Project No. 2000135

**EXECUTIVE BRIEF**

**Motion and Title: Staff recommends motion to approve:**

- A) Finalization of the assessment roll for the Cooley Court Paving Improvement Project (Project) and hereby authorize the Tax Collector's Office to process and collect the assessment payments; and
- B) Transfer of Cooley Court to a County owned and maintained roadway.

**SUMMARY:** Finalization of the assessment roll for the Project from the canal, north to Lake Worth Road, Section 25, Township 44 South, Range 42 east is needed so the assessment payments can be processed and collected by the Tax Collector's Office.

Cooley Court will be transferred from being a County courtesy maintained roadway to being a County maintained roadway.

District 3 MSTU District C (MRE)

**Background and Justification:** On August 21, 2007, the County held a Public Hearing, and adopted Resolution R-2007-1417, an assessment roll for the Project. The final cost of \$25 per front foot at 6.5% is the same as the original estimated total costs based on \$25 per front foot for Countywide Community Revitalization Team Area projects, payable over 20 years. Upon approval of this item the Tax Collector's Office will process and collect the assessments from the property owners.

Cooley Court has been constructed to County standards and will be perpetually maintained.

This office recommends the approval of the above named action in order to finalize the Assessment Process, and close this Project out.
