specified herein. Furthermore, bidder's shall pre-arrange such visit with the Property Owner(s) whose telephone number is provided above and in the attached Rehabilitation Specifications Analysis Report.

3. BID PRICES

No bids will be considered or accepted which, in the opinion of HCD contain inadequate or unreasonable prices for any item. Each item must carry its own proportion of the cost as nearly as is practicable. In bids where a discrepancy exists between the true and correct sum of itemized costs and the total cost (if any) provided by the Bidder, then the true and correct mathematical sum of the itemized costs shall prevail.

Any alteration, erasure, interlineation or failure to specify prices for all items in the bid shall render the bid informal. All prices quoted in the bids shall include all applicable sales taxes. Bids must be valid for ninety (90) days after the established bid opening date.

All prices quoted in all bids shall include all fees, royalties and claims for any invention, or pretended invention, or patent on any article, material, arrangement, appliance or method that may be used upon or in any manner be connected with the construction work intended under this Program. The General Contractor shall expressly bind itself to indemnify and save harmless the Property Owner(s) and Palm Beach County from all such claims and fees and from any and all suits and actions of every name and description that may be brought against said Property Owner(s) and County on account of any such claims, fees, royalties, or costs for any such invention or patent, and from any and all suits or actions that may be brought against said Property Owner(s) and Palm Beach County for the infringement of any and all patents or patent rights claimed by any person, firm or corporation. Furthermore, unless otherwise provided herein, the General Contractor shall pay sales, consumer, use, and other similar taxes which are legally enacted when proposals are received or negotiations concluded, whether or not yet effective or merely scheduled to go into effect, and shall secure and pay for the building permit and other permits and governmental fees, licenses and inspections necessary for proper execution and completion of the work specified herein.

4. SUBMISSION OF BIDS

Bids must be signed by a person duly authorized to do so, and in case signed by an employee or agent of the company the principal's properly written authorization providing signature authority on behalf of the company to such employee or agent must accompany the bid.

Palm Beach County
Department of Housing and Community Development
3323 Belvedere Road; Building 501
West Palm Beach, Florida 33406

Bids will be opened on the date and time specified above by the County employee whose duty is to open bids. Such employee will decide when the specified time has arrived and no bid received thereafter will be considered. Bid forms must be submitted in good order and with all blanks filled in using ink. Each bid must be enclosed in a sealed envelop which shall be clearly labeled with the words "Bid Documents" and marked with the project name, name of bidder, and date and time of bid opening.

5. WITHDRAWAL OR MODIFICATION OF BIDS

Bidders may correct their bids, and may withdraw inadvertently erroneous bids before or after bid opening. Mistakes discovered before bid opening may be modified or withdrawn by written notice from the bidder, signed in the same manner and by the same person who signed the submitted bid, and received in the office designated in the invitation for bids prior to the time set for bid opening. After bid opening, corrections or clarifications in bids shall be permitted only to the extent that the corrections do not materially affect the terms, conditions and specifications, and are subject to HCD's review and approval.

6. REJECTION OF BIDS

A bid will be considered irregular and may be rejected if it shows serious omissions, alterations in form, additions not called for, conditions or unauthorized alternates, or irregularities of any kind. HCD reserves the right to reject any or all bids and to waive such informality or technical errors as may be deemed best for the interests of HCD and the Property Owner(s). HCD further reserves the right to reject any bid if the evidence submitted by the bidder, or if the investigation of such bidder fails to satisfy that such bidder is properly qualified to carry out the obligations and to complete the work contemplated. Any or all bids will be rejected, if there is reason to believe that collusion exists among bidders.

7. CONTRACT AWARD

Upon close examination of all bids HCD will make a determination of the apparent low responsive and responsible bidder that best meets the terms, conditions and specifications which will result in the best interest of HCD and the Property Owner(s). Such a bidder shall be deemed to be the successful bidder for the work embraced by this bid, and issuance of a purchase order by Palm Beach County to such successful bidder will then be recommended by HCD to the County's Facilities Development and Operations Department, unless the Property Owner(s) elects to provide the additional funding necessary to select any otherwise responsive and responsible bidder in accord with HCD's policies and procedures.

