- Independent Study (copy attached)
- U.S. Treasury Department

**L. Income Limits, Rent Limits and Affordability:**

*Chapter 67-37.005(5) (e), F.A.C. and Section 420.9071(2), F.S.*

The Income and Rent Limits used in the SHIP Program are updated annually from the Department of Housing and Urban Development and distributed by Florida Housing Finance Corporation. Affordable means that monthly rents or mortgage payments including taxes and insurance do not exceed 30 percent of that amount which represents the percentage of the median annual gross income for the households as indicated in Sections 420.9071 (19), (20) and (28), F.S. However it is not the intent to limit an individual household's ability to devote more than 30% of its income for housing, and housing for which a household devotes more than 30% of its income shall be deemed Affordable if the first institutional mortgage lender is satisfied that the household can afford mortgage payments in excess of the 30% benchmark and in the case of rental housing does not exceed those rental limits adjusted for bedroom size.

**M. Welfare Transition Program: Chapter 67-37.005(6) (b) (7) F.A.C.**

Should a eligible sponsor be used, the city/county has developed a qualification system and selection criteria for applications for Awards to eligible sponsors, which includes a description that demonstrates how eligible sponsors that employed personnel from the WAGES and Workforce Development Initiatives programs will be given preference in the selection process.

**N. Monitoring and First Right of Refusal: Section 420.9075(3) (e) and (4) (f), F.S.**

In the case of rental housing, the staff or entity that has administrative authority for implementing the local housing assistance plan assisting rental developments shall annually monitor and determine tenant eligibility or, to the extent another

governmental entity provides the same monitoring and determination, a municipality, county or local housing financing authority may rely on such monitoring and determination of tenant eligibility. However, any loan or grant in the original amount of \$3,000 or less shall not be subject to these annual monitoring and determination of tenant eligibility requirements. Tenant eligibility will be monitored for at least annually for 15 years or the term of assistance which ever is longer unless as specified above.

Eligible sponsors that offer rental housing for sale before 15 years or that have remaining mortgages funded under this program must give a first right of refusal to eligible nonprofit organizations for purchase at the current market value for continued occupancy by eligible persons.

**O. Administrative Budget:** *Chapter 67-37.005(6) (f) 3, F.A.C.*

A detailed listing including line-item budget of proposed Administrative Expenditures is attached as **Exhibit A**. These are presented on an annual basis for each State fiscal year submitted.

The Board of County Commissioners (BCC) determined 5 percent of the local housing distribution plus 5 percent of program income is insufficient to pay the necessary costs of administering the local housing assistance plan. Instead, they determined the cost of administering the program will cost 10 percent of the local housing distribution plus 5% of program income which is deposited into the trust fund. As such, the BCC adopted a resolution which authorizes ten percent of the local housing distribution plus five percent (5%) of program income for administrative costs.

*The Board of County Commissioners has adopted the above findings in the attached resolution, **Exhibit E**.*

**P. Essential Services Personnel**

“Essential Services Personnel” means persons whose household incomes do not exceed 140% of AMI, as determined annually by the Florida Housing Finance Corporation and adjusted for family size, and shall include: teachers and educators; other school district, community college, and university employees; police and fire personnel; health care personnel; housing related professionals and employees; skilled building trade industry personnel; Federal, State, County, and local government personnel; and may also include utility system (water/sewer, electrical, communication, etc.) personnel; information technology industry personnel; child care personnel; personal service providers; retail workers; wholesale/warehouse personnel; tourism industry personnel; biotechnology industry personnel; non-profit personnel; food service personnel; landscaping industry personnel; cosmetology service providers; facility maintenance personnel; automotive service personnel; marine services personnel; persons employed in local “business clusters” as identified by the Business Development Board of Palm Beach County; the occupations in demand with the most employees and the occupations in demand gaining the most new jobs according to the Agency for Workforce Innovation (AWI); and personnel in other industries deemed essential by Palm Beach County government based on the local economy. Palm Beach County will review and possibly revise this definition of essential service workers on an annual basis to conform with local economic and industry trends.

