SECTION 1.02. AUTHORITY FOR RESOLUTION. This Resolution is adopted pursuant to the provisions of the Act.

SECTION 1.03. RESOLUTION TO CONSTITUTE CONTRACT. In consideration of the purchase and acceptance of any or all of the Bonds by those who shall hold the same from time to time, the provisions of this Resolution shall be a part of the contract of the Issuer with the Holders of the Bonds, and shall be deemed to be and shall constitute a contract between the Issuer and the Holders from time to time of the Bonds. The pledge made in this Resolution and the provisions, covenants and agreements herein set forth to be performed by or on behalf of the Issuer shall be for the equal benefit, protection and security of the Holders of any and all of said Bonds. All of the Bonds, regardless of the time or times of their issuance or maturity, shall be of equal rank without preference, priority or distinction of any of the Bonds over any other thereof except as expressly provided in or pursuant to this Resolution.

SECTION 1.04. FINDINGS. It is hereby ascertained, determined and declared that:

(A) The Issuer has infrastructure needs and requirements in the form of the Project which must be acquired and placed into service in order to maintain and protect the health and welfare of the citizens of the Issuer.

(B) It is in the best interests of the citizens of the Issuer to finance the Project in order to realize sooner the public benefit of the Project.

(C) The Issuer has covenanted hereby to budget and appropriate Non-Ad Valorem Revenues sufficient in amount to pay the principal of and interest on the Bonds when due. The Issuer

shall never be required to use any ad valorem taxes for the payment of the Bonds. The Bonds shall not constitute a direct obligation of the Issuer or a pledge of its faith and credit, nor shall the Bondholders have any lien or encumbrance on any property in the Issuer, including the Project.

(D) Due to the present volatility of the market for tax-exempt obligations such as the Bonds and the complexity of the transactions relating to such Bonds, it is in the best interest of the Issuer to sell the Bonds by a negotiated sale, allowing the Issuer to enter the market at the most advantageous time and conditions, thereby permitting the Issuer to obtain the best possible price and interest rate for the Bonds. The Issuer acknowledges that receipt of the information required by Section 218.385, Florida Statutes, in connection with the negotiated sale of the Bonds is a precondition to the sale of the Bonds pursuant to Section 8.02 hereof. A copy of the disclosure statement provided by the purchaser of the Bonds containing the aforementioned information is required to be provided under separate cover to the Issuer.

SECTION 1.05. AUTHORIZATION OF THE PROJECT. The Issuer hereby authorizes the acquisition of the Project.

ARTICLE II

AUTHORIZATION, TERMS, EXECUTION AND REGISTRATION OF BONDS

SECTION 2.01. AUTHORIZATION AND DESCRIPTION OF BONDS. This Resolution creates an issue of bonds of the Issuer to be designated as "Palm Beach County, Florida, Public Improvement Revenue Bonds (Law Enforcement Information Technology Project), Series 2008," issued in the aggregate principal amount of \$35,000,000. The Bonds are issued for the principal purposes of paying the cost of the Project and paying certain costs of issuance incurred with respect to the Bonds.

The Bonds shall be in the form of one registered Bond in the principal amount of \$35,000,000, which shall be dated its date of issuance and mature on the Maturity Date, and shall be issued in fully registered form and shall bear interest from its date of issuance. The Bonds shall be issued in a denomination equal to the initial principal amount thereof. The Bonds shall be payable as to interest and principal by check or draft of the Clerk of the Circuit Court, ex officio Clerk of the Board of County Commissioners, mailed to the owner of record thereof, as such owner shall appear on the registration books of the Issuer on the 15th day of the month prior to such Payment Date. The final payment of principal of and interest on the Bonds shall be payable at the office of the Clerk of the Circuit Court, ex officio Clerk of the Board of County Commissioners, upon presentation and surrender of such Bonds on the maturity date thereof, or if such maturity date is a Saturday, Sunday or holiday, on the next succeeding business day. Principal of and interest on the Bonds shall be payable in any coin or currency of the United States of America which, on the date of payment, are legal tender for the payment of public and private debts.

Interest on the Bonds shall accrue to the maturity date thereof at the rate per annum of 3.038% per annum, subject to adjustment as set forth below, computed on a 360-day year comprised of 12 30-day months. Interest on the Bonds shall be payable on each February 1 and August 1 commencing on August 1, 2008. Principal on the Bonds shall be payable on February 1, 2009 and each February 1 thereafter in such amounts as to effect substantially level debt service over the term of the Bonds. The Bonds shall mature on February 1, 2014.

