# I. EXECUTIVE BRIEF

**Motion and Title: Staff recommends motion to approve:** an Agreement with the Westgate/Belvedere Homes Community Redevelopment Agency for the acquisition of 2628 Chickamauga Avenue, in unincorporated West Palm Beach, in the amount of \$263,000 in Community Development Block Grant (CDBG) funds for the period of July 8, 2008, through December 31, 2008.

**Summary:** The Westgate/Belvedere Homes Community Redevelopment Agency (CRA) desires to purchase this property to use it for storm water retention. The property is located within the CRA boundaries in an area that has historically suffered from flooding. This property will be included in CRA's larger effort to manage storm water in the surrounding area. The improvements on the property will be demolished by the CRA soon after acquisition, and the vacant lot will eventually be conveyed to the County when it is put into use for storm water detention. This property was appraised at \$330,000 in May 2008. The CRA intends to pay \$350,000 for the property, and will accordingly fund all acquisition costs above the \$263,000 being allocated under this Agreement. <u>These are Federal CDBG funds that require no local match.</u> (District 2) (TKF)

**Background and Justification:** This project has been determined by Housing and Community Development (HCD) to be an eligible activity under the CDBG program. Allocation of these funds to the CRA was approved through the 14th Amendment to the Action Plan for Fiscal Year 2007-2008.

2628 Chickamauga Avenue, West Palm Beach (property control no. 00-43-43-30-03-064-0010)

The Agency assures the County that both units on this property are occupied by the seller's household. The Agency shall acquire this property (consisting of two dwelling units) for the eventual purpose of using it as site for storm water detention. To that end, the Agency shall not permit these units to be occupied for any purpose after it acquires the property. The Agency shall demolish both units within one-hundred and eighty (180) days from the date of this Agreement.

Should acquisition of the described property is not be feasible in the opinion of HCD, then the County shall have the option of withdrawing from this Agreement.

a. <u>Applicable Regulations and Disclosures:</u> In addition to any other applicable statute, ordinance, or regulation, the Agency agrees that it shall acquire this property in accord with the provisions of the Uniform Relocation Assistance and Real Property Acquisition Policies Act.

#### The Agency declares that:

1) The Agency has the power of eminent domain, however, it shall not use the power of eminent domain to acquire this property if negotiations fail to result in an amicable agreement.

2) The Agency has been acquiring properties in the general geographic area of 2628 Chickamauga Avenue during the past several years, and its acquisitions have been made on a voluntary negotiated basis with the sellers.

3) The Agency has not specifically designated the property at 2628 Chickamauga Avenue for acquisition, and said property is not part of an intended, planned, or designated area where all or substantially all of the property in the area is to be acquired within specific time limits.

4) The Agency shall treat the property owner of 2628 Chickamauga Avenue similar to other property owners in the general geographic area, that is the Agency's acquisition of this property shall be on a voluntary negotiated basis.

<u>Fair Market Value</u>: The parties to this agreement recognize that the Fair Market Value of 2628 Chickamauga Avenue is \$330,000 as established by an appraisal dated May 13, 2008 by Jenkins Appraisal Services, Inc. The Agency shall then inform the seller of the following in writing:

1) The dollar amount of the established Fair Market Value of the property.

2) That the seller may, without penalty, withdraw from the sales contract after the above information is provided.

C.

b.

<u>Sales Contract</u>: The Agency shall negotiate a sales price with the seller for each of the property listed above, shall execute a sales contract for each, and shall provide HCD with a copy of such contract. The sales contract (or the sales contract, if one exists, and an addendum to the sales contract) shall be made subject to, and contain the following:

1) A condition that makes the purchase of the property subject to the County's approval.

2) A disclosure to the seller of the Fair Market Value of the property being \$330,000.3) An option that allows the seller to withdraw from the sales contract, without penalty, after the Fair Market Value of the property is provided to the seller by the Agency.

4) A requirement that the seller shall provide clear title to the property.

5) A requirement that obligates the seller and buyer to each pay closing costs as customarily paid in Palm Beach County by sellers and buyers.

6) A requirement that obligates the seller to authorize the County to enter the property for the purpose of conducting inspections, assessments, surveys, and appraisals of the property.

7) A disclosure to the seller by the Agency informing the seller <u>that it has the power of eminent domain</u> to acquire the property, that this is a voluntary, arm's length transaction, and that <u>the Agency will not use its power of eminent domain</u> to acquire the property if negotiations fail to result in an amicable agreement.

8) A disclosure to the seller that the seller shall not be eligible to receive any relocation payment or other relocation assistance under the Uniform Relocation Assistance and Real Property Acquisition Policies Act or any other law or regulation.

The Agency shall pay the deposit amount required by the sales contract.

d.

Request for Acquisition Funding: Upon completing the above, the Agency may request HCD for the property's acquisition funding. The Agency shall provide HCD with a copy of the unsigned closing statement and an owner's title insurance policy commitment. As a condition for HCD's release of acquisition funding, the Agency shall require the seller, at or before closing, to remedy any title defect identified by HCD that is revealed in said commitment, and the seller shall be responsible for any costs associated with perfecting the seller's title to the property.