Furthermore, HCD reserve the right to accept any or all items of an acceptable responsive bid. Should the bidder who is issued a purchase order fail to perform in a timely manner, then award may be rescinded and the purchase order issued to the next low responsive bidder who is selected by the HCD. Such bidder shall then fulfill every stipulation as if it were the original party to whom award was made.

8. INSURANCE

In conjunction with contract award and acceptance of the purchase order described in the preceding paragraph, the successful bidder shall maintain, on a primary basis, and at the successful bidder's sole expense, the insurance coverages, limits, and endorsements, described below during the term of the contract established through the issuance and acceptance of the purchase order for the work specified herein. As the successful bidder, you are advised that by accepting the purchase order you accept to immediately cease all work in the event of any lapse in insurance coverage. Furthermore, you are advised that any interruption of work due to a lapse in insurance coverage shall not cause an extension of the purchase order delivery date.

As the successful bidder, you are advised that the requirements contained herein, as well as Palm Beach County's review or receipt of insurance maintained by you are not intended to and shall not in any manner limit or qualify the liabilities and obligations assumed by you under a contract made in connection with this Program. The successful bidder shall provide Palm Beach County with a certificate of insurance that complies with the following:

- A. **NAME OF INSURED:** The successful bidder's name appearing on the certificate as the insured must match the name on the successful bidder's license to perform construction work.

B. INSURANCE COVERAGES: The certificate of insurance shall contain coverages, limits, and endorsements that are in full force and effect as follows:

1. Commercial General Liability:

Commercial General Liability at a limit of liability not less than \$300,000 each occurrence. Coverage shall not include any endorsements excluding contractual liability, products/completed operations liability, or cross liability.

2. Business Automobile Liability:

Business Automobile Liability at a limit of liability not less than \$300,000 each occurrence, for owned, non-owned, and hired auto liability. If you do not own any automobiles, you must maintain Business Automobile Liability at a limit of liability not less than \$300,000 each occurrence, for non-owned, and hired auto liability, which may be satisfied by way of an endorsement to the Commercial General Liability, or by a separate Business Automobile Liability policy.

3. Worker's Compensation and Employer's Liability Insurance:

Worker's Compensation and Employers Liability insurance at the Florida statutory limits.

C. ADDITIONAL INSURED: The certificate of insurance shall be endorsed to show Palm Beach County Board of County Commissioners as an additional insured as pertains to the commercial general liability coverage. The endorsement must either be a:

- CG 2010 Additional Insured - Owners, Contractors & Lessors endorsement
- CG 2026 Additional Insured - Designated Person or Organization endorsement
- or a similar endorsement

Please note that an insurance certificate which indicates that the County is a certificate holder does not meet this requirement. Being a certificate holder is not the same as being additional insured.

D. DELIVER AND NOTICES OF CANCELLATION: The certificate of insurance shall include a minimum thirty (30) day endeavor to notify Palm Beach County of any cancellation or non-renewal of coverage. Certificates of insurance and notices of cancellation shall be delivered to:

Housing & Community Development Department
3323 Belvedere Road, Building 501
West Palm Beach, FL. 33406

E. WAIVER OF SUBROGATION: By entering into a contract (by acceptance of a purchase order for the work specified herein) the successful bidder agrees to a Waiver of Subrogation for each policy required above. When required by your insurer, or should a policy condition not permit you to enter into a pre-loss agreement to waive subrogation without an endorsement, then you agree to notify your insurer and request that your policy be endorsed with a Waiver of Transfer of Rights of Recovery Against Others, or its equivalent. This Waiver of Subrogation requirement shall not apply to any policy which has a condition that specifically prohibits such an endorsement, or one that voids your coverage should you enter into such an agreement on a pre-loss basis.

