**PART III**

COMPENSATION, TIME OF PERFORMANCE, METHOD, AND CONDITIONS OF PAYMENT

1. MAXIMUM COMPENSATION

The Municipality agrees to accept as full payment for services rendered pursuant to this Agreement the actual amount of budgeted, eligible, and HCD Director or designee-approved expenditures and encumbrances made by the Municipality under this Agreement, which shall not be unreasonably withheld. 3. METHOD OF PAYMENT

The County agrees to make payments and to reimburse the Municipality for all budgeted costs permitted by Federal, State, and County guidelines. The Municipality shall report its plan to utilize such income to HCD, and said plan shall require the prior written approval of the HCD Director or designee. Accounting and disbursement of such income shall comply with OMB Circular A-110 and other applicable regulations incorporated herein by reference.

In addition to the foregoing, Program Income, as defined by 24 CFR 570.500(a), may be retained by the Municipality. Program Income shall be utilized to undertake activities specified in Exhibit A of this Agreement, and all provisions of this Agreement shall apply to said activities. ### 6. DATA BECOMES COUNTY PROPERTY

All reports, plans, surveys, information, documents, maps, and other data procedures developed, prepared, assembled, or completed by the Municipality for the purpose of this Agreement shall be made available to the County by the Municipality at any time upon request by the County or HCD. Upon completion of all work contemplated under this Agreement copies of all documents and records relating to this Agreement shall be surrendered to HCD if requested. In any event the Municipality shall keep all documents and records for five (5) years after expiration of this Agreement.

### 7. INDEMNIFICATION

Each party to this Agreement shall be liable for its own actions and negligence and, to the extent permitted by law, the County shall indemnify, defend, and hold harmless the Municipality against any actions, claims, or damages arising out of the County's negligence in connection with this Agreement, and the Municipality shall indemnify, defend, and hold harmless the County against any actions, claims, or damages arising out of the Municipality's negligence in connection with this Agreement. The Municipality shall also hold the State harmless against all claims of whatever nature arising out of the Municipality's performance of work under this Agreement, to extent allowed and required by law. The foregoing indemnification shall not constitute a waiver of sovereign immunity beyond the limits set forth in Florida Statute, section 768.28, nor shall the same be construed to constitute agreement by either party to indemnify the other party for such other party's negligent, willful or intentional acts or omissions. The Municipality shall hold the County harmless and shall indemnify the County for funds which the County is obligated to refund the State or the Federal Government arising out of the conduct of activities and administration of the Municipality. The provisions of this indemnification clause shall survive the termination of this Agreement.

### 8. INSURANCE

Without waiving the right to sovereign immunity as provided by Florida Statute, Chapter 768.28, the Municipality reserves the right to self-insure for General Liability and Automobile Liability under Florida's sovereign immunity statute with coverage limits of \$100,000 Per Person and \$200,000 Per Occurrence; or such monetary waiver limits that may change and be set forth by the legislature. In the event the Municipality maintains Commercial General Liability or Business Auto Liability, the Municipality agrees to maintain said insurance policies at limits not less than \$100,000 Per Person and \$200,000 Per Occurrence. The Municipality agrees to endorse Palm Beach County Board of County Commissioners as an "Additional Insured" to the Commercial General Liability, but only with respect to negligence other than County's negligence arising out of this project or Agreement. **This paragraph does not apply to liability policies which afford only indemnity based claims-bill coverage.**

The Municipality agrees to maintain, or self-insure, Worker's Compensation & Employer's Liability insurance in accordance with Florida Statute, Chapter 440.

The Municipality agrees to provide a statement, or Certificate of Insurance, evidencing insurance or self-insurance for the above required coverages, which the Municipality shall deliver to HCD at its office at 160 Australian Avenue, Suite 500, West Palm Beach, Florida 33406. The Municipality agrees its self-insurance or insurance shall be primary as respects to any coverage afforded to or maintained by County.

The Municipality agrees compliance with the foregoing insurance requirements is not intended to nor construed to relieve the Municipality of its liability and obligations under this Agreement.

### 9. MAINTENANCE OF EFFORT

The intent and purpose of this Agreement is to increase the availability of the Municipality's services. This Agreement is not to substitute for or replace existing or planned projects or activities of the Municipality. The Municipality agrees to maintain a level of activities and expenditures, planned or existing, for projects similar to those being assisted under this Agreement which is not less than that level existing prior to this Agreement.