The County shall, in no event, fund any amount for the purchase of the property that exceeds the Fair Market Value. All such excess amounts, if any, shall be funded by the Agency from its own sources.

For the purposes of this Agreement, the property's acquisition funding shall consist of the balance of the cost of the property (that is the sale price of the property less the deposit amount) and any adjustments thereto (either upwards or downwards) resulting from the computation of closing costs.

The County shall in response to the Agency's request for the property's acquisition funding and the receipt of the above stated items, issue to the Director of HCD, for safekeeping until the closing, a check payable to the seller for the balance of the cost of the property as adjusted by the closing costs.

e. <u>Acquisition Closing:</u> HCD staff shall attend the closing for the property acquisition with the check provided to the Director of HCD. If the closing is successful, HCD shall release the check, that is payable to the seller, to the closing agent for escrow and disbursement according to the closing statement. At the closing for the property, the Agency shall execute a Declaration of Restrictions document in favor of the County, which document is provided as Exhibit C and attached hereto. This document shall then be recorded with the deed for the property. The Agency shall assure that recording fees for the aforesaid document are included in the closing statement. After the closing, the Agency shall provide the County with copies of the recorded deed, signed closing statement, and the title insurance policy, as well as the original recorded document at Exhibit C. The Agency shall pay all upkeep, insurance, taxes, and assessments for the property while in its possession.

The Agency further agrees that HCD, in consultation with any parties it deems necessary, shall be the final arbiter on the Agency's compliance with the above.

- B. <u>FORMER PROJECTS:</u> The Agency shall maintain all previously completed CDBG funded projects. Failure to do so will result in forfeiture of future CDBG funds and will delay funding for ongoing activities.
- C. <u>WORK SCHEDULE:</u> The time frame for completion of the outlined activities shall be <u>December 31, 2008.</u>
- D. <u>REPORTS</u>: The Agency shall submit to HCD detailed monthly progress reports in the form provided as Exhibit B to this Agreement. Each report must account for the total activity for which the Agency is funded under this Agreement. The progress reports shall be used by HCD to assess the Agency's progress in implementing the project.

#### II. THE COUNTY AGREES TO:

- A. Provide funding for the above specified activities as described above in "Project Scope", during the term of this Agreement, in the amount of \$263,000.
- B. Provide project administration and inspection to the Agency to ensure compliance with U.S. HUD and the Department of Labor, and applicable State, Federal and County laws and regulations.
- C. Monitor the Agency at any time during the term of this Agreement. Visits may be scheduled or unscheduled as determined by HCD, be conducted by HCD staff or its contractor, and will serve to ensure compliance with U.S. Department of HUD regulations, that planned activities are conducted in a timely manner, and to verify the accuracy of reporting to HCD on program activities.
- D. The County shall perform an environmental review of the project, and review and approve project design and bids submitted for the work. The County shall also perform Davis Bacon Act Labor Standards monitoring and enforcement. Environmental review costs incurred by the County may be charged to the project budget identified above.
- E. Allowable costs that may be paid by the County under this Agreement in addition to those stated in II.A above:
  - (a) Costs of asbestos surveys, asbestos abatement, and abatement monitoring.
  - (b) Costs of any other services customarily associated with projects of the nature of the project contemplated by this Agreement.

The County shall review requests by the Agency for expenditures on the above items prior to undertaking the services associated with them, and approve any such expenditures it deems appropriate for this project.

# **DECLARATION OF RESTRICTIONS**

**EXHIBIT C** 

The undersigned, <u>Westgate/Belvedere Homes Community Redevelopment Agency</u>, a not for profit corporation duly organized and existing under the laws of the State of Florida, having its principal office at <u>160 Australian Avenue</u>, <u>Suite 500</u>, <u>West Palm Beach</u>, <u>FL 33406</u>, hereinafter referred to as "Declarant", for the property described below, in consideration of funding in the amount of <u>Two</u> <u>Hundred and Sixty-Three Thousand Dollars (\$263,000)</u> received from the Palm Beach County Board of County Commissioners (the "County") does hereby grant to the County the following restrictions against the subject property, hereinafter referred to as the Property, and described as:

West Gate Estates, Northern Section, Lots 16 to 19, inclusive, and Lots 46 to 49, inclusive, Block 16, as recorded in the Public Records of Palm Beach County, Florida.

Property Control Number(s): 00-43-43-30-03-064-0010

1. These restrictions shall be deemed a covenant running with the land and are binding upon the undersigned, their heirs, executors, successors, and assigns. These restrictions can only be terminated or released by the Palm Beach County Board of County Commissioners, and executed with the same formalities as this document.

2. In consideration of the County's grant in the amount of \$263,000 (in CDBG dollars) as provided through a grant Agreement with the County dated July 8, 2008, the Declarant hereby covenants and agrees for a period of 10 years commencing with the expiration date of said grant Agreement (as may be amended from time to time) to use the subject property as described in the Declarant's funding application to the County, and as described in said grant Agreement, and the Declarant further agrees to maintain insurance as required in the grant Agreement.