Notwithstanding any other provision hereof, if for any reason the interest on the Bonds becomes includable in the gross income of the Bondholders for Federal income tax purposes (an "Event of Taxability"), the Bonds shall bear interest from the earliest effective date of such Event of Taxability at a rate per annum equal to the Taxable Rate. In addition to the foregoing, the Issuer shall pay any additions to tax, penalties and interest, and any arrears in interest imposed upon the Bondholders on account of any Event of Taxability. All such additional interest, additions to tax and penalties shall be paid on the Maturity Date.

No Event of Taxability shall be deemed to occur unless the Issuer has been given timely written notice of such occurrence by any Bondholder and, to the extent permitted by law, an opportunity to participate in and seek, at the Issuer's own expense, a final administrative determination by the Internal Revenue Service or determination by a court of competent jurisdiction (from which no further right of appeal exists) as to the occurrence of such Event of Taxability; provided that, in order for the Issuer to prosecute any appeal or action for judicial or administrative review of or from any determination, the Issuer, at its own expense, must deliver to the Bondholders an opinion of bond counsel reasonably acceptable to such Holders to the effect that any appeal or action for judicial or administrative review is not without merit and there is a reasonable possibility that the judgment, order, ruling or decision from which such appeal or action for judicial or administrative review is taken will be reversed, vacated or otherwise set aside.

SECTION 2.02. APPLICATION OF BOND PROCEEDS.

The proceeds derived from the sale of the Bonds shall, simultaneously with the delivery of the Bonds to the purchaser or purchasers thereof, be deposited to the Project Fund established hereby and applied to pay the Costs of the Project.

SECTION 2.03. EXECUTION OF BONDS. The Bonds shall be executed in the name of the Issuer with the manual or facsimile signature of the Chairperson and the Clerk and Comptroller and the official seal of the Issuer shall be imprinted thereon, attested and countersigned with the manual or facsimile signature of the Clerk and Comptroller. In case any one or more of the officers who shall have signed or sealed any of the Bonds or whose facsimile signature shall appear thereon shall cease to be such officer of the Issuer before the Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Bond may be signed and sealed on behalf of the Issuer by such person who at the actual time of the execution of such Bond shall hold the proper office of the Issuer, although at the date of such Bond such person may not have held such office or may not have been so authorized. The Issuer may adopt and use for such purposes the facsimile signatures of any such persons who shall have held such offices at any time after the date of the adoption of this Resolution, notwithstanding that either or both shall have ceased to hold such office at the time the Bonds shall be actually sold and delivered.

SECTION 2.04. BONDS MUTILATED, DESTROYED, STOLEN OR LOST. In case any Bond shall become mutilated, or be destroyed, stolen or lost, the Issuer may, in its discretion, issue and deliver a new Bond of like tenor as the Bond so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond upon surrender and cancellation of such mutilated Bond or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder furnishing the Issuer proof of his ownership thereof and indemnity satisfactory to the Issuer, and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer may incur. All Bonds so surrendered or otherwise substituted shall be canceled by the Clerk and Comptroller. If any of the Bonds shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same or cause the Bond to be paid, upon being indemnified as aforesaid, and if such Bonds be lost, stolen or destroyed, without surrender thereof.

Any such duplicate Bonds issued pursuant to this Section 2.04 shall constitute original, additional contractual obligations on the part of the Issuer whether or not the lost, stolen or destroyed Bond be at any time found by anyone, and such duplicate Bond shall be entitled to equal and proportionate benefits and rights as to lien on the Pledged Revenues to the same extent as all other Bonds issued hereunder.

SECTION 2.05. INTERCHANGEABILITY, NEGOTIABILITY AND TRANSFER. Bonds, upon surrender thereof at the office of the Clerk and Comptroller with a written instrument of transfer satisfactory to the Clerk and Comptroller, duly executed by the Holder thereof or his attorney duly authorized in writing, may, at the option of the Holder thereof, be exchanged for an equal aggregate principal amount of registered Bonds of the same maturity of any other authorized denominations.

The Bonds issued under this Resolution shall be and have all the qualities and incidents of negotiable instruments under the law merchant and the Uniform Commercial Code of the State of Florida, subject to the provisions for registration of transfer contained in this Resolution and in the Bonds. So long as any of the Bonds shall remain Outstanding, the Issuer shall maintain and keep, at the office of the Clerk and Comptroller, books for the registration of transfer of the Bonds.

