I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: A) An Interlocal Agreement with the City of Belle Glade (Belle Glade) for the period May 20, 2008 through August 30, 2009 for an amount not to exceed \$16,187 for the installation of a Perimeter Fence in Hands Park; and B) A Budget Transfer in the amount of \$16,187 from the CCRT Recouped Funding reserves to the Hands Park Fence Installation Project.

Summary: This Interlocal Agreement allows for the reimbursement of an amount not to exceed \$16,187 for costs incurred by Belle Glade subsequent to December 1, 2007 for the installation of a split-rail fence around the perimeter of Hands Park. The requested funding is to cover the costs associated with the installation of the fence, which is necessary to provide safety for the children and youth served by Belle Glade's Hands Park. District 6 (AH)

Background and Justification The Board of County Commissioners (BCC) created the Office of Community Revitalization (OCR) in 2003 to administer and coordinate community revitalization initiatives within the unincorporated areas of Palm Beach County and the Lake Region municipalities of South Bay, Pahokee, and Belle Glade. The OCR receives an annual allocation of general funds which are utilized in partnership with funding from other County departments to initiate and complete community and neighborhood revitalization projects, such as: paving; drainage; water and sanitary sewer systems; neighborhood parks; community centers; land acquisition; and feasibility studies. At times, County funds are not fully expended for a particular project, due to lower than expected costs and certain projects need additional funding to complete. The remaining funding is re-allocated to the Capital Outlay Fund CCRT Recouped Funding reserves, and OCR later recommends to the BCC which community improvement projects should receive additional funding. OCR is now recommending the allocation of \$16,187 from that account to assist the City of Belle Glade with the installation of a perimeter fence at the City's Hands Park to address safety issues. On October 18, 2005, the Board approved funding for the installation of two Tiki Huts at Hands Park through the Neighborhood Partnership Grant Program, which has resulted in a greater use of the park by children and youth. Due to safety concerns, the City of Belle Glade is now requesting funding assistance to purchase and install a perimeter fence to help protect the safety of children and youth from motor vehicles entering the Park while they are at play. The project is anticipated to cost \$16,187. The requested CCRT/OCR funding is needed to help the City with the implementation of this project.

The Agreement has been executed on behalf of the City of Belle Glade, and now needs to be approved by the Board of County Commissioners.
