I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: The renewal of the Civil Engineering Annual Agreements with the following firms: Corzo Castella Carballo Thompson Salman, P.A., the original agreement was dated February 27, 2007 (R2007-0248); Keshavarz & Associates, Inc., the original agreement was dated April 10, 2007 (R2007-0460); and Last Devenport, Inc., the original was agreement dated April 10, 2007 (R2007-0461).

Summary: These Agreements are being considered for a one year renewal for required professional services, on a task order basis. Countywide (PFK)

Background and Justification: In accordance with Board-adopted procedures pursuant to Florida Statutes 287.055 Consultants Competitive Negotiations Act (CCNA), the above listed consulting firms were selected to perform professional services relative to Palm Beach County (County) needs, and are presently under Agreement with the County on an annual contractual basis. This is the first renewal of these firms' Agreements. It is the consensus of the user departments that these consulting firms have, within the provisions of their Agreements, provided the professional services requested by the County. Since they remain in good standing and wish to continue to provide the professional services as indicated in their Agreements, the County agrees to renew their Agreements for one (1) year.

These Agreements have been reviewed with the above listed consulting firms, and staff recommends the first renewal of the attached consultant Annual Agreements. This transaction will maintain the continuous process of professional services required by the County.