The transfer of any Bond shall be registered only upon the books of the Issuer, at the office of the Clerk and Comptroller, under such reasonable regulations as the Issuer may prescribe, by the Holder thereof in person or by his attorney duly authorized in writing upon surrender thereof together with a written instrument of transfer satisfactory to the Clerk and Comptroller duly executed by the Holder or his duly authorized attorney with signature guaranteed. Upon the registration of transfer of any such Bond, the Issuer shall issue, and cause to be authenticated, in the name of the transferee a new Bond or Bonds of the same aggregate principal amount and maturity as the surrendered Bond.

In all cases in which Bonds shall be exchanged or the transfer of Bonds shall be registered, the Issuer shall execute and authenticate and deliver such Bonds in accordance with the provisions of this Resolution. For every such exchange or registration of transfer, the Issuer may make a charge sufficient to reimburse it for any tax, fee, expense or other governmental charge required to be paid with respect to such exchange or registration of transfer. The Issuer shall not be obligated to make any such exchange or registration of transfer of Bonds during the fifteen (15) days next preceding a Payment Date on the Bonds, or, in the case of any proposed redemption of Bonds, then, during the fifteen (15) days next preceding the date of the first mailing of notice of such redemption and, in the case of the Bonds called for redemption, continuing until such redemption date.

SECTION 2.06. FORM OF BONDS. The text of the Bonds shall be in substantially the following form with such omissions, insertions and variations as may be necessary and/or desirable and approved by the Chairperson prior to the issuance thereof (which necessity and/or desirability and approval shall be presumed by such officer's execution of the Bonds and the Issuer's delivery of the Bonds to the purchaser or purchasers thereof):

This Bond is issued for the principal purpose of providing moneys to finance the cost of the Project (as defined in the Resolution referred to below), under the authority of and in full compliance with the Constitution and laws of the State of Florida, particularly Section 125.01, et seq., Florida Statutes, the Charter of Palm Beach County, Florida, and other applicable provisions of law (the "Act") and Resolution No. _____, adopted December 18, 2007, as amended, restated and supplemented (the "Resolution") and is subject to all the terms and conditions of the Resolution.

Such covenant to appropriate Non-Ad Valorem Revenues is not a pledge by the Issuer of such Non-Ad Valorem Revenues and is subject in all respects to the payment of obligations secured by a pledge of such Non-Ad Valorem Revenues heretofore or hereafter entered into (including the payment of debt service on bonds or other debt instruments) and also to the payment of services and programs which are for essential public purposes affecting the health, welfare and safety of the inhabitants of the Issuer or which are legally mandated by applicable law.

It is expressly agreed by the Registered Holder of this Bond that the full faith and credit of the Issuer, the State of Florida, or any political subdivision thereof is not pledged to the payment of the principal of, premium, if any, and interest on this Bond and that such Holder shall never have the right to require or compel the exercise of any taxing power of the Issuer, the State of Florida, or any political subdivision thereof, to the payment of such principal, premium, if any, and interest. This Bond and the obligation evidenced hereby shall not constitute a lien upon any property of the Issuer.

Neither the members of the Board of County Commissioners of the Issuer nor the Chairperson nor any person executing this Bond shall be liable personally hereon or be subject to any personal liability or accountability by reason of the issuance hereof.

The transfer of this Bond is registrable in accordance with the terms of the Resolution only upon the books of the Issuer kept for that purpose at the principal office of the Clerk and Comptroller by the registered owner hereof in person or by his attorney duly authorized in writing, upon the surrender of this Bond together with a written instrument of transfer satisfactory to the Clerk and Comptroller duly executed by the registered owner or his attorney duly authorized in writing, and thereupon a new Bond or Bonds in the same aggregate principal amount shall be issued to the

transferee in exchange therefor, and upon the payment of the charges, if any, therein prescribed. The Bonds are issuable in fully registered form in the denomination of \$35,000,000. The Issuer and any paying agent may treat the registered Holder of this Bond as the absolute owner hereof for all purposes, whether or not this Bond shall be overdue, and shall not be affected by any notice to the contrary.

The Bonds are not subject to redemption prior to the maturity thereof.

Reference to the Resolution and any and all resolutions supplemental thereto and modifications and amendments thereof and to the Act is made for a description of the pledge and covenants securing this Bond, the nature, manner and extent of enforcement of such pledge and covenants and the rights, duties, immunities and obligations of the Issuer.

REDEMPTION OF BONDS

The Bonds shall not be subject to redemption prior to the stated maturity thereof.