Although essential services personnel may earn an income of up to 140% of AMI, Palm Beach County's SHIP funding can only assist individuals and households whose income does not exceed 120% of AMI.

**Q. Lien Policy**

Where Palm Beach County provides SHIP funds to facilitate the development of affordable and workforce housing, it is County policy that a superior lien position be

granted to Palm Beach County whenever its SHIP contribution is larger than either any mortgage or any other subsidy. A copy of this policy will be provided to the public by the Department of Housing & Community Development.

**II. LHAP HOUSING STRATEGIES: Chapter 67-37.005(5), F.A.C.**

**A. Name of the Strategy: Purchase Assistance:**

- a. **Summary of the Strategy**: SHIP funds will be made available to income eligible first time homebuyers with the goal of expanding homeownership opportunities to the targeted income groups. Assistance can be used for gap financing, lot acquisition; down payment; rehabilitation of the unit to be purchased; and closing cost; and will be based on the financing needs of the individual homebuyer up to the maximum amount of assistance available for the income group . Permanent first mortgage financing can be provided by either private sector financing institutions or other non-profit agency or governmental financing sources.

SHIP funds will also be made available to income eligible law enforcement officers who are first time homebuyers residing in identified redevelopment target areas with high incidences of crime. The maximum award for income eligible low and moderate income law enforcement officers will be up to \$60,000.

SHIP funds will not be utilized for the purchase of mobile homes.

- b. **Fiscal Years Covered**: 2007/2008; 2008/2009; 2009/2010
- c. **Income Categories to be served**: Very Low, Low and Moderate Income.
- d. **Maximum Award**: is noted on the Housing Delivery Goals Charts. The maximum award is not automatically provided. The amount awarded is based on what's needed to purchase the property at a monthly payment affordable to the prospective homebuyer.
- e. **Terms, Recapture and Default**: Deferred payment loans secured by mortgage and note for a term of thirty (30) years with zero interest. No payment is required as long as the home remains the primary residence of the applicant. If the property is sold, title is transferred or conveyed to an income eligible buyer during the term of the mortgage, repayment may be waived if the new buyer accepts and agrees to the term and conditions of the mortgage including, but not limited to the primary residence requirement. The purchaser's eligibility will be determined by the County and must be requested by the owner prior to the sale of the property. Any applicable affordability restrictions will be transferred to the new owner.

If the home is sold, title is transferred or conveyed to an ineligible buyer, or the home ceases to be the primary residence of the applicant during the term of the mortgage, the entire amount of the loan shall become immediately due and payable. In the event of a sale, the County may exercise its right of first refusal to purchase the property at its current market value for continued occupancy by income eligible persons.

In the event of the death of the borrower prior to the end of the term of the mortgage, the outstanding balance become immediately due and payable. If the property is inherited by an income eligible heir that meets the requirements of the program, repayment may be waived, if the new homeowner accepts the terms and conditions of the program, including, but not limited to the principal residence requirement. The new owner's eligibility and entitlement shall be determined by the County in its sole

discretion and must be requested by the owner within ninety (90) days of the death of the original borrower. Any applicable deed/affordability restrictions will be transferred to the new owner.

Additionally, a deed restriction or other legally sufficient document may be recorded with the Clerk of the Circuit Court to ensure the resale of the unit to a low or moderate income home buyer. The County is currently exploring other long term affordability options such as Community Land Trust and Shared Equity/Appreciation. Resale restrictions as stipulated in a Community Land Trust and/or Shared Equity Agreements will be incorporated when/where applicable and imposed during the restrictive period. The Shared Equity/Appreciation policy will require homeowners receiving down payment assistance to repay a portion (*20% to 70% of excess profit depending on year sold after purchase*) of the equity/appreciation (*less any applicable repayments*) realized to the County when the property is sold at fair market value during the term of the mortgage.

