I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: Removal of Len Drive Street Improvement (Project) from further consideration in the Municipal Services Taxing Unit (MSTU) project list.

SUMMARY: At the December 19, 2006 Board of County Commissioners (Board) meeting, the direction of the Board was to re-petition the property owners of all existing projects in the MSTU project list, except the projects in the Countywide Community Revitalization Team areas. The re-petitioning was to determine if there was still an interest in the road improvement projects, as the estimated assessment from the original petition was higher. The petitions were mailed out for the Project and expired on April 1, 2008. There are 26 property owners on Len Drive, five (19%) voted yes they are still interested in the Project proceeding, eight (31%) voted no they do not want the Project to proceed, and we did not receive a reply from thirteen (50%) property owners, therefore the criteria of having 51% of the property owners in favor of the Project was not achieved.

District 1, MSTU District A. (MRE)

Background and Justification: The majority of the property owners that did vote, voted no on proceeding with the Project.

This roadway is not on the Interim County Courtesy Maintenance List.