ARTICLE IV

SECURITY, SPECIAL FUNDS AND APPLICATION THEREOF

SECTION 4.01. BONDS NOT TO BE INDEBTEDNESS OF ISSUER. The Bonds shall not be or constitute general obligations or indebtedness of the Issuer as "bonds" within the meaning of any constitutional or statutory provision, but shall be special obligations of the Issuer, payable from and secured by the covenant to budget and appropriate Non-Ad Valorem Revenues set forth herein. No Holder of any Bond shall ever have the right to compel the exercise of any ad valorem taxing power to pay such Bond, or be entitled to payment of such Bond from any moneys of the Issuer, except to the extent provided herein.

SECTION 4.02. COVENANT TO BUDGET AND APPROPRIATE. Until the Bonds are no longer Outstanding pursuant to the provisions of this Resolution, the Issuer hereby covenants to appropriate in its annual budget in each Fiscal Year, by amendment if necessary, Non-Ad Valorem Revenues in amounts sufficient to pay the principal of and interest on the Bonds, as the same become due (whether by redemption, at maturity or otherwise), and, if applicable, to restore any deficiency in any fund or account created and established hereunder for the Bonds. Notwithstanding the foregoing covenant of the Issuer, the Issuer does not covenant to maintain any services or programs, now provided or maintained by the Issuer, which generate Non-Ad Valorem Revenues other than such services or programs which are for essential public purposes affecting the health, welfare and safety of the inhabitants of the Issuer.

To the extent that the Issuer is in compliance with the covenant contained above and Section 5.05 hereof, the obligations of the Issuer contained herein shall not be construed as a limitation on the ability of the Issuer to pledge or covenant with respect to the Non-Ad Valorem Revenues for other indebtedness or other legally permissible purposes.

Such covenant to budget and appropriate Non-Ad Valorem Revenues is not a pledge by the Issuer of such Non-Ad Valorem Revenues and is subject in all respects to the payment of obligations secured by a pledge of such Non-Ad Valorem Revenues heretofore or hereafter entered into, including the payment of debt service on bonds or other obligations. Such covenant to budget and appropriate is subject to the provisions of Section 129.07, Florida Statutes, which makes it unlawful for the Issuer to expend moneys not appropriated and in excess of the Issuer's current budgeted revenues. Such covenant does not require the Issuer to levy and collect any particular source of Non-Ad Valorem Revenues nor to maintain or increase any regulatory fees or user charges with respect to any particular source of Non-Ad Valorem Revenues. Such covenant does not give the Bondholders a prior claim on such Non-Ad Valorem Revenues as opposed to claims of general creditors of the Issuer until such time as a deposit of such Non-Ad Valorem Revenues is made into the Sinking Fund or other fund hereunder for the purposes of this Article.

SECTION 4.03. FUNDS AND ACCOUNTS. The Issuer covenants and agrees to establish special funds to be known as the "Palm Beach County, Florida Public Improvement Revenue Bonds (Law Enforcement Information Technology Project), Series 2008 Project Fund and the "Palm

Beach County, Florida Public Improvement Revenue Bonds (Law Enforcement Information Technology Project), Series 2008 Sinking Fund." The Issuer shall maintain in the Sinking Fund two accounts: "the "Principal and Interest Account" and the "Rebate Account." Moneys in the aforementioned funds and accounts (other than moneys on deposit in the Rebate Account), until applied in accordance with the provisions hereof, shall be held in trust for and be subject to a lien and charge in favor of the Holders of the Bonds and for the further security of such Holders.

SECTION 4.04. PROJECT FUND. The Issuer covenants and agrees to establish a separate fund in a bank or trust company in the State of Florida, which is eligible under the laws of such State to receive funds of the Issuer, to be known as the "Palm Beach County, Florida Public Improvement Revenue Bonds (Law Enforcement Information Technology Project), Series 2008 Project Fund," which shall be used only for payment of the Cost of the Project. Moneys in the Project Fund, until applied in payment of any item of the Cost of the Project in the manner hereinafter provided, shall be held in trust by the Issuer and shall be subject to a lien and charge in favor of the Holders of the Bonds and for the further security of such Holders.

The Issuer is hereby authorized to make disbursements from the Project Fund to pay the Cost of the Project. The Issuer shall authorize such disbursement only upon receipt of a requisition signed by the County Sheriff stating (1) the requisition number, (2) the name and address of the person to whom the payment is to be made, (3) the amount to be paid, (4) the purpose on account of which the payment is to be made, showing the total amount to be paid, any amount previously paid, and the unpaid balance, (5) that the amount to be paid was properly incurred and is a proper charge against the Project Fund, and (6) that the amount requisitioned is due and unpaid. The Issuer shall also make transfers from the Project Fund to the Sinking Fund necessary to pay debt service on the Bonds as provided in the County budget and directed by the County Debt Manager.

The Issuer covenants and agrees to commence and proceed with completion of the Project with due diligence.