In the event of default on the First Mortgage, the County may exercise its right of first refusal to purchase the property or if possible, coordinate the purchase of the property with an approved buyer. If unsuccessful, and a foreclosure or deed in lieu of foreclosure of the first mortgage transpire, any collateral agreement by the County restricting the use of the property or restricting the owner's ability to sell the property shall have no further force or effect on subsequent owners of the property. Furthermore, if the first lender acquires title to the Property pursuant to a deed in lieu of foreclosure, the County's lien shall automatically terminate upon the first lender's acquisition of title. Any person, including his successors and assigns (other than the Borrower or a related entity or person to the Borrower), receiving title to the property through a foreclosure or deed in lieu of foreclosure of the first mortgage shall receive title to the property free and clear of the County's restrictions.

f. **Recipient Selection Criteria:**

1. Eligible applicants will be selected on a first come, first qualified, first served basis within the income group subject to funding availability. However, a special emphasis will be placed upon identifying and providing SHIP assistance to very-low income home buyers. Very-low income home buyers will receive funding priority above those home buyers of moderate-income.
2. To qualify for assistance, eligible program participants must meet the definition of a first time homebuyer. A first time home buyer is an applicant who has not owned a home within the three (3) years immediately preceding the SHIP assisted purchase. The only exception is a person who has lost a home due to a divorce; within the (3) three years preceding the SHIP assisted purchase.
3. The applicant must have completed a Homebuyer Education class approved by the County prior to receiving financial assistance.
4. The purchased property must meet all applicable building codes. Deficiencies must be corrected prior to, or as part of the purchase transaction. In the case of new construction, a Certificate of Occupancy (CO) is required prior to occupancy.
5. Very low income homebuyers must contribute a minimum of 2.5% and low and moderate buyers must contribute a minimum of 3%.

g. **Sponsor Selection Criteria:** N/A

- h. **Additional Information:** Other state, federal, private and local funds may be leveraged with SHIP funds. But, where the County's SHIP subsidy is equal to the first mortgage, the County must share first lien position with the first mortgage lender. However, where the County's SHIP subsidy is larger than the first mortgage, then the County must be in first lien position. Also, where the County's SHIP subsidy is larger than another subsidy, the County must be placed in a superior lien position to any smaller subsidy.

B. **Name of the Strategy:** **Homeownership Development**

- a. **Summary of the Strategy:** This strategy will provide financial assistance to builders to encourage the development and construction of affordable housing. The cost and scarcity of land in Palm Beach County makes it extremely difficult for housing developers to build affordable housing units. SHIP funds may be used for site acquisition, site development, infrastructure improvements, impact fees, demolition costs, construction financing, and other construction related costs. Funds awarded under this strategy will be encumbered within 12 months and expended within 24 months with the unit occupied by an eligible applicant. The funding may be leveraged with land donated to the developer/non-profit and or density bonuses granted.

The goal of this strategy is to increase the number of affordable owner housing units available to low income persons in Palm Beach County. This is achieved through the builder/developer reducing the cost of the home to the low income homebuyer by the amount of SHIP funds provided.

- b. **Fiscal Years Covered:** 2007/2008; 2008/2009; 2009/2010

- c. **Income Categories to be served:** Very Low, Low and Moderate Income.

- d. **Maximum Award:** The maximum award to the developer will be determined on a case by case basis subject to a funding review process. The maximum award to individual home owners as noted on the Housing Delivery Goals Charts is not automatically provided. The amount awarded is what's needed to purchase the property at a monthly payment affordable to the prospective homebuyer.

- e. **Terms, Recapture and Default:**

1. The financial assistance to the developer will be secured with a mortgage and note that may require repayment at an interest rate of three percent (3%) with a maximum term of thirty years to preserve affordability.
2. Assisted developments must commit to set aside a minimum number of units for very-low and low income households based on the amount of assistance provided. The housing must remain affordable, and all SHIP assisted units must be occupied by income eligible persons during the affordability period.
3. For owner occupied units developed through this program, the County will develop a legally sufficient agreement maintaining affordability for a minimum period of 30 years. The Recapture and default provisions require the home remains the primary residence of the applicant. If the property is sold, title is transferred or conveyed to an income eligible buyer during the term of the mortgage, repayment may be waived if the new buyer accepts and agrees to the term and conditions of the mortgage including, but not limited to the primary residence requirement. The purchaser's eligibility will be determined by the County and must be requested by the owner prior to the sale of the property. All applicable

affordability restrictions will be transferred to the new owner.

