I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to adopt: Resolution authorizing the County Administrator or his designee to execute standard entertainment contractor agreements for the provision of dancers, musicians, and specialty performers at County facilities.

Summary: Palm Beach County Parks and Recreation Department (Parks) regularly hosts special events in which entertainers are needed. Due to the frequency of hiring entertainers, staff is recommending that the Board of County Commissioners (BCC) approve a resolution which delegates authority to the County Administrator or his designee to execute standard entertainment contractor agreements on behalf of the County. Countywide (AH)

Background and Justification: The Parks and Recreation Department routinely hosts special events at its facilities. On April 15, 2008, the BCC approved an amendment to the purchasing ordinance (Ordinance No. 2008-009) which, among other changes, exempted event specific stage production or programming including individuals or groups providing musical or theatrical performances or lectures from the purchasing ordinance and the competitive procurement process. The County Administrator is recommending the BCC approve a resolution which delegates authority to the County Administrator or his designee to execute standard entertainment contractor agreements for the provision of dancers, musicians and specialty performers at County facilities. Additionally, the Resolution establishes procedures for the Director or Assistant Director of the Department, as the County Administrator's designee, to approve all standard entertainment contractor agreements in an amount not-to-exceed \$10,000; the County Administrator to approve standard entertainment contractor agreements from \$10,001 up to \$50,000; and BCC approval when standard entertainment contractor agreements exceed \$50,000. Due to industry standards and practice, the standard entertainment contractor agreement requires the contractor provide insurance coverage when determined necessary by the County's Risk Management Department.