All income derived from investment of moneys in the Project Fund shall be retained in the Project Fund. The date of completion of the Project shall be determined by the Authorized Issuer Officer who shall certify such fact in writing to the Board.

SECTION 4.05. APPLICATION OF REVENUES. On or before 12:00 Noon on the last Business Day prior to each Interest Payment Date, the Issuer shall deposit into the Principal and Interest Account of the Sinking Fund an amount of Non-Ad Valorem Revenues (which at the time of such deposit become "Pledged Revenues") at least equal to the Accrued Aggregate Debt Service calculated to such Interest Payment Date.

SECTION 4.06. SINKING FUND--PRINCIPAL AND INTEREST ACCOUNT; REDEMPTION ACCOUNT. The Issuer shall pay out of the Principal and Interest Account to the Clerk and Comptroller (i) on or before each Payment Date for the Bonds, the amount required for the interest payable on such date; and (ii) on or before the date principal is due with respect to the Bonds the amount of principal of such Bonds payable on such date. Such amounts shall be applied by the Clerk and Comptroller on or prior to the due dates thereof to make the required payments.

SECTION 4.07. REBATE ACCOUNT. Amounts on deposit in the Rebate Account shall be held in trust by the Issuer and used solely to make required rebates to the United States and the Bondholders shall have no right to have the same applied for debt service on the Bonds. The Issuer agrees to undertake all actions required of it in its Certificate as to Arbitrage and Certain Other Tax Matters, dated the date of issuance of the Bonds and relating to the Bonds, as well as any successor Certificate thereto, including, but not limited to:

- (A) making a determination in accordance with the Code of the amount required to be deposited in the Rebate Account;
- (B) depositing the amount determined in clause (A) above in the Rebate Account;
- (C) paying on the dates and in the manner required by the Code to the United States Treasury from the Rebate Account and any other legally available moneys of the Issuer such amounts as shall be required by the Code to be rebated to the United States Treasury; and
- (D) keeping such records of the determinations made pursuant to this Section 4.07 as shall be required by the Code, as well as evidence of the fair market value of any investments purchased with "gross proceeds" of the Bonds (as defined in the Code).

The provisions of the above-described Certificate as to Arbitrage and Certain Other Tax Matters may be amended from time to time as shall be necessary, in the opinion of Bond Counsel, to comply with the provisions of the Code.

SECTION 4.08. RESERVED.

SECTION 4.09. INVESTMENTS. The Project Fund and the Sinking Fund shall be continuously secured in the manner by which the deposit of public funds are authorized to be secured by the laws of the State. Moneys on deposit in the Project Fund and the Sinking Fund may be invested and reinvested in Authorized Investments maturing not later than the date on which the moneys therein will be needed. Any and all income received by the Issuer from the investment of moneys in any fund or account established hereby shall be retained in such respective fund or account. All investments shall be valued at amortized cost.

Nothing contained in this Resolution shall prevent any Authorized Investments acquired as investments of or security for funds held under this Resolution from being issued or held in book-entry form on the books of the Department of the Treasury of the United States.

SECTION 4.10. SEPARATE ACCOUNTS. The moneys required to be accounted for in each of the foregoing funds and accounts established herein may be deposited in a single bank account, and funds allocated to the various funds and accounts established herein may be invested in a common investment pool, provided that adequate accounting records are maintained to reflect and control the restricted allocation of the moneys on deposit therein and such investments for the various purposes of such funds and accounts as herein provided.

The designation and establishment of the various funds and accounts in and by this Resolution shall not be construed to require the establishment of any completely independent, self-balancing funds as such term is commonly defined and used in governmental accounting, but rather is intended solely to constitute an earmarking of certain revenues for certain purposes and to establish certain priorities for application of such revenues as herein provided.

ARTICLE V

COVENANTS OF THE ISSUER

SECTION 5.01. BOOKS AND RECORDS. The Issuer will keep books and records of funds and accounts established hereunder in accordance with generally accepted governmental accounting principles, and the Holder or Holders of Bonds shall have the right at all reasonable times to inspect the records, accounts and data of the Issuer relating thereto.

SECTION 5.02. ANNUAL AUDIT. The Issuer shall, immediately after the close of each Fiscal Year, cause the financial statements of the Issuer to be properly audited by a recognized independent certified public accountant or recognized independent firm of certified public accountants, and shall require such accountants to complete their report on the annual financial statements in accordance with applicable law. The annual financial statement shall be prepared in conformity with generally accepted accounting principles. A copy of the audited financial statements for each Fiscal Year shall be furnished no later than 210 days after the end of such Fiscal Year to the Bondholders.