3. The Declarant agrees in regard to the use of the facility/property whose acquisition or improvements were funded through the grant Agreement that for a period of ten (10) years after the expiration date of said Agreement (as may be amended from time to time):

- (a) The Declarant may not change the use or planned use, or discontinue use, of the facility/property (including the beneficiaries of such use) from that for which the acquisition or improvements were made, unless the Declarant provides affected citizens with reasonable notice of, and opportunity to comment on, any such proposed change and either:
  - 1. The new use of the facility/property, in the opinion of the County, qualifies as meeting one of the national objectives defined in the regulations governing the CDBG program, and is not a building for the general conduct of government; or
  - 2. The requirements of paragraph 3(b) of this section are met.
- (b) If the Declarant determines after consultation with affected citizens, that it is appropriate to change the use of the facility/property to a use which does not qualify under Paragraph 3(a)(1) of this section or discontinue use of the facility/property, it may retain or dispose of the facility for such use if the County is reimbursed in the amount of the current fair market value of the facility/property less any portion thereof attributable to expenditures of non-CDBG funds for acquisition of, or improvements to the facility/property. The final determination of the amount of any such reimbursement to the County under this paragraph shall be made by the County.

(c) Following the reimbursement of CDBG funds by the Declarant to the County pursuant to Paragraph 3(b) above, the facility/property will then no longer be subject to these restrictions, and the County shall then release these restrictions as described above.

In the event of any proposed sale, conveyance or transfer of the subject property, the Declarant must obtain approval of the County, through its Housing and Community Development Department. Any approved sale or conveyance of the subject property by the Declarant will be contingent upon the receipt of the payment by the County in accordance with the provisions of Paragraph 3(b) above, or the receipt of a commitment, executed by a subsequent owner acceptable to the County, confirming its acceptance of the restrictions and conditions provided herein for the duration of this Declaration.

Notwithstanding the foregoing, the restrictions set forth herein shall run with the land whether or not such commitment is obtained from a subsequent owner.

4. The Declarant agrees to notify the County of any liens, judgements or pending foreclosure on the subject property within five (5) working days of the receipt of said notice by the Declarant.

5. The Declarant acknowledges and covenants that the provisions specified below constitute a default under this Declaration for which there may be a forfeiture of the Declarant's title to the Property:

(a) Failure of the Declarant to perform any covenant, agreement, term, or condition contained herein or in the Agreement referenced in Section 2 above.

Notwithstanding the foregoing, and at the sole discretion of the County, upon providing notice to the Declarant of its determination that the Declarant is in default of the terms of this Declaration, the County may, from time to time, at its sole discretion, cure each default under any covenant so curable in this Declaration, or in any instrument creating a lien upon the Property, or any part thereof, to such extent that the County, at its sole discretion, determines, and each amount paid, if any, by the County to cure any such default shall be paid by the Declarant to the County in addition to the legal rate of interest from the time of expenditure and shall constitute a lien against the property which may be foreclosed if not discharged and satisfied within three (3) months of expenditure of such funds by the County. The County shall also become subrogated to whatever rights the holders of a prior lien might have under such instrument.

6. If the Declarant fails, neglects or refuses to perform any of the provisions, terms and conditions set forth herein, for any breach of this Declaration, the County shall have the right to file in court of competent jurisdiction an action for:

- (a) Forfeiture of all the Declarant's right, title, and interest in the Property for a breach of the restrictive covenants contained in this Declaration; and
- (b) Collection of due and unpaid real estate taxes, assessments, charges and penalties for which the Declarant is obligated to pay.

In addition to any remedy set forth herein the County shall have such other remedies as are available at law or equity. The exercise or attempted exercise by the County of any right or remedy available under this Declaration shall not preclude the County from exercising any other right or remedy so available, nor shall any such exercise or attempted exercise constitute or be construed as an election of remedies. The Declarant shall pay any reasonable expenses, including reasonable attorney's fees and costs incurred by the County, under this Declaration and the preparation and delivery of notices required hereunder. The failure or omission by the County to enforce any of its rights or remedies upon breach of any of the covenants, terms or conditions of this Declaration shall not bar or breach any of its rights or remedies on any subsequent default. Before the County shall pursue any of its rights or remedies under this Declaration, the County shall first give the Declarant written notice of the default complained of which such notice shall be given to the Declarant at their address shown above. The Declarant shall then have ten (10) working days from the date such notice is given to cure or correct any default.

7. Declarant shall submit to the County once each year a report detailing the Declarant's compliance with the terms of the grant Agreement and this Declaration of Restrictions.

8. Declarant relinquishes all rights to alter, amend, modify, or release these covenants prior to the completion of the ten year period described above.

9. In the event of any litigation necessary to enforce the terms of the Declaration, the Declarant agrees to reimburse the County for attorneys fees and costs associated with litigation.
