WHEREAS, approximately 100 youth participate in the Program; and

WHEREAS, the total cost of the Program is approximately \$5,280 for trophies, team shirts and shorts, football uniforms, banquet arrangements, and other miscellaneous expenses relating to the Program; and

WHEREAS, Youth Football League has requested that County provide \$5,000 to help offset expenses for the Program; and

WHEREAS, funding for the Program in an amount not-to-exceed \$5,000 for the Program is available from the Recreation Assistance Program (RAP) District 6; and

WHEREAS, athletic activities for at-risk youth are deemed a public purpose; and

WHEREAS, both parties desire to enter into this Agreement.

NOW THEREFORE, in consideration of the covenants and promises contained herein, the parties hereby agree to the following terms and conditions:

1. County agrees to fund an amount not to exceed \$5,000 to Youth Football League for the Program for trophies, team shirts and shorts, football uniforms, banquet arrangements, and other miscellaneous expenses relating to the Program, as set forth in

Exhibit "A", attached hereto and incorporated herein, hereinafter referred to as the "Project".

2. County will use its best efforts to provide said funds to Youth Football League on a reimbursement basis within forty-five (45) days of receipt of the following information:

a. A written statement that the Project, as specified herein, was carried out in accordance with this Agreement; and

b. A Contract Payment Request Form and a Contractual Services Purchases Schedule Form attached hereto and made a part hereof as Exhibit "B", which are required for each and every reimbursement requested by Youth Football League. Said information shall list each invoice paid by Youth Football League and shall include the vendor invoice number; invoice date; and the amount paid by Youth Football League along with the number and date of the respective check or proof of payment for said payment. Youth Football League shall attach a copy of each vendor invoice paid by Youth Football League along with a copy of the respective check or proof of payment and shall make reference thereof to the applicable item listed on the Contractual Services Purchases Schedule. Further, Youth Football League's Program Administrator and Project Financial Officer shall certify the total funds spent by Youth Football League on the Project and shall also certify that each vendor invoice, as listed on the Contractual Services Purchases Schedule was paid by Youth Football League and approved by Youth Football League as indicated.

3. Youth Football League incurred expenses for the Project beginning on January 4, 2008. Those costs incurred by Youth Football League for the Project, approved and submitted accordingly by Youth Football League subsequent to January 4, 2008, are eligible for reimbursement by County pursuant to the terms and conditions hereof.

4. RAP funds may be used as a match for other local, state, or federal grant programs, but Youth Football League may not submit reimbursement requests for the same expenses to the County as other fund sources to receive duplicate reimbursement for the same expenses.

5. Youth Football League warrants that it is an active not-for-profit corporation, duly chartered and registered with the Florida Department of State, Division of Corporations.

6. Youth Football League agrees, warrants, and represents that all of the employees and participants in the Project will be treated equally during employment and for the

provision of services without regard to residency, race, color, religion, disability, sex, age, national origin, ancestry, marital status, or sexual orientation.

7. Youth Football League shall be responsible for the operation and maintenance of the Project, including all associated costs.

8. The term of this Agreement shall be until July 31, 2008, commencing upon the date of execution by the parties hereto.

9. The parties agree that, in the event Youth Football League is in default of its obligations under this Agreement, the County shall provide Youth Football League thirty (30) days written notice to cure the default. In the event Youth Football League fails to cure the default within the thirty (30) day cure period, the County shall have no further obligation to honor reimbursement requests submitted by Youth Football League for the Project deemed to be in default and Youth Football League shall return any County RAP funds already collected by Youth Football League for that Project.

10. Notwithstanding any provision of this Agreement to the contrary, this Agreement may be terminated by the County, without cause, upon thirty (30) days prior written notice to the other party. Youth Football League shall provide its final reimbursement request(s), including a project completion statement and reimbursement documentation as indicated in Section 2 above on or before July 31, 2008. Upon written notification to County at least ninety (90) days prior to that date Youth Football League may request an extension beyond this period for the purpose of completing the Project. County shall not unreasonably deny Youth Football League's request for said extension.

12. In the event Youth Football League ceases to exist, or ceases or suspends the Project for any reason, any remaining unpaid portion of this Agreement shall be retained by County, and County shall have no further obligation to honor reimbursement requests submitted by Youth Football League. The determination that Youth Football League has ceased or suspended the Project shall be made by County and Youth Football League agrees to be bound by County's determination.

13. Youth Football League agrees to abide by, and be governed by, all applicable federal, state, county, and municipal laws, including but not limited to, Palm Beach County's ordinances, as said laws and ordinances exist and are amended from time to time. In entering into this Agreement, Palm Beach County does not waive the requirements of any County or local ordinance or the requirements of obtaining any permits or licenses normally required to conduct business or activity conducted by Youth Football League. Failure to comply may result in County's refusal to honor reimbursement requests for the Project.

14. County reserves the right to withhold reimbursement if the Project is not completed as specified in Exhibit 'A'.

15. It is understood and agreed that Youth Football League is merely a recipient of County funding and is an independent contractor and is not an agent, servant or employee of County or its Board of County Commissioners. It is further acknowledged that the County only contributes funding under this Agreement and operates no control over the Project. In the event a claim or lawsuit is brought against County or any of its officers, agents or employees, Youth Football League shall indemnify, save and hold harmless and defend the County, its officers, agents, and/or employees from and against any and all claims, liabilities, losses, judgments, and/or causes of action of any type arising out of or relating to any act or omission of Youth Football League, its agents, servants and/or employees in the performance of this Agreement. The foregoing indemnification shall survive termination of this Agreement.

In consideration for reimbursement of costs incurred prior to the term of this Agreement, the foregoing indemnification shall apply not only during the term of this Agreement but also for the period prior to the Agreement for which Youth Football League is eligible to receive reimbursement from the County.

16. Waiver of Subrogation. Youth Football League hereby waives any and all rights of Subrogation against the County, its officers, employees and agents for each required policy. When required by the insurer, or should a policy condition not permit an insured to enter into a pre-loss agreement to waive subrogation without an endorsement, then Youth Football League shall agree to notify the insurer and request the policy be endorsed with a Waiver of Transfer of Rights of Recovery Against Others, or its equivalent. This Waiver of Subrogation requirement shall not apply to any policy when a condition to the policy specifically prohibits such an endorsement, or voids coverage should Youth Football League enter into such an agreement on a pre-loss basis.

Project Description

Glades Glen Browns Youth Football league, is a community youth sports program that provides low income children with an after school and weekend program for sports activities and competition with neighboring teams. Research has shown in poverty stricken areas, youth athletics build strong character and help suppress violence in teens. The activities we participate in build a positive attitude and strong work ethic through the rigors and camaraderie of athletics. This project will provide uniforms, trophies and equipment for the Glades Glen Browns Youth Football league to successfully and safely compete with the other teams. Uniforms, equipment and trophies are important because we often compete with leagues with parents from middle income levels that are well funded. This project will allow Glades Glen Browns to continue to compete with other leagues.

Public Purpose:

The community providing our league with students is a low income area with high incidences of crime and drug use. The Glades Glen Browns Youth Football league offers the youth of this community a program for participation after school and weekends. This program keeps many youth off of the troubled streets and away from the influences that may lead them to crime. The Glades Glen Browns Youth Football league provides the community with this important public purpose.