If the home is sold, title is transferred or conveyed to an ineligible buyer, or the home ceases to be the primary residence of the applicant during the term of the mortgage, the entire amount of the loan shall become immediately due and payable. In the event of a sale, the County may exercise its right of first refusal to purchase the property at its current market value for continued occupancy by income eligible persons.

In the event of the death of the borrower prior to the end of the term of the mortgage, the outstanding balance become immediately due and payable. If the property is inherited by an income eligible heir that meets the requirements of the program, repayment may be waived, if the new homeowner accepts the terms and conditions of the program, including, but not limited to the principal residence requirement. The new owner's eligibility and entitlement shall be determined by the County in its sole discretion and must be requested by the new owner within ninety (90) days of the death of the original borrower. All applicable deed/affordability restrictions will be transferred to the new owner.

Additionally, a deed restriction or other legally sufficient document may be recorded with the Clerk of the Circuit Court to ensure the resale of the unit to a low or moderate income home buyer. The County is currently exploring other long term affordability options such as a Community Land Trust and Shared Equity/Appreciation policies. Resale restrictions as stipulated in a Community Land Trust and/or Shared Equity Agreements will be incorporated when/where applicable and imposed during the restrictive period. The Shared Equity/Appreciation policy will require homeowners receiving down payment assistance to repay a portion (20% to 75% of excess profit depending on year sold after purchase) of the equity/appreciation (less any applicable repayments) realized to the County when the property is sold at fair market value during the term of the mortgage.

In the event of default on the First Mortgage, the County may exercise its right of first refusal to purchase the property or if possible, coordinate the purchase of the property with an approved buyer. If unsuccessful, and a foreclosure or a deed in lieu of foreclosure of the first mortgage transpires, any collateral agreement by the County restricting the use of the property or restricting the owner's ability to sell the property shall have no further force or effect on subsequent owners of the property. Furthermore, if the first lender acquires title to the Property pursuant to a deed in lieu of foreclosure, the County's lien shall automatically terminate upon the first lender's acquisition of title. Any person, including his successors and assigns (other than the Borrower or a related entity or person to the Borrower), receiving title to the property through a foreclosure or deed in lieu of foreclosure of the first mortgage shall receive title to the property free and clear of the County's restrictions.

4. A land use restriction agreement may be utilized to maintain affordability for a period of time.

f. **Recipient Selection Criteria:**

1. Management of the development will select potential homebuyers for the SHIP Assisted units on a first com, first qualified, first served, basis. SHIP recipients must meet all SHIP affordability and income guidelines for the income group. County staff will income-certify all homebuyers for the SHIP assisted units.

2. Eligible purchasers of the developed units must be very low, low or moderate income, and occupy the property as their primary residence.
3. Eligible applicants must qualify as first time homebuyers and must receive a certificate of homebuyer counseling prior to loan closing.

g. **Developer (Sponsor) Selection Criteria:**

1. The County will advertise the availability of funds. Proposed projects will be considered on an ongoing basis subject to funding availability. All applications from Developer's and Builder's will be evaluated based upon a point scoring system. An application scoring the most points does not guarantee funding of the request. It is the goal of the County to provide funding for a variety of housing projects in a variety of locations. If staff deems a project "not feasible", staff reserves the right to recommend no funding for that project stating the reason for such recommendation.
  2. Selection criteria will also consider quality of the proposed development, development costs, development team experience, housing affordability, financial stability, economic viability, successful history of producing similar projects, ability to produce affordable housing within the specified time frames and sensitivity to local housing needs. All SHIP assisted units must be affordable to very low, low and moderate income households.
  3. Eligible purchasers of the developed units must be very-low, low, or moderate income, and occupy the property as their primary residence. Management of the development will select potential homebuyers for the SHIP assisted units on a first come, first qualified, first served, basis. Qualification criteria for SHIP recipients must meet all SHIP affordability and income guidelines for the income group. County staff will income-certify all homebuyers for the SHIP assisted units.
  4. Eligible applicants must qualify as first time homebuyers and must receive a certificate of homebuyer counseling prior to loan closing.
- h. **Additional Information:** Other state, federal, private and local funds may be leveraged with SHIP funds.

