Motion & Title: Staff recommends motion to approve a Business Incubation Program Grant Agreement with the Center for Technology Enterprise & Development, Inc. (TED Center) in the amount of \$88,000 from October 1, 2007 to September 30, 2008.

Summary: The proposed \$88,000 Incubation Program Grant Agreement with the TED Center will provide for operational expenses for the Center to assist start-up and existing businesses and to improve the services offered to the business community. The scope of services outlined for the FY 2008 contract include: Reporting the Return on Investment, creating 20 new businesses and 25 new full-time jobs, providing technical assistance to 180 businesses/entrepreneurs, generating \$20,000 in revenue from operations, and signing 50 new incubation agreements with clients. The TED Center is expected to meet or exceed contractual deadlines by the end of FY 07. The TED Center is located in Delray Beach, and targets southern PBC. Countywide (DW)

Background and Policy Issues: The Palm Beach County Business Incubation Program was initiated in 1994 through the creation of one business incubator center. By 1999, the program had four centers, of which three are classified as empowerment incubators and one as a technology incubator. The Program provides services to small start-up and existing businesses. The overall program outcome in the first three quarters of FY 07 shows that the four business incubators provided assistance to 832 clients; created 104 new full-time equivalent jobs and contributed toward retaining 238 jobs; assisted creating 35 new businesses; accepted 7 new tenants; signed 218 new incubation agreements with local businesses/entrepreneurs; and assisted clients obtaining \$1,785,228 in grants/loans/contracts and \$5,650,000 in investments.
