# FIFTEENTH JUDICIAL CIRCUIT OF FLORIDA

CHAMBERS OF
KATHLEEN J. KROLL
CHIEF JUDGE

COUNTY COURTHOUSE
WEST PALM BEACH, FLORIDA 33401
561/355-4378

March 7, 2008

To the Palm Beach County Board of County Commissioners C/o Hon. Addie Greene, Chair 301 North Olive Avenue, Suite 1201 West Palm Beach, FL 33401

### Dear Commissioner Greene:

I am in the unfortunate position of having to approach you, on behalf of the Court, for some emergency assistance. On Wednesday, March 5, 2008, the Court received notice that funding of the Civil Traffic Hearing Officer Program will cease on March 14, 2008. Civil Traffic Hearing Officers preside over approximately 3,000 traffic cases per week. This will create quite a shock to the system if the court is required to integrate these hearings into the county court judges' dockets. The Court is scrambling to find a method to keep this Program functioning, at least until the end of the state fiscal year (June 30, 2008) so that we can make provisions for such hearings in fiscal year 2008-2009.

The Civil Traffic Hearing Officer Program is truly an efficient Program. It provides convenience for the citizens and law enforcement. For example, Civil Traffic Officers hear traffic cases in four courthouse locations, two video locations and preside over cases on Saturdays.

I apologize for the fact that I must approach the County to fund a Program that should technically be funded by the State. The Court request \$44,546.25 for interim funding of the Program. I can only mitigate my request with the fact that the revenue generated by this Program in fiscal year 2006-2007, according to the Clerk's data, was \$2,047,234—which went directly to the County.

Thank you in advance for considering my request. I have attached a packet of information with more information on this Program for your review. I will appear before the Board on March 11<sup>th</sup> and will be happy to answer questions at that time or at any time in advance of the meeting.

Sincerely,

Kathleen Kroll Chief Judge

#### Fifteenth Judicial Circuit of Florida

#### Civil Traffic Hearing Officer Program

- Civil Traffic Hearing Officer Program provides convenience to the citizens
  - Saturday hearings
  - o Branch video locations
  - o Two tier system (see below)
- Civil Traffic Hearing Officers preside over 3,000 hearings per week
- According to the Clerk, in fiscal year 2006-2007: \$2,047,234 collected from Civil Traffic Hearing Officers for Palm Beach County
- By utilizing Civil Traffic Hearing Officers, the Court is able to use two tier court hearing sessions (pre-trial; trial) minimizing law enforcement officers time away from their patrol, *i.e.*, pre-trial disposes of at least 80% of the cases in which the defendant requests a court hearing and officers do not appear at pre-trial.
- The judiciary schedules are not able to accommodate 3,000 additional cases per week. Therefore, in the very least, the pre-trial conference would be collapsed to a trial date--which would require every officer to be subpoenaed for every ticket that the officers write. At least 80% of the cases would again result in a plea out causing the officers to appear unnecessarily for court. This in turn results in substantial costs for law enforcement and creates a safety issue for the citizens.
- Very likely, law enforcement will not be able to attend every trial date, which will result in dismissals of tickets thereby generating less money for the County.
- If 3,000 cases need to be absorbed by the judiciary, then the prioritization of cases will need to happen which could result in cases being dismissed due to speedy trial issues, e.g., traffic will compete with child support hearings, small claims, etc.
- For the convenience of the public and law enforcement, traffic hearings are currently held in four courthouse and two video locations throughout the county, and at Gun Club on Saturday. If the judiciary is required to integrate the hearings into their docket, the traffic hearing locations will vary depending on the availability of the judiciary.
