The term of the Lease shall commence upon execution and extend until the expiration or termination of the LESA. No improvements were required for occupancy by the Sheriff. The annual rent is \$1.00 per year. (FD&O Admin) District 6 (JB)

The term of this Lease shall commence on the date of full execution of this Lease (the "Effective Date"), and shall extend until the expiration or termination of the LESA (the "Term"), unless sooner terminated pursuant to the provisions of this Lease.

**ARTICLE III
CONDUCT OF BUSINESS AND USE OF PREMISES BY COUNTY**

Section 3.01 Use of Premises.

The Premises shall be used for the establishment and operation of a Palm Beach County Sheriff's substation which includes administrative, communications and related support space for sworn and civilian personnel. Landlord acknowledges that the Premises will be open to the public. County shall not use, permit, or suffer the use of the Premises for

County's obligations under this Lease are contingent upon such use of the Premises being in compliance with all applicable zoning laws, rules, and regulations affecting the Premises.

Section 3.02 Conduct.

County shall not commit waste upon the Premises, nor maintain, commit, or permit the maintenance or commission of a nuisance thereon, or use the Premises for any unlawful purpose. County acknowledges that its employees and the Premises shall, throughout the Term of this Lease, be in full compliance with all federal, state, county, and local statutes, laws, rules, and regulations respecting the use and occupancy of the Premises, provided County shall not be required to make alterations, additions, or improvements to the Building in order to conform therewith.

Landlord shall not be obligated or required to perform any improvements whatsoever to the Premises.

Section 4.02 County's Work.

County agrees and acknowledges that all County's Alterations installed on the Premises by County, whether pursuant to this Section or otherwise, shall be performed and accomplished solely for the benefit and convenience of County, and not for the benefit of Landlord, such Alterations being nevertheless subject to each and every provision of this Lease. Any Alterations to the Premises shall require the prior written approval of Landlord in each instance, which approval shall not be unreasonably withheld. County shall submit plans and specifications for

all such Alterations to Landlord for Landlord's written approval prior to County commencing work on same. Landlord shall provide written response within thirty (30) days after receipt of request thereto by County, failing which Landlord shall be deemed to have consented to such plans and specifications. All work done by County in connection with any Alterations, repairs, and maintenance on the Premises shall be properly permitted and done in a good and workmanlike manner. Any permit applications for Alterations on the Premises shall be accompanied by the Landlord's consent.

ARTICLE V REPAIRS AND MAINTENANCE OF PREMISES

Section 5.01 Responsibility of Landlord.

(a) Landlord shall maintain the Premises and all portions thereof (interior and exterior) in good repair and tenable condition during the Term of this Lease, except in the case of damage arising from any act of negligence of County, including: interior walls and partitions, interior painting, HVAC maintenance and routine repair, exterior windows, floor coverings, doors, janitorial services, telephones, television, ceiling tile, electrical fixtures, light bulbs and fluorescent tubes, plumbing and plumbing fixtures, clearing drain and commode blockages, and interior pest control. The Landlord shall provide the County with the name, phone number and reporting procedures (if any) for requesting maintenance services. Landlord shall promptly repair any item on the Premises required to be repaired by Landlord under this Lease within a reasonable time, but in no event later than thirty (30) days; provided, however, that if the nature of the repair is such that more than thirty (30) days are required for performance, then Landlord shall be entitled to a reasonable period of time under the circumstances in which to perform said repair provided that Landlord diligently proceeds with the repair and that the Landlord has provided the County a written plan with time frames for prosecution of the work within the 30 days. If Landlord shall fail to complete any repair within the time frames hereinabove, County may complete such repairs and Landlord shall reimburse County for all expenses incurred by County in doing so. Landlord shall be solely responsible for any equipment replacement (exclusive of County provided and owned equipment) required as a result of failure, age, or any other reason other than a negligent or intentional act of County.

(b) Landlord shall be responsible for all costs and expenses to ensure that the Building and Premises adheres to the most current version of the American Society of Heating, Refrigeration and Air-conditioning Engineers' ("ASHRAE") Standards on ventilation for acceptable indoor air quality throughout the Term of this Lease. Should building sickness symptoms materialize subsequent to the Commencement Date, Landlord shall perform at its sole cost and expense necessary air quality and environmental testing of the heating, ventilation and air-conditioning ("HVAC") system servicing the Building and Premises by a certified and licensed environmental company within thirty (30) days of the County's written notice of any adverse conditions, subject to the availability of such certified

and licensed technicians. Landlord shall provide County with a copy of all such testing reports. If any such testing report reveals that the HVAC system fails to comply with the ASHRAE Standards and/or does not provide a healthy indoor air environment as required by applicable laws and regulations, Landlord shall remedy such non-compliance with due diligence at its sole cost and expense. Landlord's failure to perform its obligations pursuant to this Section 5.01 shall constitute a Default by Landlord as provided in Section 10.02 of this Lease.

Section 5.02 Responsibility of County.

