Submitted By: Engineering & Public Works Department
Submitted For: Roadway Production Division

Project No. : 1997511B

I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: Supplemental Agreement No. 11 to Project Agreement R99-2103D in the amount of \$37,273.21 with CH2M Hill, Inc., (CH2M Hill), formerly known as Gee & Jensen, E.A.P., Inc., for professional services.

Summary: This Supplemental Agreement will provide the services necessary for the preparation of separate design plans and construction bid documents for Seminole Pratt Whitney Road from south of Okeechobee Boulevard to north of Sycamore Drive (Project).

District: 6 (PK)

Background and Justification: On November 2, 1999, the Board of County Commissioners (Board) approved an Agreement (R99-2103D) with CH2M Hill to provide professional services required to prepare design plans and construction bid documents for the Project. Palm Beach County now desires CH2M Hill to prepare separate design plans and construction bid documents for the Project excluding earthwork already completed to facilitate utility relocation, as detailed in Exhibit "A" of the attached Supplemental Agreement. In accordance with PPM No. CW-F-050, this Supplemental Agreement must be approved by the Board since the cumulative value of additional services now exceeds \$200,000. Due to the nature of the requested additional services, Small Business Enterprise (SBE) participation was not feasible for this supplement. The fee, as detailed in Exhibit "A" of the attached Supplemental Agreement, has been negotiated as just and reasonable compensation as follows:

Basic Services (Lump Sum)	\$ 37,273.21	(Revise plans)
Total:	<u>\$ 37,273.21</u>	

After reviewing the attached Supplemental Agreement and finding it in proper order, staff recommends Board approval.
