Meeting Date:	**April 1, 2008**	**{X} Consent**	**{ } Regular**
		{ } Public Hearing	**{ } Workshop**

Department:
Submitted By: Engineering and Public Works
Submitted For: Engineering Services Division

I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to adopt: A Resolution authorizing execution of a Tri-Partite Agreement with the Florida East Coast Railway (FEC) and the Florida Department of Transportation (FDOT) for installation and maintenance responsibility of the FEC grade crossing on 45th Street, West Palm Beach (Milepost 296+3012).

Summary: The FDOT has set aside Federal Rail Title II Signal Safety Funding for safety improvements to this crossing. The FEC will install these improvements and the FDOT will reimburse the FEC for all construction costs. Palm Beach County (County) will assume the maintenance responsibility of this railway crossing.

District: 7 (MRE)

Background and Justification: The FDOT is having railroad protective devices upgraded at the subject grade crossing. The FEC will perform all work associated with the installation and the FDOT will reimburse the FEC for all material and construction costs. The County will assume maintenance responsibility for the railway crossing on 45th Street since the roadway is a County maintained road. The County will pay $1,573, fifty (50) percent of the annual signal maintenance fee of $3,146 and any future maintenance and adjustment costs of the railroad crossing traffic control devices.

This office, having reviewed said Agreement, recommends that the Board of County Commissioners adopt the accompanying Resolution authorizing execution of the Tri-Partite Agreement.
