**Summary:** The street lighting projects being submitted for approval were initiated by members of the Cabana Colony Residents League, Inc. and the Royal Palm Estates Neighborhood Association. Based on review of each application by the Office of Community Revitalization (OCR) staff as well as Palm Beach County Sheriffs' Office staff, it was determined that the installation of these streetlights would help reduce area crime as well as enhance pedestrian safety. The total amount of funding provided for these projects is \$188,000. Districts 1 and 6 (AH)

**Background and Justification:** OCR's Neighborhood Street Lighting Program (NSLP) was created to enhance crime deterrence and improve vehicular and pedestrian safety in CCRT areas. OCR received applications from the Cabana Colony/Lone Pine Road and Royal Palm Estates CCRT areas requesting streetlights. After review by OCR staff, each application was forwarded to the County Sheriff's Office for further review. The Sheriff's Office concluded that both CCRT areas qualified to receive the requested number of streetlights. The OCR will fully fund the requested streetlights in the total amount of \$188,000 to cover the cost of installation of 20 lights in Cabana Colony/Lone Pine Road and 18 lights in Royal Palm Estates. This amount will also fund the operation as well as the maintenance of the requested lights in Cabana Colony/Lone Pine Road over a ten (10) year period and in Royal Palm Estates over a twenty (20) year period.