SECTION 5.03. FEDERAL INCOME TAX COVENANTS. The Issuer covenants with the Holders of the Bonds that it shall not use the proceeds of such Bonds in any manner which would cause the interest on such Bonds to be included in gross income for purposes of federal income taxation to the extent not otherwise included therein on the date of issuance of the Bonds.

The Issuer covenants with the Holders of the Bonds that neither the Issuer nor any Person under its control or direction will make any use of the proceeds of such Bonds (or amounts deemed to be proceeds under the Code) in any manner which would cause such Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code and neither the Issuer nor any other Person shall do any act or fail to do any act which would cause the interest on such Bonds to be included in gross income for purposes of federal income taxation.

The Issuer hereby covenants with the Holders of the Bonds that it will comply with all provisions of the Code necessary to maintain the exclusion of interest on the Bonds from gross income for purposes of federal income taxation, including, in particular, the payment of any amount required to be rebated to the United States Treasury pursuant to the Code.

SECTION 5.04 ANNUAL BUDGET; OTHER INFORMATION. The Issuer hereby covenants to provide to each Bondholder a copy of its annual budget within 30 days of the adoption thereof, together with any other information reasonable requested by said Bondholders.

SECTION 5.05 ADDITIONAL COVENANTS. The Issuer covenants that in each Fiscal Year of the Issuer while the Bonds are Outstanding, the total Non-Self-Supporting Debt Service due for each such Fiscal Year of the Issuer shall not exceed 50% of Non-Ad Valorem Revenues of the Issuer. In furtherance of such covenant, the Issuer covenants and agrees that it will not issue any indebtedness or incur any indebtedness payable from or supported by a pledge of the Non-Ad Valorem Revenues unless the Issuer can show that following the issuance of or incurrence of

such additional indebtedness, (i) the total amount of Non-Ad Valorem Revenues (based on the most recent Fiscal Year) will be greater than 2.00 times the Maximum Debt Service, (ii) the total amount of Non-Ad Valorem Revenues in each Fiscal Year in which Bonds are Outstanding (based on reasonable projections of the Issuer) will be greater than 2.00 times the Non-Self-Supporting Debt Service in each such Fiscal Year; and (iii) the aggregate principal amount of Non-Self-Supporting Debt bearing a variable interest rate will not exceed twenty-five per cent (25%) of the aggregate principal amount of Non-Self-Supporting Debt.

ARTICLE VI

DEFAULTS AND REMEDIES

SECTION 6.01. EVENTS OF DEFAULT. The following events shall each constitute an "Event of Default":

(A) Default shall be made in the payment of the principal of, redemption premium, if any, or interest on any Bond, when due.

(B) The Issuer shall default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in the Bonds or in this Resolution on the part of the Issuer to be performed, and such default shall continue for a period of thirty (30) days after written notice of such default shall have been received from the Holders of not less than twenty-five percent (25%) of the aggregate principal amount of Bonds Outstanding. Notwithstanding the foregoing, and provided that no such grace period shall exceed sixty (60) days, the Issuer shall not be deemed in default hereunder if such default can be cured within a reasonable period of time and if the Issuer in good faith institutes curative action and diligently pursues such action until the default has been corrected.

(C) An Act of Bankruptcy shall have occurred with respect to the Issuer.

Notice of any default by the Issuer hereunder shall be given promptly to the Bondholders.

SECTION 6.02. REMEDIES. Whenever any Default referred to in Section 6.01 hereof shall have happened and be continuing, the Bondholders or their assigns may take one or any combination of the following remedial steps:

(A) Have reasonable access to and inspect, examine and make copies of the books and records and any and all accounts and data of the Issuer during regular business hours; or

(B) Take whatever action at law or in equity may appear necessary or desirable to collect the amounts then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the Issuer under this Resolution.

SECTION 6.03. REMEDIES CUMULATIVE. No remedy herein conferred upon or reserved to the Bondholders is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative, and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute. If any remedial action is discontinued or abandoned, the Bondholders shall be restored to their former position.

SECTION 6.04. WAIVER OF DEFAULT. No delay or omission of any Bondholder to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default, or an acquiescence therein; and every power and

remedy given by this Article VI to the Bondholders may be exercised from time to time, and as often as may be deemed expedient.

SECTION 6.05. EXPENSES UPON EVENT OF DEFAULT. If an Event of Default occurs, the Issuer shall pay, but only from lawfully available funds, expenses and fees (including reasonable attorneys' fees) of collection, whether suit be brought or not, including reasonable attorneys' fees incurred at the trial and appellate levels. In addition, the Issuer shall pay, but only from lawfully available funds, all of the expenses and fees (including reasonable attorneys' fees) incurred in determining or enforcing its rights under this Resolution or the Bonds.