### 10. CONFLICT OF INTEREST

The Municipality covenants that no person who presently exercises any functions or responsibilities in connection with the Project, has any personal financial interest, direct or indirect, in the target areas or any parcels therein, which would conflict in any manner or degree with the performance of this Agreement and that no person having any conflict of interest shall be employed by or subcontracted by the Municipality. Any possible conflict of interest on the part of the Municipality or its employees shall be disclosed in writing to HCD provided, however, that this paragraph shall be interpreted in such a manner so as not to unreasonably impede the statutory requirement that maximum opportunity be provided for employment of and participation of low and moderate-income residents of the project area.

## TOWN OF JUPITER

The Municipality will include a reference to the financial support herein provided by HCD in all publications and publicity. In addition, the Municipality will make a good faith effort to recognize HCD's support for all activities made possible with funds made available under this Agreement.

**EXHIBIT A**  
**WORK PROGRAM NARRATIVE**

**I. THE MUNICIPALITY AGREES TO:**

- A. PROJECT OVERVIEW, MUNICIPALITY ASSURANCES, AND INDEMNIFICATIONS:** This project has two components that the Municipality wishes to undertake. One component includes improvements to the Seminole Avenue Stormwater Pump Station (to be funded by the Municipality), and the second component includes improvements to the 7th Street Stormwater Pump Station (to be funded through this Agreement).

The parties recognize that the Municipality has taken certain actions in connection with this project prior to the date of this Agreement including advertising for bids, receiving bids, reviewing bids, awarding a construction contract, and issuing a notice to proceed to the contractor for work on the Seminole Avenue Stormwater Pump Station only. The Municipality acknowledges that the contractor started work on the Seminole Avenue Stormwater Pump Station on February 5, 2007. The Municipality also acknowledges that the sequence of its actions described above having occurred prior to the date of this Agreement are not in the order prescribed in the County's aforesaid Contract with the State of Florida, Department of Community Affairs. As such, to enable the completion of the project, the Municipality shall cooperate with the County and the State in order to attempt to achieve compliance with the State's requirements, and with any other applicable regulation, statute, ordinance, reference, or other document affecting activities undertaken in connection with this Agreement. Furthermore, the Municipality understands that such compliance may not be attainable, and that funding under this Agreement may accordingly not be possible.

The Municipality assures the County that:

- For the purposes of this Agreement, the improvements to the Seminole Avenue Stormwater Pump Station and the improvements to the 7th Street Stormwater Pump Station shall be treated as two separate and distinct components of this project.
- It shall pay all costs associated with the improvements to the Seminole Avenue Stormwater Pump Station.
- None of the funds made available under this Agreement shall be paid for any expenses associated with the improvements to the Seminole Avenue Stormwater Pump Station.
- It has withheld issuance of a notice to proceed to the contractor for work on the 7th Street Stormwater Pump Station, and that it shall continue to do so until it is provided authorization by the County to issue such notice.
- It recognizes that the asbestos regulations/guidelines shown in Exhibit D herein are applicable to the type of work specified for both the Seminole Avenue Stormwater Pump Station and the 7th Street Stormwater Pump Station.
- It recognizes that due to the construction work having already been started by the contractor on the Seminole Avenue Stormwater Pump Station pursuant to the Municipality's notice to proceed, the opportunity to obtain an asbestos survey of the building components of said pump station in their preconstruction state has been missed.
- It recognizes that there is a possibility that asbestos containing building materials might have been detected were an asbestos survey conducted of the Seminole Avenue Stormwater Pump Station, and that if asbestos containing building materials had been detected, the workers of the contractor and its subcontractors might have been exposed to such asbestos containing building materials while building components were disturbed in the course of construction work on said pump station.
- It shall obtain an indemnification agreement from its contractor in a form acceptable to the County. Such agreement shall fully hold harmless, defend, and indemnify the Municipality and the County for any acts or omissions of the contractor which may result in any claims for damages and/or penalties. Such indemnification shall apply from the commencement of this project to the completion of this project and shall not be limited to the term of this Agreement.

- B. PROFESSIONAL SERVICES:** In connection with the 7th Street Stormwater Pump Station in the Town of Jupiter, the Municipality shall, at its own cost, retain the services of an engineering consultant for this project to provide design services to create plans and specifications for the below described work on said pump station. The consultant shall also prepare, obtain and review bids, prepare contract documents, inspect work in progress, recommend payment to contractor and provide other professional services customarily provided by similar professionals on this type of project. The consultant shall also coordinate the design and construction work with the asbestos abatement contractor, should such abatement become necessary on said pump station. The Municipality's engineering consultant for this project shall also provide the below described certification upon completion of the project.