- F. RIGHT TO REVIEW:** Palm Beach County reserves the right to review, modify, or amend any required coverages, limits, and endorsements during the life of a contract (purchase order) under this Program. Palm Beach County reserves the right, but not the obligation, to review and reject any insurer providing coverage on your behalf because of the insurer's poor financial condition or due to the insurer's failure to operate legally in the State of Florida.

- Section 109 of the Housing and Community Development Act of 1974; and
- Section 504 of the Rehabilitation Act of 1973, as amended; and
- The Age Discrimination Act of 1975;

Failure to list verbatim or make reference to a local, state or federal regulation herein, or any attachment thereto, shall not relieve the parties of compliance with any appropriate regulation if determined by HCD or the United States Department of Housing and Urban Development as applicable to this Program.

In particular, in regard to the aforesaid Section 3, the contractor, by signing below agrees to the following requirements if selected as the successful bidder and issued a purchase order by Palm Beach County. These requirements are incorporated by reference in any such purchase order as follows:

- A. The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U. S.C. 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities

generated by HUD assistance or HUD-assisted projects covered by Section 3, shall to the greatest extent feasible, be directed to low-and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

B. The parties to this contract agree to comply with HUD's requirements in 24 CFR Part 135, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the Part 135 regulations.

C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers representative of the contractor's commitment under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

D. The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR Part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR Part 135.

E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR Part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR Part 135.

F. Noncompliance with HUD's regulations in 24 CFR Part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

In addition, the undersigned General Contractor certifies that it is not, nor are any of its officers, partners, owners or parties of interest named on the current General Services Administration List of Parties Excluded from Federal Procurement or Nonprocurement Programs, and agrees to provide a sworn statement to this effect when requested by HCD.

To the fullest extent permitted by law, the General Contractor shall indemnify and hold harmless the Property Owner and County from and against claims, damages, losses and expenses, including but not limited to attorneys' fees, arising out of or resulting from performance of the work specified herein, provided that such claim, damage, loss or expense is attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property (other than the work itself) including loss of use resulting therefrom, to the extent caused in whole or in part by negligent acts or omissions of the General Contractor, a subcontractor, anyone directly or indirectly employed by them or anyone for whose acts they may be liable, regardless of whether or not such claim, damage, loss or expense is caused in part by a party indemnified hereunder. Such obligation shall be construed to negate, abridge, or reduce other rights or obligations of indemnity which would otherwise exist as to a party or person described in this paragraph.

Claims against any person or entity indemnified under the previous paragraph by an employee of the General Contractor, a subcontractor, anyone directly or indirectly employed by them or anyone for whose acts they may be liable, the indemnification obligation shall not be limited by a limitation on amount or type of damages, compensation or benefits payable by or for the General Contractor or a subcontractor under workers compensation acts, disability benefit acts or other employee benefit acts.

Furthermore, the undersigned General Contractor certifies that he/she has not divulged to, discussed, or compared its bid with other bidders, and has not colluded with any other bidder or parties to this bid whatsoever. The undersigned also agrees to provide a sworn statement to this effect if requested.

The undersigned General Contractor certifies that no portion of the sum of the bid will be paid to any employee of Palm Beach County or the owner, as a commission, kickback, reward or gift directly or indirectly by any member of the firm or by any officer of the corporation.

By signing below, the bidder (General Contractor) certifies that he or she understands and will comply with all the terms, conditions and specifications as contained and made reference to in this proposal as well as any attachments thereto.

NOTE:

If the General Contractor, as the successful bidder, fails to complete the work within the thirty (30) days provided for in the purchase order, and if the General Contractor has not secured a time extension from HCD, the General Contractor shall then automatically be removed from the Emergency Rehabilitation Program bid solicitation list, and from participation in this Program for a period of twelve (12) months. If, at the end of the twelve (12) month period, the General Contractor wishes to participate in the Program, the General Contractor must make application to, and be approved by HCD for inclusion on the bid solicitation list. Any General Contractor who is reinstated will be limited to the award of two (2) concurrent projects during the twelve (12) months following the reinstatement.
