I. EXECUTIVE BRIEF

Motion and Title: Staff Recommends Motion to approve A) Payment in the amount of \$30,359 to St. Mary's Medical Center for the cost of providing medical care to an indigent individual from the period of January 12, 2008 through January 31, 2008; B) a budget transfer of \$180,589 from the Risk Management Fund to the General Fund; and C) a budget amendment of \$180,589 in the General Fund to provide for this payment for medical services from October 1, 2007 through January 31, 2008 (\$150,330 of this amount was previously approved by the Board on September 11, 2007, but not included in the FY 2008 budget).

Summary: On September 11, 2007, the Board approved a payment to St. Mary's Medical Center in the amount of \$554,992 for medical services provided to an indigent patient from the period November 27, 2006 through January 11, 2008. The patient was released from St. Mary's Medical Center on January 31, 2008. The requested amount of \$30,359 covers the cost of medical services for this patient from January 11, 2008 through January 31, 2008, a period not addressed in the September 11, 2007 Board Agenda. This payment completes payment of the medical services provided to this individual by St. Mary's Medical Center and the County will have no further responsibility for such medical services for his care. **Countywide (LSJ)**

Background and Justification: This is an indigent patient who was injured while being placed under arrest by the West Palm Beach Police Department in 2006. (He was shot and paralyzed). The Circuit Court has previously ruled that pursuant to §901.35, Florida Statutes, the County is responsible for the medical services provided to an indigent individual injured during an arrest.