County shall be solely responsible for the maintenance, repair and replacement of any equipment installed or owned by the County, at its sole cost and expense. County shall have no obligation to make modifications to the Premises required by law, except if such modification is required due solely to the use of the Premises as a Sheriff's substation.

Section 5.03 Hazardous Substance Indemnification by Landlord.

Landlord hereby represents and warrants to County that there is not located in, on, upon, over, or under the Premises: (i) asbestos in any form; (ii) urea formaldehyde foam insulation; (iii) polychlorinated biphenyls; or (iv) any other chemical, material, or substance which is prohibited, limited, or regulated by federal, state, county, regional, or local authority. If said substance(s) exist, Landlord shall promptly remove said substance(s) at Landlord's sole cost and expense. County shall be fully responsible for any pollutants, odors, vapors, chemicals, and the like emitted by County's own furniture, fixtures, office machines, and equipment.

**ARTICLE VI
LIABILITY AND INSURANCE**

Section 6.01 Liability.

Each party acknowledges the waiver of sovereign immunity for liability in tort contained in Florida Statutes Section 768.28 and acknowledges that such statute permits actions at law to recover damages in tort for monetary damages up to the limits set forth in such statute for death, personal injury or damage caused by the negligent or wrongful acts or omissions of an employee acting within the scope of the employee's office or employment. The parties agree to be responsible for all such claims and damages, to the extent and limits provided in Florida Statutes Section 768.28, arising from the actions of their respective employees. The parties acknowledge that the foregoing shall not constitute an agreement by either party to indemnify the other, nor a waiver of sovereign immunity, nor a waiver of any defense the parties may have under such statute, nor as consent to be sued by third parties.

Section 6.02 Liability Insurance.

County shall, during the entire Term hereof, provide Landlord with a certificate evidencing self-insurance coverage for comprehensive general liability in the amount of One Hundred Thousand Dollars (\$100,000) per person and Two Hundred Thousand Dollars (\$200,000) per incident or occurrence and Workers' Compensation insurance covering all employees in accordance with Chapter 440 Florida Statutes. In the event the Legislature should change the County's exposure by Statute above or below the sums insured against, the County shall provide insurance to the extent of that exposure.

Section 6.03 Personal Property.

All of County's personal property placed or moved in the Premises shall be at the risk of the County or the owner thereof. Except as otherwise provided herein, Landlord shall not be liable for any damage to such personal property, except to the extent caused by the Landlord, its agents', or its employees' willful or negligent acts or omissions.

Section 6.04 Insurance by Landlord.

Landlord shall, during the entire Term hereof, provide County with either: (A) a certificate evidencing self-insurance coverage for comprehensive general liability in the amount of One Hundred Thousand Dollars (\$100,000) per person and Two Hundred Thousand Dollars (\$200,000) per incident or occurrence or such monetary limits as may be set forth by the legislature, or (B) a certificate evidencing third-party Commercial General Liability and Business Auto Liability at limits not less than \$500,000 combined single limit for bodily injury or property damage. Landlord shall maintain or self-insure for Worker's Compensation & Employer's Liability insurance in accordance with Florida Statute 440. Landlord shall maintain all-risk property insurance for adequate limits of coverage on the Premises and any improvements based on the full replacement cost calculation for the perils of fire, wind, and flood. Landlord shall be fully responsible for any deductible, uncovered loss, or self-insured retention under the all-risk property insurance.

**ARTICLE VII
DAMAGE OR DESTRUCTION OF PREMISES AND/OR
COUNTY'S ALTERATIONS**

In the event the Building and/or Premises shall be destroyed or so damaged or injured by fire or other casualty during the Term of this Lease, or any extension thereof, whereby the same shall be rendered untenable, in whole or in part, County shall have no responsibility for the restoration of the Premises and both the Landlord and County shall have the right to terminate this Lease, whereupon the parties shall be relieved of all further obligations hereunder occurring subsequent to the date of such casualty. Landlord and County each acknowledge and agree that should a casualty result in the termination or suspension of this Lease, that the parties will jointly develop an approach to providing facilities on a temporary or permanent basis and that the LESA will be modified by the parties accordingly. In the event County does not exercise its right to terminate this Lease due to any such casualty,

Landlord shall promptly commence restoration of the Building and diligently pursue such restoration to completion using materials of like kind and quality or better.

ARTICLE VIII UTILITIES AND SERVICES

Landlord shall provide water, sewer, electricity, gas, cable television and telephone utility service to the Premises boundary, at Landlord's sole cost and expense. Landlord shall be solely responsible for and promptly pay directly to the utility company or the provider of such service all charges or assessments for water, sewer, electricity, telephone, internet and trash collection and removal and any other utility used or consumed by County. Landlord shall not be liable for an interruption or failure in the supply of such service to the Premises resulting from a failure of the utility company to provide service to the Premises.

ARTICLE IX ASSIGNMENT AND SUBLETTING

County may not assign, mortgage, pledge, or encumber this Lease in whole or in part, nor sublet all or any portion of the Premises, without Landlord's prior written consent. In the event of an approved assignment, County shall be released from any further obligation hereunder. Any sale, mortgage, pledge, or encumbrance of the Property and/or Building by Landlord shall be subject to the terms of this Lease.

