SUBJECT:

FY 2007-2008 Community Services Block Grant Modifications

The Department of Community Affairs (DCA) is accepting modifications to your current Community Services Block Grant (CSBG) contract. This modification incorporates carry-forward funds from your FY 2006-2007 CSBG contract, and additional CSBG funding. It also increases your agency's authority to incur costs. DCA will release the balance of the funds in July after new State budget authority is received.

At the beginning of this contract year, DCA provided instructions clarifying the definition of administrative expenses and direct client expenses. Some expenses you previously included as administrative expenses may more properly be budgeted as direct client expenses. Agencies that did not made this change in their budget at that time should do so now. See instructions included. Also, take this opportunity to review your current fiscal and program status. Revise your budget and work plan in light of year-to-date fiscal expenditures and program accomplishments.

This modification is due to DCA no later than April 30, 2008. However, you should submit the modification to the Department as soon as possible to avoid delays in processing your request for payments. The modification will be effective when both parties have signed it. Mail three modification packages with original signatures to:

Ms. Hilda Frazier, Manager
Department of Community Affairs
Division of Housing and Community Development
2555 Shumard Oak Boulevard
Tallahassee, Florida 32399-2100

Electronic copies of the modification forms have been emailed to you. All forms with the exception of Attachment B-1, Budget Summary are in Word for Windows. These forms are templates only and do not contain mathematical formulas. Attachment B1, Budget Summary is in Excel. In addition to the hard copies of the form you mail to DCA, send the Budget Summary in Excel to me as an attachment to an email at <a href="https://disabs.nih.gov/hill-nih.g