NOTE 1: Cost Allocation - The total amount of \$482,350 funded through this Agreement shall be allocated as follows:

**An amount not to exceed \$482,350 for construction expenses associated with the 7th Street Stormwater Pump Station. The Municipality shall pay all construction costs which exceed the above stated amount.**

NOTE 2: The Municipality shall obtain, and pay for the cost of, an asbestos survey of all building materials/components to be disturbed in the course of work intended on the 7th Street Stormwater Pump Station. The Municipality shall assure that the entity that performs the survey as well as the method by which the survey is undertaken meet the requirements shown in Exhibit D herein. The Municipality shall provide such survey to the County for review, and the County shall then determine what actions shall be taken to comply with the asbestos regulations/guidelines shown in Exhibit D herein. The Municipality agrees to comply with the County's determination on this matter.

HCD shall notify the Municipality of the State's determination on this matter, and the Municipality shall comply with such determination. Should the Municipality not wish to comply with such determination, or should the State not provide its approval to continue the work, then this Agreement shall be null and void, the County's obligation hereunder to fund the project shall cease. The Municipality further agrees that HCD, in consultation with any parties it deems necessary, shall be the final arbiter on the Municipality's compliance with the above.

- D. **FORMER PROJECTS:** The Municipality shall maintain all previously completed CDBG funded projects. Failure to do so will result in forfeiture of future CDBG funds and will delay funding for ongoing activities.
- E. **WORK SCHEDULE:** The time frame for completion of the outlined activities shall be March 31, 2008.
- F. **REPORTS:** The Municipality shall submit to HCD detailed monthly and semi-annual reports as described below:

**SPECIAL CONDITIONS FOR DEMOLITION AND RENOVATION OF BUILDINGS**

The provisions of this part apply to all demolition and renovation work contemplated in this Agreement and described in Exhibit A of this Agreement.

**I. DEFINITIONS**

ACBM: Asbestos Containing Building Materials  
AHERA: Asbestos Hazard Emergency Response Act  
EPA: Environmental Protection Agency  
FLAC: Florida Licensed Asbestos Consultant  
HCD: Palm Beach County Department of Housing and Community Development  
NESHAP: National Emission Standards for Hazardous Air Pollutants  
NRCA: National Roofing Contractors Association  
NVLAP: National Voluntary Laboratory Accreditation Program  
OSHA: Occupational Health and Safety Administration  
PBCAC: Palm Beach County Asbestos Coordinator (in Risk Management)  
TEM: transmission electron microscopy

**II. ASBESTOS SURVEYS**

All properties scheduled for renovation or demolition are required to have a comprehensive asbestos survey conducted by a Florida Licensed Asbestos Consultant (FLAC). The survey shall be conducted in accordance with AHERA guidelines. Analysis must be performed by a NVLAP accredited laboratory.

For Renovation Projects (projects which will be reoccupied):

- Point counting must be done for all asbestos containing building materials (ACBM) indicating less than 1% asbestos (to determine if any asbestos is present).
- Samples of vinyl floor tile indicating asbestos not detected must be confirmed by transmission electron microscopy (TEM).
- Joint compound shall be analyzed as a separate layer.
- Roofing material shall be sampled only if a renovation requires the roof to be disturbed (in lieu of sampling the roof, it may be presumed to contain asbestos).

For Demolition Projects:

- Point counting must be done for all "friable" asbestos containing building materials (ACBM), indicating less than 1% asbestos. This includes joint compounds (to be analyzed as a separate layer), and vinyl asbestos tile.
- Roof materials shall be presumed to be asbestos containing.

If the Municipality has a recent asbestos survey report prepared by a licensed asbestos consultant, a copy may be provided to HCD and PBCAC for review to determine if the survey is adequate to proceed with renovation/demolition work. If no survey is available, a survey may be initiated by the Municipality or requested by HCD. A copy of the completed survey will be forwarded to the Municipality. All asbestos survey's shall be forwarded to the PBCAC.

**III. ASBESTOS ABATEMENT**

- (a) Prior to a renovation, all asbestos containing materials that will be disturbed during the renovation, must be removed by a Florida Licensed Asbestos Contractor under the direction of a FLAC. Exceptions may be granted by HCD prior to the removal, (such as asbestos containing roofs, transite pipe). The Municipality must obtain approval for all exceptions from HCD. HCD will request the PBCAC to review and approve all exceptions.
- (b) Asbestos Abatement work may be contracted by the Municipality or by HCD upon request.
- (c) If the Municipality contracts the asbestos abatement, the following documents are required to be provided to the HCD and the PBCAC.
  1. An Asbestos Abatement Specification (Work Plan), sealed by an FLAC.
  2. Pre and Post Job submittals, reviewed and signed by the FLAC.