ARTICLE X DEFAULT

Section 10.01 Default by County.

The occurrence of any one or more of the following shall constitute an Event of Default by County under this Lease: (i) failure by County to pay the Annual Rent within fifteen (15) days after receipt of notice from Landlord; (ii) failure by County to perform or observe any of the agreements, covenants, or conditions contained in this Lease on County's part to be performed or observed for more than thirty (30) days after notice from Landlord of such failure; (iii) County's vacating or abandoning the Premises; or (iv) County's leasehold estate being taken by execution, attachment, or process of law. If any Event of Default occurs, then, at any time thereafter while the Event of Default continues, Landlord shall have the right to give County notice that Landlord intends to terminate this Lease upon a specified date not less than thirty (30) days after the date notice is received by County, and this Lease shall then expire on the date specified as if that date had been originally fixed as the expiration date of the Term of this Lease. If, however, the default is cured within such period or within a reasonable period thereafter if the same cannot be cured within such period and County undertakes such cure within such period and the Landlord is so notified, this Lease will continue.

Section 10.02 Default by Landlord.

Landlord shall be in default of this Lease if Landlord shall fail to observe or perform any term, covenant, or condition of this Lease on the Landlord's part to be observed or performed, and the Landlord fails to remedy the same within thirty (30) days after notice from County. In the event the default is of such a nature that it cannot be reasonably cured within the foregoing thirty (30) day period, Landlord shall be entitled to a reasonable period of time under the circumstances in which to cure said default, provided that Landlord diligently proceeds with the curing of the default. In the event that the default is not cured by Landlord within the foregoing time period, County, at County's option, may either cure said default and Landlord shall reimburse County for all expenses incurred by County in doing so, or County may give to the Landlord a thirty (30) days notice specifying that the County intends to terminate this Lease. Upon receipt of said notice and expiration of the thirty (30) day period, this Lease and all obligations of County hereunder shall terminate and County shall thereupon be relieved of all further obligations hereunder.

**ARTICLE XI
ACCESS BY LANDLORD**

County shall solely control access to the Premises and may unilaterally decide whether to re-key or re-program the electronic access control to the Premises at any time. Landlord and Landlord's agents and employees shall not receive keys to the Premises.

Landlord shall comply with the provisions of Ordinance 2003-030, the Criminal History Records Check Ordinance, attached hereto as Exhibit "C" and by reference made a part hereof ("Ordinance"), for all Landlord's employees or subcontractors who are required under this Agreement to enter or work at the site of this "critical facility" as identified in Resolution R2003-1274. Landlord acknowledges and agrees that all employees and subcontractors who are to perform work in this critical facility will be subject to a fingerprint based criminal history check and based on the results thereof shall either be: (1) disqualified from accessing the Premises; (2) cleared for unescorted access; or (3) shall only enter upon the Premises with an escort after following the established check-in procedure.

Landlord shall provide routine custodial and janitorial services only during normal business hours (Monday through Friday, 8 A.M. to 5 P.M.).

**ARTICLE XII
ANNUAL BUDGETARY FUNDING/CANCELLATION**

This Lease and all obligations of County hereunder are subject to and contingent upon annual budgetary funding by the Board of County Commissioners of Palm Beach County. Notwithstanding anything in this Lease to the contrary, County shall have the right to cancel

this Lease for any reason upon ninety (90) days prior written notice to Landlord, whereupon the parties shall be relieved of all further obligations hereunder. Landlord and County each acknowledge and agree that, in the event of termination of this Lease, the parties will jointly develop an approach to providing facilities on a temporary or permanent basis and that the LESA will be modified by the parties accordingly.

ARTICLE XIII QUIET ENJOYMENT

Upon the observance and performance of all the covenants, terms, and conditions on County's part to be observed and performed, County shall peaceably and quietly hold and enjoy the Premises for the Term hereby demised and any extensions thereof without hindrance or interruption by Landlord or any other person or persons lawfully or equitably claiming by, through, or under the Landlord, subject, nevertheless, to the terms and conditions of this Lease.

ARTICLE XIV CONDEMNATION

If all or part of the Building and/or Premises shall be taken, condemned or conveyed pursuant to an agreement in lieu of condemnation for public or quasi public use, the entire compensation or award therefore, including any severance damages, shall be apportioned between Landlord and County in proportion to the value of their respective interests and the rent shall be recalculated effective upon the date of vesting of title in the condemning authority to reflect the reduction in the Premises. County shall also be entitled to receive compensation for the value of any Alterations or other improvements made by County to the Premises and moving expenses. In addition, County may elect to terminate this Lease in which event this Lease shall terminate effective as of the date title is vested in the condemning authority, whereupon the parties shall be relieved of all further obligations occurring subsequent to the date of termination other than those relating to apportionment of the compensation for such condemnation. County will be allowed not less than sixty (60) days notice to remove its property from the Premises.
