I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to:

A) **approve** request by Palm Beach County Tax Collector, Anne M. Gannon, for Board of County Commissioners to order the 2008 tax roll to be extended prior to completion of the Value Adjustment Board hearings.

B) **direct** the Value Adjustment Board to certify the assessment roll as required by State Statutes.

Summary: Approval of this request will avoid a delay in the issuance of tax notices beyond November 1, 2008, and will permit the collection of property taxes prior to completion of the Value Adjustment Board hearings. Countywide (PFK)

Background and Policy Issues: Pursuant to F.S. 197.323 (Attachment 1) "the Board of County Commissioners may, upon request by the Tax Collector and by majority vote, order the roll to be extended prior to completion of the Value Adjustment Board hearings, if completion thereof would otherwise be the cause for a delay in the issuance of tax notices beyond November 1."

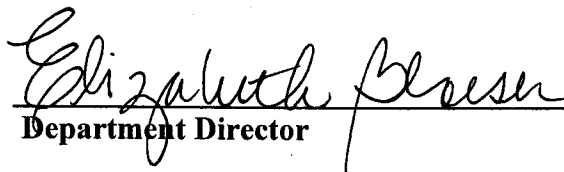

Pursuant to the Tax Collector's request, in prior years, the Board of County Commissioners has ordered the tax roll to be extended prior to completion of the Value Adjustment Board hearings. If the tax roll is not extended prior to the completion of the VAB hearings, the result could be that the taxing authorities would receive no ad valorem tax revenue until January, 2009 or later. The delay in collection of ad valorem taxes could have a serious effect on all taxing authorities' ability to continue daily operations.

If the tax roll is extended by this process, the taxing authorities lose their option to make an adjustment to their millage should the Value Adjustment Board change the values in their respective taxing district.

(1) Notwithstanding the provisions of s. [193.122](#), the board of county commissioners may, upon request by the tax collector and by majority vote, order the roll to be extended prior to completion of value adjustment board hearings, if completion thereof would otherwise be the only cause for a delay in the issuance of tax notices beyond November 1. Dear Commissioner Greene:

As provided in F.S. 197.323, I am requesting the Board extend the 2008 tax roll prior to completion of the Value Adjustment Board hearings. Please order the extension of the roll no later than your Board meeting of September 9, 2008.

This should allow the Property Appraiser to certify the roll by October 15, which will allow enough time to mail the notices by November 1.

Interoffice Communication

TO: Addie L. Green, Chairperson and
Members of the Board of County Commissioners

FROM: Liz Bloeser, Director
Office of Financial Management and Budget

DATE: July 25, 2008

SUBJECT: Extension of Tax Roll Prior to Value Adjustment Board Hearings

The Tax Collector is requesting that the Board of County Commissioners order the 2008 tax roll to be extended prior to completion of the Value Adjustment Board (VAB) hearings.

Ad valorem taxes levied by all taxing authorities in Palm Beach County will total over \$3 billion. By approving this agenda item, these agencies will be able to begin receiving property taxes that have been budgeted for their operations.

The risk which the Board will be taking in approving the item is that all taxing authorities will be foregoing the opportunity to adjust their millage if the VAB makes significant changes in the total taxable values. If an agency experiences a substantial reduction in taxable value as a result of actions taken by the VAB, the agency could suffer an unanticipated reduction in ad valorem taxes.

We believe that the advantages of extending the tax roll prior to completion of the VAB hearings outweigh the risks and concur with the Tax Collector's recommendation. This recommendation is consistent with Board action in past years.