ARTICLE VII

SUPPLEMENTAL RESOLUTIONS

SECTION 7.01. SUPPLEMENTAL RESOLUTION WITHOUT BONDHOLDERS' CONSENT. The Issuer, from time to time and at any time, may adopt such Supplemental Resolutions without the consent of the Bondholders (which Supplemental Resolution shall thereafter form a part hereof) for any of the following purposes:

(A) To grant to or confer upon the Bondholders any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the Bondholders.

(B) To add to the conditions, limitations and restrictions on the issuance of Bonds under the provisions of this Resolution other conditions, limitations and restrictions thereafter to be observed.

(C) To add to the covenants and agreements of the Issuer in this Resolution other covenants and agreements thereafter to be observed by the Issuer or to surrender any right or power herein reserved to or conferred upon the Issuer.

(D) To achieve compliance with any applicable federal securities law or with the Code and applicable regulations thereunder.

SECTION 7.02. SUPPLEMENTAL RESOLUTION WITH BONDHOLDERS' CONSENT. Subject to the terms and provisions contained in this Section 7.02 and Sections 7.01 and 7.03 hereof, the Holder or Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding shall have the right, from time to time, anything contained in this Resolution other than in this Section 7.02 to the contrary notwithstanding, to consent to and approve the adoption of such Supplemental Resolution or Resolutions hereto as shall be deemed necessary or desirable by the Issuer for the purpose of supplementing, modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Resolution. Supplemental Resolution may be approved or adopted which shall permit or require (A) an extension of the maturity of the principal of or the payment of the interest on any Bond issued hereunder, (B) reduction in the principal amount of any Bond or the rate of interest thereon, (C) a preference or priority of any Bond or Bonds over any other Bond or Bonds, or (D) a reduction in the aggregate principal amount of the Bonds required for consent to such Supplemental Resolution. Nothing herein contained, however, shall be construed as making necessary the approval by Bondholders of the adoption of any Supplemental Resolution as authorized in Section 7.01 hereof.

If at any time the Issuer shall determine that it is necessary or desirable to adopt any Supplemental Resolution pursuant to this Section 7.02, the Clerk and Comptroller shall give notice of the proposed adoption of such Supplemental Resolution and the form of consent to such adoption to be mailed, postage prepaid, to all Bondholders at their addresses as they appear on the registration books. Such notice shall briefly set forth the nature of the proposed Supplemental Resolution and shall state that copies thereof are on file at the offices of the Clerk and Comptroller for inspection by

all Bondholders. The Issuer shall not, however, be subject to any liability to any Bondholder by reason of its failure to cause the notice required by this Section 7.02 to be mailed and any such failure shall not affect the validity of such Supplemental Resolution when consented to and approved as provided in this Section 7.02.

Whenever the Issuer shall deliver to the Clerk and Comptroller an instrument or instruments in writing purporting to be executed by the Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding, which instrument or instruments shall refer to the proposed Supplemental Resolution described in such notice and shall specifically consent to and approve the adoption thereof in substantially the form of the copy thereof referred to in such notice, thereupon, but not otherwise, the Issuer may adopt such Supplemental Resolution in substantially such form, without liability or responsibility to any Holder of any Bond, whether or not such Holder shall have consented thereto.

If the Holders of not less than a majority in aggregate principal amount of the Bonds Outstanding at the time of the adoption of such Supplemental Resolution shall have consented to and approved the adoption thereof as herein provided, no Holder of any Bond shall have any right to object to the adoption of such Supplemental Resolution, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the adoption thereof, or to enjoin or restrain the Issuer from adopting the same or from taking any action pursuant to the provisions thereof.

Upon the adoption of any Supplemental Resolution pursuant to the provisions of this Section 7.02, this Resolution shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Resolution of the Issuer and all Holders of Bonds then Outstanding shall thereafter be determined, exercised and enforced in all respects under the provisions of this Resolution as so modified and amended.

ARTICLE VIII

MISCELLANEOUS

SECTION 8.01. DEFEASANCE. If the Issuer shall pay or cause to be paid or there shall otherwise be paid to the Holders of all Bonds the principal and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Resolution, then all covenants, agreements and other obligations of the Issuer to the Bondholders shall thereupon cease, terminate and become void and be discharged and satisfied.