C. **Name of the Strategy: HOME Match**

- a. **Summary of the Strategy:** SHIP funds will be used to provide the local required dollar match for the federal HOME program. Under this strategy, the only initiative funded will be purchase assistance for first time homebuyers. Funds will be made available to first time homebuyers. Assistance will be based on the financing needs of the individual homebuyer up to the maximum amount of assistance available for the income group. Permanent first mortgage financing is required and provided through private sector financing institutions.
- b. **Fiscal Years Covered:** 2007/2008; 2008/2009; 2009/2010
- c. **Income Categories to be served:** Very Low, and Low
- d. **Maximum Award:** is noted on the Housing Delivery Goals Charts. The maximum award is not automatically provided. The amount awarded will be the amount needed to purchase the property at a monthly payment affordable to the prospective homebuyer. The maximum award may also be based on the maximum award stipulated by HOME program guidelines.

- e. **Terms, Recapture and Default.** The County will develop a legally sufficient agreement maintaining affordability for a minimum period of 30 years. The Recapture and default provisions require the home remains the primary residence of the applicant. If the property is sold, title is transferred or conveyed to an income eligible buyer during the term of the mortgage, repayment may be waived if the new buyer accepts and agrees to the term and conditions of the mortgage including, but not limited to the primary residence requirement. The purchaser's eligibility will be determined by the County and must be requested by the new owner prior to the sale of the property. All applicable affordability restrictions will be transferred to the new owner.

If the home is sold, title is transferred or conveyed to an ineligible buyer, or the home ceases to be the primary residence of the applicant during the term of the mortgage, the entire amount of the loan shall become immediately due and payable. In the event of a sale, the County may exercise its right of first refusal to purchase the property at its current market value for continued occupancy by income eligible persons.

In the event of the death of the borrower prior to the end of the term of the mortgage, the outstanding balance becomes immediately due and payable. If the property is inherited by an income eligible heir that meets the requirements of the program, repayment may be waived, if the new homeowner accepts the terms and conditions of the program, including, but not limited to the principal residence requirement. The new owner's eligibility and entitlement shall be determined by the County in its sole discretion and must be requested by the new owner within ninety (90) days of the death of the original borrower. All applicable deed/affordability restrictions will be transferred to the new owner.

Additionally, a deed restriction or other legally sufficient document may be recorded with the Clerk of the Circuit Court to ensure the resale of the unit to a low or moderate income home buyer. The County is currently exploring other long term affordability options such as a Community Land Trust and Shared Equity/Appreciation policies. Resale restrictions as stipulated in a Community Land Trust and/or Shared Equity Agreements will be incorporated when/where applicable and imposed during the restrictive period. The Shared Equity/Appreciation policy will require homeowners receiving down payment assistance to repay a portion (20% to 75% of excess profit depending on year sold after purchase) of the equity/appreciation (less any applicable repayments) realized to the County when the property is sold at fair market value during the term of the mortgage.

In the event of default on the First Mortgage, the County may exercise its right of first refusal to purchase the property or if possible, coordinate the purchase of the property with an approved buyer. If unsuccessful, and a foreclosure or a deed in lieu of foreclosure of the first mortgage transpires, any collateral agreement by the County restricting the use of the property or restricting the owner's ability to sell the property shall have no further force or effect on subsequent owners of the property. Furthermore, if the first lender acquires title to the Property pursuant to a deed in lieu of foreclosure, the County's lien shall automatically terminate upon the first lender's acquisition of title. Any person, including his successors and assigns (other than the Borrower or a related entity or person to the Borrower), receiving title to the property through a foreclosure or deed in lieu of foreclosure of the first mortgage shall receive title to the property free and clear of the County's restrictions.

- c. **Income Categories to be served:** Very Low and Low Income
- d. **Maximum Award** is noted on the Housing Goals Delivery Chart.
- e. **Terms, Recapture and Default:** The financial assistance can be provided as a "forgivable loan" to non-profit developers and builders; or as a low-interest loan to for-profit developers and builders.

