and to accept as full compensation for the satisfactory performance of this Contract the sum of **Two Hundred Forty Four Thousand Six Hundred Five and 00/100 Dollars (\$ 244,605.00)** for **Expansion Joint Rehabilitation at Palm Beach International Airport**.

The prices named in the Bid are for the completed work, and include the furnishing of all materials and all labor, tools, and appliances and all expense, direct or indirect, connected with the proper execution of the work and of maintaining the same until it is accepted by the Board of County Commissioners.

Time/Liquidated Damages

Time is of the essence. The Contractor shall commence the work to be performed under this Contract on the date set by the Owner in the written notice to proceed, continue the work with due diligence and shall complete the entire work per Attachment No. 2 to the Bid Form. Further, in the event interim milestone completion dates are established in Attachment No. 2 of the Bid Form for separable portions of the work, the Contractor agrees to complete said separable portions of the work in accordance with said milestone dates.

In case of failure on the part of the Contractor to complete the work within the time(s) specified in the Contract, or within such additional time(s) as may be granted by formal action of the Board of County Commissioners or fails to prosecute the work, or any separable part thereof, with such diligence as will insure its completion within the time(s) specified in the Contract or any extensions thereof, Owner will suffer damage, the amount of which is difficult, if not impossible to ascertain. Therefore, the Contractor shall pay to the Owner, as liquidated damages, the amounts indicated in the Milestone and Damages Data (Attachment #2 of the Bid Form) for each calendar day of delay that actual completion extends beyond the time limits specified in said Attachment until such reasonable time as may be required for final completion of work. In no way shall costs for liquidated damages be construed as a penalty on the Contractor.

Liquidated damages due to the Owner may be deducted from payments due to the Contractor, or may be collected from the Contractor or its surety or sureties. These provisions for liquidated damages shall not prevent the Owner, in case of the Contractor's default, from terminating the Contractor's right to proceed as provided in General Provision section 80-09 "Default and Termination of Contract".

Utilization of Small Business Enterprises

It is the policy of the Board of County Commissioners of Palm Beach County, Florida, that SBE(s) have the maximum practical opportunity to participate in the competitive process of supplying goods, services and construction to the County. To that end the Board of County Commissioners established Ordinance No. 2002-064, which sets forth the County's requirements for the SBE program, and are incorporated in this solicitation. Compliance with the requirements contained in this section shall result in a bidder being deemed responsive to SBE requirements. The provisions of this ordinance are applicable to this solicitation, and shall have precedence over the provisions of this solicitation in the event of a conflict.

Convicted Vendor List

As provided in F.S. 287.132-133, by entering into this contract or performing any work in furtherance hereof, the contractor certifies that it, its affiliates, suppliers, subcontractors and consultants who will perform hereunder, have not been placed on the Convicted Vendor List maintained by the State of Florida Department of Management Services within the 36 months immediately preceding the date hereof. This notice is required by F.S. 287.133 (3) (a).

IN WITNESS WHEREOF, the Board of County Commissioners of Palm Beach County, Florida, has made and executed this Contract on behalf of the said Owner and caused the seal of the said Owner to be affixed hereto, and the Contractor has hereunto set his hand and seal the day and year above written.

Subject: **PB 07-06: Palm Beach International Airport Expansion Joint Rehabilitation Bid Tabulation, Review and Recommendation**

Dear Mr. Sypek,

As requested, THE LPA GROUP INCORPORATED has reviewed the bids submitted on July 17, 2007 for the subject project. Our review entailed the tabulation of prices bid by each of the bidders for the various items of work listed in Attachment No. 1 of the bid forms. A copy of the tabulation is attached. In addition, we confirmed that all attachments to the bid form were completed and included as part of the bid submittal.

In total, two (2) bids were received for this project. The bidders and the confirmed total amount bid by each bidder are listed below:

	<u>Aduddell Industries, 10150 Highland Manor Dr., Suite 200/ Tampa, FL 33610/ 813.314.2226</u>	<u>Slagter Construction/ 1326 142nd Ave/ Wayland, MI 49348/ 616.877.0020</u>	<u>Engineer's Estimate</u>
TOTAL BASE BID:	\$244,605.00	\$263,250.00	\$328,750.00

Aduddell Industries (dba Aduddell Roofing & Sheet Metal Inc) provided the lowest bid totaling \$244,605.00. Their direct participation for this project is listed as 100%. They also submitted the required documentation in support of their bid. Their resume of prior projects is supportive of their experience with this type of work.

Aduddell Industries is licensed in the state of Florida as a Roofing Contractor, which has the following definition (FL Statute 489.105). This type of work is considered waterproofing.

"Roofing contractor" means a contractor whose services are unlimited in the roofing trade and who has the experience, knowledge, and skill to install, maintain, repair, alter, extend, or design, when not prohibited by law, and use materials and items used in the installation, maintenance, extension, and alteration of all kinds of roofing, waterproofing, and coating, except when coating is not represented to protect, repair, waterproof, stop leaks, or extend the life of the roof.

Mr. Gary Sypek, Page 2

Based on the aforementioned facts, we recommend that a construction contract be awarded to **Aduddell Industries. for the Palm Beach International Airport Expansion Joint Rehabilitation for \$244,065.00**, contingent upon Palm Beach County Department of Airports Legal and Minority Affairs review, and availability of funds.

If you have any questions or if we can be of further assistance, please do not hesitate to contact us.

Sincerely,
THE LPA GROUP INCORPORATED