Any Bonds or interest installments appertaining thereto, whether at or prior to the maturity date of such Bonds, shall be deemed to have been paid within the meaning of this Section 8.01 if (A) there shall have been deposited in irrevocable trust with a banking institution or trust company by or on behalf of the Issuer either moneys in an amount which shall be sufficient, or Defeasance Obligations, which in either case shall be verified by an independent certified public accountant to be in such amount that the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with such banking institution or trust company at the same time shall be sufficient to pay the principal of and interest due and to become due on said Bonds on and prior to the maturity date thereof, and (B) the Issuer shall receive an opinion of Bond Counsel to the effect that the refunded Bonds are defeased in accordance with this Section 8.01 and, therefore, are no longer Outstanding under this Resolution. Except as hereafter provided, neither the Defeasance Obligations nor any moneys so deposited with such banking institution or trust company nor any moneys received by such banking institution or trust company on account of principal of, or interest on said Defeasance Obligations shall be withdrawn or used for any purpose other than, and all such moneys shall be held in trust for and be applied to, the payment, when due, of the principal of the Bonds for the payment of which they were deposited and the interest accruing thereon to the date of maturity; provided, however, the Issuer may substitute new Defeasance Obligations and moneys for the deposited Defeasance Obligations and moneys if the new Defeasance Obligations and moneys are verified by an independent certified public accountant as being sufficient to pay the principal of and interest on the refunded Bonds.

SECTION 8.02. SALE OF BONDS. The Issuer has solicited financial institutions for proposals to purchase the Bonds. Such solicitation is hereby ratified, and the form of the proposed request for proposals set forth in Exhibit A attached hereto is hereby approved. The Board hereby ratifies the execution by the County's Debt Manager of a letter confirming the award of the Bonds to Citicapital Municipal Finance (the "Purchaser") as producing the overall lowest cost to the Issuer of the proposals received. The Purchaser's proposal is attached hereto as Exhibit B.

The Bonds shall be sold to the Purchaser at a purchase price equal to the aggregate par amount of the Bonds. As a condition to the delivery of the Bonds to the Purchaser, the Purchaser shall deliver to the Issuer an investor letter substantially in the form of Exhibit C hereto, together with a negotiated sale disclosure statement and truth-in-bonding statement as required by Florida law.

West Palm Beach, Florida

Re: \$35,000,000 Palm Beach County, Florida, Public Improvement Revenue Bonds (Law Enforcement Information Technology Project), Series 2008 (the "Bonds")

Ladies and Gentlemen:

This letter is being provided in connection with the purchase of the above-referenced Bonds which were delivered to us by Palm Beach County, Florida (the "County") as of the date hereof.

1. We are engaged in the business of investing in securities similar to the Bonds or the business of entering into loan transactions evidenced by securities similar to the Bonds.

2. We are purchasing the Bonds from the County for our own account (or those of our banking affiliates) for investment purposes and not for resale; provided, however, that the Bonds may be transferred or assigned in whole, but not in part, subject to the terms and conditions set forth in the Bonds.

3. We are a national bank and we have sufficient knowledge and experience in financial and business matters, including the purchase and ownership of taxable and tax-exempt obligations, to be capable of evaluating the merits and risks of our investment in the Bonds.

4. We are able to bear the economic risk of our investment in the Bonds.

5. We acknowledge that the Bonds do not represent a general obligation of the County, the State of Florida or any political subdivision thereof and are not payable from taxes or any moneys provided by or to the County, other than those described in the Bonds, and we further acknowledge that no covenant, stipulation, obligation or agreement contained in any documents related to the issuance of the Bonds is or shall be deemed to be a covenant, agreement or obligation of any present or future board member, officer or employee of the County in his or her individual capacity.

6. We acknowledge and agree that the Bonds have not been and will not be registered under the Securities Act of 1933, as amended, or the securities or Blue Sky laws of any state and are not listed on any stock or securities exchange.

7. We understand that no offering statement, prospectus, offering circular, official statement or other disclosure document containing material information with respect to the County

and the Bonds is being or has been prepared, and that, with due diligence, we have made our own inquiry and analysis with respect to the County, the Bonds and the security therefor.

8. We have received all financial and other information regarding the Bonds that we have requested and which we consider relevant or necessary to make an informed decision to invest in the Bonds. We have made our own inquiry into the creditworthiness of the Bonds and the County, we have received all the information that we have requested from the County or any agents or representatives thereof, and we have been afforded a reasonable opportunity to ask questions about the terms and conditions of the offering of the Bonds and the security therefor, and the County, and have received, to the best of our knowledge, complete and satisfactory answers to all such questions.

Dated this ____ day of January, 2008.

Yours very truly,

Citicapital Municipal Finance, as
Purchaser
