I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: a Partial Release of Utility Easement on land owned by Golfview Shopping Plaza Associates, LLP.

Summary: This document will release the County's interest in a portion of a utility easement recorded in the official records of Palm Beach County in Book 9859, Page 1888. During re-development of the Golfview Shopping Plaza the property owner contacted Water Utilities Department to point out that a portion of a recorded utility easement does not follow alignment of existing utilities. Water Utilities department confirmed that the alignment of the utilities does not agree with the recorded utility easement. The owner now requests release of the portion of the original easement. The Water Utilities Department concurs with this request and, therefore, recommends the partial release. District 3 (MJ)

Background and Justification: On October 31, 1985, the owner, Golfview Shopping Plaza Associates, granted an exclusive utility easement to the County to accommodate water and sewer mains. The owner, Golfview Shopping Plaza Associates has granted a new utility easement over the field-confirmed location of the existing utilities that are in alignment with the water and sewer mains. The owner is now requesting the release of the portion of the easement that the County has determined that it no longer needs.