"Forgivable Loans" may be provided to non-profit developers and builders who have an established track record of affordable housing experience. Also, such "non-profits" must be a certified 501(c)(3) organization and be familiar with municipal and county development codes and propose housing projects which serve a majority of low and very-low income households. Suitable non-profits must also have an established history of utilizing government funding for the development of affordable/work-force housing. These non-profits must also provide evidence that their by-laws specifically identifies affordable housing development as a goal of the organization. "Non-profits" may also form partnerships with for-profit developers and builders and may receive Forgivable Loans where the resulting project will serve predominantly low and very-low income households. These Forgivable Loans will be forgiven over a twenty (20) year period, in exchange for a certain number of housing units set aside for lower income households over the same twenty (20) year period.

The low-interest loan assistance will be secured with a mortgage and note that will require repayment at an interest rate of three percent (3%) with a minimum term of fifteen (15) years and a maximum term of thirty (30) years

to preserve affordability. Assisted developments must commit to rent limits as established by HUD for the term of the mortgage and all other stipulations of the loan agreement. The assisted development must also commit to set aside a minimum number of units for very-low and low income households based upon the amount of assistance provided. The housing must remain affordable, and all SHIP assisted units must be occupied by income eligible persons during the affordability period. If the project ceases to remain affordable for the term of the loan, the entire unpaid balance is due and payable.

f. **Recipient Selection Criteria:**

1. Management of the development will select potential homebuyers for the SHIP Assisted units on a first com, first qualified, first served, basis. SHIP recipients must meet all SHIP affordability and income guidelines for the income group. County staff will income-certify all homebuyers for the SHIP assisted units.
2. Eligible purchasers of the developed units must be very low, low or moderate income, and occupy the property as their primary residence.
3. Eligible applicants must qualify as first time homebuyers and must receive a certificate of homebuyer counseling prior to loan closing.

g. **Developer (Sponsor) Selection Criteria:**

The County will advertise the availability of funds. Proposed projects will be considered on an ongoing basis subject to funding availability. All applications from Developers and Builders will be evaluated based upon a point scoring system and other community/development factors. An application scoring the most points does not necessarily guarantee funding of the request. Actual funding will also be based upon: availability of funding; project's affordability to low and very-low income households; project's location relative to other government assisted affordable housing projects; project's location relative to existing infrastructure; long-term project maintenance and security; home ownership education and other services for the tenants; and final funding approvals by the Board of County Commissioners.

It is the goal of the County to provide funding for a variety of housing projects in a variety of locations. If staff deems a project "not feasible"; staff reserves the right to recommend no funding for that project stating the reason for such recommendation.

Management of the development will select and place income eligible persons into the SHIP assisted units on a first come, first qualified, first served basis. Qualification criteria for SHIP recipients must meet all SHIP affordability and income guidelines for the income group. The County will be responsible for monitoring the project annually for compliance with tenant income and affordability requirements. Preference will be given to sponsors who hire employees through the local Welfare Transition Program.

**III. LHAP INCENTIVE STRATEGIES**

*Section 420.9071(16), F.S.*

**A. Name of the Strategy: Expedited Permitting:**

Permits as defined in s. 163.3164(7) and (8) for affordable housing projects are expedited to a greater degree than other projects.

- a. **Established policy and procedures:** To facilitate this strategy, the County restructured its development process by reducing the number of review boards and created a single Development Review Committee. The Manager of the Planning Division of the Planning, Zoning & Building Department

(PZ&B) and Engineering designated a staff person to be responsible for processing and facilitating affordable housing projects through the review process. The emphasis is on reducing processing time. This staff person is the developer's point of contact for all questions concerning the review process and follows any affordable housing application through the process. All permit applications that have been determined to be affordable housing are given priority. This strategy is implemented through the Planning Zoning and Building Department and is functioning as intended.

**B. Name of the Strategy: Ongoing Review Process**

An ongoing process for review of local policies, ordinances, regulations and plan provisions that increase the cost of housing prior to their adoption.
